Dear City Attorney:

In response to your response file number 09-S-274 I wish to appeal your decision. Also in your letter you state that I requested \$250.00 in damages my letter states that I request \$5744.37.

I was told to put estimates in the request which I cleared stated as enclosures.

I understand that according to Wisconsin Statute 968.14 the MPD acted within it's "sphere of responsibility". Well then you can explain to me that pulling lights out of the wall, insulation out of the wall, pulling wallpaper off and completely demolishing the carpet with the debris that was flung around is in that statute.

I will assume I will get the notice of hearing by return mail.

  
Christine Schultz

Note\*\* I have enclosed a copy of the envelope which is date 9-03-09 which is clearly within my 21 day time frame.

Enclosed please find a copy of a search warrant for my rental property. I had called and was told to put a copy of the warrant and some copies of quotes for work that needs to be done after search was conducted at my property of 2719 South 10th Street, Milwaukee, WI 53215.

I have also enclosed pictures. I had to do work at this duplex already when the tenants were living there and paid labor costs of \$250.00. I do not have a receipt because I just had to get it done and at that time did not realize I could try to get it back.

I did have the tenants replace some of the light fixtures that were ripped out of the walls and I have had someone working there last week and this week to repair the damages on the walls.

Any questions please call me at the above number. I am at the work number Monday-Friday 9am-5pm any other time just use my cell.

Police Officer Todd Bohlen  
City of Milwaukee Police Department  
Criminal Intelligence Division, Gangs

involving the intentional transfer of a firearm from a non-prohibited person to a prohibited person; The affiant also has extensive experience conducting investigations related to violations of Chapter 961 of the Wisconsin Statutes including undercover purchases of controlled substances including cocaine and marijuana, working with confidential informants, conducting search warrants and numerous arrests related to possession of cocaine and marijuana. The affiant also has experience related to continuing criminal enterprise investigations and has participated in multi-jurisdictional investigations involving criminal gang activity in the State of Wisconsin.

- 4) The affiant knows through personal involvement in this investigation and through information provided by an informant that a subject by the name of Marcos J. Alicea Hispanic male, 03-28-1981, hereafter "Alicea") is reported to be in possession of one black semi-automatic handgun at the location of 2719 S. 10<sup>th</sup> Street. in the City of Milwaukee, County of Milwaukee, State of Wisconsin. The affiant was informed by a confidential informant, who wishes to remain anonymous, due to the informant's intimate knowledge of Alicea that within the last 14 days the informant observed the black semi-automatic handgun in the upper unit of the two story, two family duplex at 2719 S. 10<sup>th</sup> Street. The confidential informant explained, that the confidential informant is familiar with weapons. Affiant confirmed through interrogation of the informant that the informant had a sound understanding of firearms basics and knew the difference between semi-automatic weapons, revolvers, rifles, shotguns and non-firearm weapons like compressed air guns. The informant stated that the informant observed Alicea in possession of and has access to the black semi-automatic handgun inside the residence.
- 5) The affiant believes that the informant is a credible person because the informant has given law enforcement officers information directly corroborated by the knowledge and past experience of law enforcement officers. The informant further provided the identity, location and crimes in which the suspect is involved. The informant has also provided the

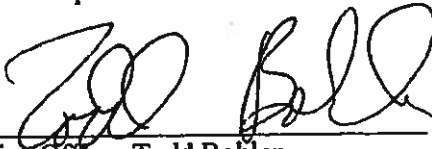

affiant and other officer's information resulting in the issuance of at least five prior search warrants, which resulted in the recovery of cocaine, marijuana and several firearms, which the informant stated would be found. The affiant knows that firearms are not readily consumed and that they remain in close proximity to individuals engaged in street level drug dealing to protect themselves and the areas they control.

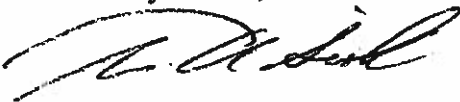

- 6) The affiant knows that 2719 S. 10<sup>th</sup> Street. is a two story, two family duplex with attic, with white siding, blue trim and a gray asphalt shingled roof. The numbers 2719 are affixed to the east side of the residence. This premises is located in the City of Milwaukee, County of Milwaukee; State of Wisconsin.
- 7) That based upon the affiant's training and experience, the affiant knows that weapons can be secreted in any part of a residence including automobiles, and storage areas related to the premises and on persons located in the residence; and that the execution of a search warrant usually results in the seizure of such items associated with firearms as cartridges, holsters, additional magazines, cleaning supplies, ammunition, and usually results in the recovery of personal property such as utility bills, canceled mail envelopes, bank statements, keys, photographs, videotapes, and other items or documents which establish the identities of persons in control of the premises and other items.
- 8) The affiant knows that Alicea is a convicted felon under Milwaukee County Circuit Court, Case number 2001CF004043 for Possession of THC (2<sup>nd</sup> Offense).
- 9) The affiant knows that the presence of firearms in the residence presents a significant risk to the safety of the officers executing the search warrant, that it is common for more than one firearm to be located in a residence and that the information presented in this affidavit forms the basis to request a no-knock warrant. Specifically, the affiant states that the informant has seen Alicea armed with the semi-automatic handgun inside the residence. Affiant believes, based on his training and experience, that in the event officers executing this search warrant were required to knock and announce their presence and intention to

execute a search warrant at 2719 S. 10<sup>th</sup> Street. upper unit that there is a substantial risk that Alicea or others inside the residence could access the firearms observed inside the residence and present a risk to those officers and others in the area. The information presented in this affidavit forms the basis to request a no-knock warrant.

- 10) The affiant, based upon his training and experience, seeks permission to search all persons on the premises because: the premises in question is a private residence and weapons and other weapon-related contraband may easily be secreted on one's person.
- 11) The affiant states that based on the above information that there is now probable cause to believe that evidence of the crime of possession of a firearm by a felon in violation of Wisconsin State Statues 941.29(2) is at the residence described above in paragraph 6 and respectfully request permission to search said residence and persons.
