Senior Associate, Constituency Group Programs

Hosted in different locations across the country, NBC-LEO's conferences give local elected officials the chance to share success stories, learn how other communities plan for the future and focus in on specific issues.

*This year's theme will focus on local procurement.*

Looking at your community's procurement policies is a key way city leaders can take concrete steps towards supporting small, women and minority owned businesses; at the conference, you'll learn how to take action and how you can be most effective in your community.

Located between Fort Lauderdale and Miami, Hollywood is a prime travel destination anytime of year, and a great backdrop to a vibrant and exciting conference. With networking and learning activities alike, you can expect to:

Enhance your network of elected officials and statewide leaders

Learn about timely issues in special seminars that will expand your skill sets

Strengthen your governance skills

- ▶ Adapt community programs as best practices for your community
- ▶ Attend the NBC-LEO General Membership Forum
- ▶ Participate in NBC-LEO Committee Meetings
- ▶ Find solutions to challenging problems in your hometown
- ▶ Consider becoming a leader in NBC-LEO and NLC

Check out last year's highlights!
