Honorable Tony Zielinski
Alderman, 14th Aldermanic District
Room 205, City Hall

SUBJECT: 14th ALD. DIST. - FILE #151109
INSTALL STOP SIGN ON SOUTH BURRELL STREET
AT EAST OHIO AVENUE SOUTHBOUND

Dear Alderman Zielinski:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the northeast corner of the T-intersection in the form of a bush that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer

INSTALL STOP SIGN ON WEST GRANT STREET
AT SOUTH 7TH STREET

Dear Alderman Perez:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northeast and southeast corners of the T-intersection in the form of buildings that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.

In an attempt to promote the bicycle as both a commuting and recreational mode of transportation and to enhance bicycle safety on this section of roadway we recommend a designated bicycle lane on West Wells Street, from North 46th Street to North Hawley Road.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,
