

Northwest Trail Connections

The Northwest Trail Connections Plan will help us understand where more trails are needed & find places where new trails can go.

Milwaukee County Parks recognizes the need for a connecting trail system in the northwest neighborhoods of the County and is pleased to kick off the Northwest Trail Connections Plan. During the planning process, we want to learn from residents about your experiences biking or walking and the routes you take. Together, we will find places for new trails or parkways.

WE NEED YOU!

Give Us Your Input On-line

Show us where there are gaps in the current trail network and where you think new trail segments should go. Head to the project website at tinyurl.com/NWTconnections by December 15th to take a survey and click on an on-line map.

Contact the Project Team

We want to hear from you! Email us at parkstrails@milwaukeecountywi.gov to give direct feedback on the project.

You can use your phone to find more information here...
