I. INTRODUCTION

A. Background

In 1984, the Wisconsin legislature created 66.1109 (formerly S. 66.608) of the Statutes (see Appendix A) enabling cities to establish Business Improvement Districts (BIDs). The purpose of the law is “to allow businesses within those districts to develop, to manage and promote the districts and to establish an assessment method to fund these activities.” (1983 Wisconsin Act 184, Section 1, legislative declaration.)

Business improvement district assessments are quite similar to traditional special assessments wherein property owners are assessed for improvements or services that benefit them. Unlike the traditional special assessment, however, business improvement district assessments can be used to finance a wide range of activities, services, and improvements. Some BIDs in Wisconsin have funded physical improvements like street lighting or parking; others have funded business recruitment programs; others have promoted increased services in the district such as security or snow removal; still others have produced promotional and marketing materials and events.

The City of Milwaukee has received a petition from property owners which requests creation of a Business Improvement District for the purpose of revitalizing and improving the Burleigh Street business area on Milwaukee's Northwest side (see Appendix B). The BID law requires that every district have an annual Operating Plan. This document is the year ninth Operating Plan for the proposed Burleigh Street district. The BID proponents prepared this Plan with technical assistance from the City of Milwaukee Department of City Development and UW Extension.

Section 66.608(3) (b), Wis. Stats. requires that a BID Board of Directors “...*shall annually consider and make changes to the operating plan. The Board shall then submit the operating plan to the local legislative body for its approval.*” Given that, a grassroots and comprehensive planning process, consisting of business operators and property owners, did establish the primary mission of the Burleigh Street BID— to facilitate commercial development within the proposed District.

Development of the District through creation of the BID is proposed because:

1. The BID law provides a mechanism whereby private property owners can work together in conjunction with the City to develop the District.
2. Existing public funding sources used to help maintain and promote the District may not be sufficient. Continuing unified development efforts will have to be financed with new private resources as well as existing public dollars.
3. The District includes properties of varying types and sized. Some form of cost sharing is necessary because it is not feasible for a small group alone to support District development efforts. The BID Plan provides a fair and equitable mechanism for cost sharing which will benefit all businesses and properties within the District.
4. Use of the BID mechanism will help ensure that the entire District will be promoted and developed as expeditiously as possible.

B. Physical Setting

The boundaries of the proposed Burleigh Street BID follow Burleigh Street from Sherman Boulevard on the east, to 60th Street on the west and shall include all properties and buildings within these boundaries. While predominantly commercial in character, the District includes several residential properties. By statute residential properties are not assessed, as noted in Section IV B (2) of this document.

The Burleigh Street BID occupies a strategic location within Milwaukee's northwest side. It is one of the main shopping districts located between the major Routes 41 (Appleton Avenue) and 145 (Fond du Lac Avenue) and is accessed by Roosevelt Boulevard on the west and Sherman Boulevard on the east.

The Burleigh Street BID contains a large concentration of late 19th and early 20th century commercial buildings. Several individual buildings have a characteristic "Milwaukee" architectural quality providing a common denominator among the older stock.

The Burleigh Street BID location near major thoroughfares would help support its future role as a **high-value commercial and residential area**. Low density commercial uses might best be either selectively maintained or eventually phased out, given the area's higher density development potential.

II. DISTRICT BOUNDARIES

Boundaries of the proposed district are exhibited in Appendix C of this plan. A listing of the properties included in the district is provided in Appendix D.

III. PROPOSED OPERATING PLAN

A. Plan Objectives

The objective of the BID is to: Maximize resources and implement activities to promote, manage, maintain and develop the District in ways that will result in neighborhood safety, improved area image and new business developments.

B. Proposed Activities – Year Thirteen

Principle activities to be engaged in by the district during its year thirteen of operation will include:

- Develop and implement timely information on topics such as police patrol, garbage clean-up, marketing opportunities, and other topics of local concern, to members, retailers, and others in the form of articles, fliers, e-mails and other appropriate methods.

- Create a business directory and encourage businesses to relocate to the district.

- Direct and/or collaborate with other City Departments in the implementation of streetscape and other long-range plans approved by the board of directors.

Agencies included but not limited to include the Department of Public Works and Department of City Development.

Encourage and support façade improvements as well as encourage all commercial buildings to be maintained graffiti free. Provide staff assistance to property owners and developers who are engaged in property improvements and redevelopment actions. Ensure the streets in the District are maintained throughout the year, including cleanup activities as well as routine maintenance.

Create awareness for area businesses on safety and security measures and serve as a liaison with the security offices of area institutions and the Milwaukee Police Department.

Marketing and visual enhancement of the Commercial District.

Recognizing that it is beyond the resources and capacity of Business Improvement District No. 27 to address every significant issue affecting the district, the Board shall set priorities for expenditures based on cost effectiveness and fulfillment of the goals of the BID. Grants may be awarded during the program year that are not presently identified as such but fit within the intent of the Operating Plan.

The Board shall have the authority to revise the budget as necessary during the year to match the funds actually available. Functional expenditures anticipated being in these approximate amounts:

Except as identified herein, all expenditures will be incurred during the current Plan year. Any funds remaining on any budget line item above may be moved to another budget line item, as determined by the BID Board. Any unused funds remaining at the end of the year shall be used for the following Plan year. Of these funds fifty percent of the difference between the annual gross incomes vs. the expenditures will be held in reserve.

The BID Board may consider Grants made for financial hardships on a case-by-case basis. The BID Director/Manager has immediate authority to spend up to seventy five dollars without first obtaining Board approval. The petty cash items purchased are to be reviewed monthly. The BID Director/Manager is not authorized to spend over the total budgeted cost per project. The BID Board will not incur any long term debt which cumulatively exceeds twice the current operating budget without the consent of the majority of the board. Long term debt is defined as any debt with payments of principle and interest that exceeds twelve months.

If any additional funds are received by the BID, whether from gifts, grants, government programs, or other sources, they shall be expended for the purposes identified herein, and in the manner required by the source of such funds, or, if the funds have no restriction, in the manner determined by the BID Board. All physical improvements made with these funds shall be made in the BID District. The location of other expenditures shall be as determined by the BID Board. The BID Board shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

D. Financing Method

It is proposed to raise 48,095.64 through BID assessments (see Appendix D). The BID Board shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

The proposed expenditures will be financed from monies collected from the BID assessments. The BID assessment is levied by the City which shall be a lien against each of the non-exempt tax parcels of real property contained in the BID District. It is estimated that 100 percent of the BID budget will be raised through assessments (see Appendix D).

E. Organization of BID Board

The grassroots planning process that petitioned for the creation of the Burleigh Street BID will establish a slate of Director Candidates for Mayoral and Common Council approval as required by Wis. Stats. Section 66.608 (6).

Upon creation of the BID, the Mayor will appoint members to the district board ("board"). The board's primary responsibility will be implementation of this Operating Plan. This will require the board to negotiate with providers of services and materials to carry out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of BID assessments.

State law requires that the board be composed of at least six members and that a majority of the board members be owners or occupants of property within the district. For purposes of this section "member" means an individual owner-occupant of a parcel, or a representative of an entity owner of such parcel. No one individual, and no more than one representative of any entity, may hold more than one Board position. If, during the course of a term a Board member's situation changes, so that he/she no longer fits the definition for that seat, such as by selling their parcel, he/she shall continue to serve in that position until the end of that calendar year, and a new member fitting the requirements of that seat shall be appointed to complete that term, prior to the next January 1, with the members whose terms are expiring.

On or before December 1 of each year, the Board will submit its recommendations to the Mayor of the City of Milwaukee for seats of expiring Board members.

It is recommended that the BID board be structured and operate as follows:

1. Board Size – at least Six members –Not to exceed nine members.
2. Composition – Seven members shall be owners of BID assessed property or operators of businesses, or their representative within the District, and ONE representative of the Sherman Park Community, to be recommended by the president of the Sherman Park Community Association (SPCA) and approved by the sitting BID Board. The board shall elect its Officers from among its members.
3. Term - New appointments to the Board shall be for a period of two years. Reappointments to the Board shall be for a period of three years.
4. Compensation – None
5. Meetings - All meetings of the board shall be governed by the Wisconsin Open Meetings Law.
6. Record Keeping - Files and records of the board's affairs shall be kept pursuant to public record requirements.

7. Staffing - The board may employ staff and/or contract for staffing services pursuant to this Plan and subsequent modifications thereof.
8. Meetings - The board shall meet regularly, at least twice each year. The board shall adopt rules of order (“by laws”) to govern the conduct of its meetings. (see Exhibit One.)
9. Powers — It is intended that the BID Board shall have all powers authorized by law, and by their Plan including, but not limited to, the following powers:

- To manage the affairs of the District.
- To promote new investment and appreciation in value of existing investments.
- To contract on behalf of the BID.
- To develop, advertise and promote the existing and potential benefits of the District.
- To lease office space within the District.
- To undertake on its own account public improvements and/or to assist in development, underwriting or guaranteeing public improvements within the District.
- To apply for, accept, and use grants and gifts for these purposes.
- To elect officers, hire employees and contract out work as necessary to carry out these goals.
- To add to the security of the District.

10. Officers — The Board shall elect a Chairman, Vice-Chairperson, Treasurer and Secretary, from its members, any two of the four of which shall have the power to execute documents on behalf of the full Board, for the purposes authorized by the full Board. The Board may also give its staff limited ability to execute documents and/or to write checks to carry out the Plan.

F. Relationship to the Burleigh Street Community Development Corporation (BSCDC) and the Sherman Park Community Association (SPCA)

The BID shall be a separate entity from the Burleigh Street Community Development Corporation (BSCDC) and the Sherman Park Community Association (SPCA). The BSCDC and the SPCA shall remain a private organization, not subject to the open meeting law, and not subject to the public record law except for its records generated in connection with the BID board. The BSCDC and the SPCA may, and it is intended, shall, contract with the BID to provide services to the BID, in accordance with this Plan.

IV. METHOD OF ASSESMENT

A. Assessment Rate and Method

The principle behind the assessment methodology is that each property should contribute to the BID in proportion to the benefit derived from the BID. After consideration of other assessment methods, it was determined that assessed value of a property was the characteristic most directly related to the potential benefit provided by the BID. Therefore, a

fixed assessment on the assessed value of the property was selected as the basic assessment methodology for this BID.

The use of a minimum value is designed to reflect the expected benefits to the area by the BID. Since most of the proposed BID activities are District-wide and not property specific, the proposed minimum assessment is designed to spread the level of cost to all properties within the District. Above this minimum level, it is believed that there will be some additional benefits received based upon the value of the property.

As of June 31, 2013 the property in the proposed district had a total assessed value of \$12,958,513.00

This plan proposed to assess the property in the district at a rate of \$3.70 per \$1,000.00 of assessed value, assessments less than \$150.00 but more than \$100.00 will be assessed a flat rate of \$150.00; assessments less than \$100.00 will be assessed a flat rate of \$100.00.

The maximum amount of assessment increase that the BID Board can affect can be no more than 25% greater than the assessment in the previous year without first obtaining a positive vote of property owners representing at least 50% of the assessed properties. Any assessment increase of 25% or less must be approved by a simple majority vote of assessed property owners at a special meeting called for that purpose with at least 5 days written notice given of that meeting.

Appendix D shows the projected BID assessment for each property included in the district.

B. Excluded and Exempt Property

The BID law requires explicit consideration of certain classes of property. In compliance with the law the following statements are provided.

1. State Statute 66.1109(1) (f) lm: The district will contain property used exclusively for manufacturing purposes, as well as properties used in part for manufacturing. These properties will be assessed according to the method set forth in this plan because it is assumed that they will benefit from development in the district.
2. State Statute 66.1109(5) (a): Property known to be used exclusively for residential purposes will not be assessed; such properties will be identified as BID Exempt Properties in Appendix D, as revised each year.
3. In accordance with the interpretation of the City Attorney regarding State Statute 66.1109(1) (b), property exempt from general real estate taxes has been excluded from the district. Privately owned tax-exempt property adjoining the district and which is expected to benefit from district activities may be asked to make a financial contribution to the district on a voluntary basis.
4. When and if any amendment to the BID law is enacted, that will allow tax-exempt parcels to be included within the boundaries of BIDs any tax-exempt parcels that are excluded from the boundaries shown in Appendix C but which have frontage on BID 27 area shall be included in the district without need of separate action by the Common Council of the City of Milwaukee.

Privately owned tax exempt property adjoining the district that is expected to benefit from district activities may be asked to make a financial contribution to the district on a voluntary basis.

Further, property which is presently not taxable within the BID district (e.g. wholly residential or partial residential property), which receive a benefit from district activities, may be asked to make a financial contribution to the district on a voluntary or other basis.

5. The BID has determined that properties which are zoned commercial, whether or not any substantial portion of the property is used for residential purposes or uses, is included within eligible property subject to BID assessments. In the event that there is a change in Wisconsin Law or in any applicable local municipal or other ordinance governing the regulation and operation of business improvement districts, our BID reserves the right to take steps as are necessary and deemed appropriate to prevent any disproportional assessment of such properties and either amend this Operating Plan or have its Board pass appropriate resolutions providing for the adjustment to the assessment of substantially residential property.

V. RELATIONSHIP TO MILWAUKEE COMPREHENSIVE PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. City Plans

In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning, programming and budgeting decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File Number 881978, adopted January 24, 1989.

The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods, services, and tax base rather than passively accepting loss of jobs and population, or emphasizing massive new development. In its January 1989 reaffirmation of the policy, the Common Council gave new emphasis to forging new public and private partnerships as a means to accomplish preservation.

The district is a means of formalizing and funding the public-private partnership between the City and property owners in the Burleigh Street BID business area and for furthering preservation and redevelopment in this portion of the City of Milwaukee. Therefore, it is fully consistent with the City's Comprehensive Plan and Preservation Policy.

B. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City expected to play a significant role in the creation of the Business Improvement district and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan, and provide assistance as appropriate thereafter.
2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.
3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
4. Receive annual audits as required per sec. 66.1109 (3) (c) of the BID law.
5. Provide the Board, through the Tax Commissioner's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the BID assessments.
6. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.

VI. PLAN APPROVAL PROCESS

A. Public Review Process

The Wisconsin Business Improvement district law establishes a specific process for reviewing and approving proposed districts. Pursuant to the statutory requirements, the following process will be followed:

1. The Milwaukee City Plan Commission will review the proposed district boundaries and proposed Operating Plan and will then set a date for a formal public hearing.
2. The City Plan Commission will send, by certified mail, a public hearing notice and a copy of the proposed Operating Plan to all owners of real property within the proposed district. In addition a Class 2 notice of the public hearing will be published in a local newspaper of general circulation.
3. The City Plan Commission will hold a public hearing, will approve or disapprove the Plan, and will report its action to the Common Council.
4. The Economic Development Committee of the Common Council will review the proposed BID Plan at a public meeting and will make a recommendation to the full Common Council.
5. The Common Council will act on the proposed BID Plan.
6. If adopted by the Common Council, the proposed BID Plan is sent to the Mayor for his approval.
7. If approved by the Mayor, the BID is created and the Mayor will appoint members to the district board established to implement the Plan.

B. Petition against Creation of the BID

The City may not create the Business Improvement district if, within 30 days of the City Plan Commission's hearing, a petition is filed with the City containing signatures of:

Owners of property to be assessed under the proposed initial Operating Plan having a valuation equal to more than 40% of the valuation of all property to be assessed under the proposed initial Operating Plan, using the method of valuation specified in the proposed initial Operating Plan; or

Owners of property to be assessed under the proposed initial Operating Plan having an assessed valuation equal to more than 40% of the assessed valuation of all property to be assessed under the proposed Operating Plan.

VII. FUTURE YEAR OPERATING PLANS

A. Phased Development

It is anticipated that the BID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in this initial Operating Plan.

Section 66.1109 (3) (a) of the BID law requires the board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program, it focuses upon Year thirteen activities, and information on specific assessed values, budget amounts and assessment amounts are based on Year thirteen conditions. Greater detail about subsequent year's activities will be provided in the required annual Plan updates, and approval by the Common Council of such Plan updates shall be conclusive evidence of compliance with this Plan and the BID law.

In later years, the BID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

B. Amendment, Severability and Expansion

This BID has been created under authority of Section 66.1109 of the Statutes of the State of Wisconsin. Should any court find any portion of this Statute invalid or unconstitutional its decision will not invalidate or terminate the BID and this BID Plan shall be amended to conform to the law without need of reestablishment.

Should the legislature amend the Statute to narrow or broaden the process of a BID so as to exclude or include as assessable properties a certain class or classes of properties, then this BID Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act. This is specifically authorized under Section 66.1109(3)(b).

APPENDIX B

PETITION

Petition for the Creation of a Business Improvement District

We, the undersigned owners of real property used for industrial and commercial purposes and located in the proposed business improvement district in Appendix A, hereby petition the City of Milwaukee, pursuant to the provision of Sec. 66.608 (2)(a), Stats.
