

September 21, 2016

Honorable Ashanti Hamilton
Alderman, 1st Aldermanic District
Room 205, City Hall

SUBJECT: 1st ALD. DIST. - FILE #160672
INSTALL STOP SIGNS ON WEST CONGRESS STREET
AT NORTH 28TH STREET

Dear Alderman Hamilton:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the northeast corner of the intersection in the form of fence that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer

September 21, 2016

Honorable James A. Bohl, Jr.
Alderman, 5th Aldermanic District
Room 205, City Hall

SUBJECT: 5th ALD. DIST. - FILE #160672
INSTALL STOP SIGNS ON NORTH 77TH STREET
AT WEST LOCUST STREET

Dear Alderman Bohl:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northwest and southwest corners of the intersection in the form of bushes that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer
