Zoning, Neighborhoods and Development Committee  
Milwaukee Common Council

Honorable Members,

Please be advised that, on February 5, 2025, the Zoning Code Technical Committee (ZCTC) met to review Common Council File Number 240999, an ordinance relating to zoning regulations for accessory dwelling units. The Committee, by a 3-0-1 vote (one "Abstained"), approved a motion finding that the proposed ordinance fails to meet the three Zoning Code Technical Committee review criteria: legality and enforceability, administrative efficiency, and consistency with the format of the zoning code.

Sincerely,

*Jeff Osterman*

Jeff Osterman, Chair
