2025 Proposed NID Operating Plan

Lindsay Heights Neighborhood Improvement District 12

I. INTRODUCTION

A. Background

In 2006, the State of Wisconsin signed into law the 2005 Wisconsin ACT 186, a legislative declaration created to give Wisconsin municipalities (i.e., cities, villages and towns) the power to establish one or more Neighborhood Improvement Districts (NID) within their community. An assessment methodology is developed to allow the assessable residential and commercial properties within the geographic area to contribute to programs aimed at neighborhood improvements and other activities as approved by the NID Board. The ACT was drafted like the business improvement district statute.

The City of Milwaukee has received a petition from property owners which requests creation of a Neighborhood Improvement District for the purpose of restoring and renewing the Lindsay Heights neighborhood area on Milwaukee's near north side (see Appendix B). The Lindsay Heights NID 12 was **created by the City of Milwaukee 2022 resolution #211511** and its first year of operation was 2023. The NID law requires that every district have an annual Operating Plan. This document is the Proposed Operating Plan for the Lindsay Heights Neighborhood Improvement District. The NID proponents are prepared in this Plan with technical assistance from the City of Milwaukee Department of City Development.

B. Physical Setting

The general boundaries for the Lindsay Heights Neighborhood Improvement District ("LH NID") are North 20th Street to the west, North 6th Street to the east, West Locust Street to the north and West Walnut Street to the south, excluding properties included in the North Avenue Market Place BID 32. For a specific boundary, see Appendix C.

Throughout its history the Lindsay Heights neighborhood has often been associated with other names and shifting populations, and is known to be home to one of the stops along the Underground Railroad, what is now known as Clarence and Cleopatra Johnson Park. Johnson Park is a thriving hub for African Americans; Lindsay Heights is now known as the home of "Cultural Pioneers". Lindsay Heights is named after Bernice Lindsay. In 1977, today Lindsay Heights boasts a collective of businesses, community organizations, and residents who are now leading efforts to community engagement encouraging Healthier Life Styles for health and wellness, and entrepreneurship through Walnut Way. Walnut Way Conservation Corp is housed in a building once slated for demolition during a time in the late 1990's when the neighborhood was rife with mental illness, drugs use and gun violence. In 2002, founders Sharon and Larry Adams rallied neighbors to take back their neighborhood and create what is now an active community resource center that tends thriving orchard, rain gardens, gardens and a hub that provides employment pathways. Walnut way also supports a health and wellness program for men and women. They also drive the Lindsay Heights Neighborhood Initiative and helped develop the Innovation & Wellness Commons. Over the past two decades Lindsay Heights has been consistently deteriorating housing stock and plague with crime. Lindsay Heights NID 12 is currently being transformed by dedicated residents working to increase social cohesiveness, economic mobility and improved health outcomes for the area.

Lindsay Heights NID 12 is the closest neighborhood to downtown on Milwaukee's north side. It is less than 10 minutes from Lake Michigan, making it a prime location for perpetual redevelopment and homeownership making it an ideal location to live, work and play. New homes are being built and others renovated, new urban gardens and pocket parks dot the landscape as existing residents seek to increase their power, equity and prevent the erosion of the existing homeownership and its foundation for generational wealth among residents, specifically African Americans.

Though blocks in Lindsay Heights NID 12 are on a regular grid, street widths and lot sizes vary considerably. Lot sizes vary, ranging from 30' by 120' in the southern areas in Lindsay Heights and 50' by 130' on the north side of Lindsay Heights. To date, there are 2,765 properties and 900 are owner occupied with another 1,776 being rental units. New home construction in Lindsay Heights is on an uptick with multiple subdivisions in the area active with new in-fill home development. Of all properties in Lindsay Heights 65% were built in 1939 or earlier. The primary forms of housing in the Lindsay Heights NID 12 area are single family residences and unit over unit duplexes.

The Lindsay Heights NID 12 is also home to key "social and economic support" organizations, MPS schools and choice school options like charter schools etc..., United Neighborhood Community Center, Running Rebels, North Avenue Ambassadors, Cross Lutheran Church, and Ron Coalition to name a few.

C. Principal Office

Lindsay Heights NID 12 stands as its principal entity. Our Fiscal agent is Walnut Way Conservation Corp. directed by Antonio Butts. WWCC has provided a furnished office space, conference room use, internet access and zoom access since 2023 located in the Innovation Wellness Commons 1609 W North Ave..

II. DISTRICT BOUNDARIES

Boundaries of the proposed district are shown on the map in Appendix C of this plan. A listing of the properties included in the district is provided in Appendix D. The description in Section I. contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of Lindsay Heights NID 12 assessments.

Walnut Way Conservation Corp may and is intended to contract with the Lindsay Heights NID 12 to provide services to the Lindsay Heights NID 12 in accordance with this Operating Plan or until further notice.

IV. METHOD OF ASSESSMENT

A. Assessment Rate and Method

The principle behind the assessment methodology is that each property should contribute to the Lindsay Heights NID 12 in proportion to the benefit derived from the Lindsay Heights NID 12. After consideration of other assessment methods, it was determined that for residential properties, the number of residential units was the characteristic most directly related to the potential benefit provided by the Lindsay Heights NID 12.

Therefore, a fixed assessment of \$50 per dwelling unit was selected as the basic assessment methodology for properties in Lindsay Heights NID 12. Multi-family dwellings (residences with two or more dwelling units) shall be assessed \$50 per unit. A fixed assessment of \$25 per vacant land was selected as the basic assessment methodology for vacant land properties in the LH NID 12. Properties in the area which fall within pre-existing Business Improvement Districts (BIDs) are omitted from Lindsay Heights NID 12.

Maintaining an equitable relationship between the Lindsay Heights NID 12 assessment and the expected benefits requires an adjustment to the basic assessment method. To prevent the disproportional assessment of a small number of high value properties.

As of March 2023, the property in the proposed district had approximately 2,795 parcels and would generate a total NID 12 assessment revenue of approximately \$138,675. Appendix D shows the projected Lindsay Heights NID 12 assessment for each property included in the district.

The assessment assigned to each parcel based on this formula is herein referred to as “Lindsay Heights NID 12 Assessment.” Any Lindsay Heights NID 12 Assessments related to a previous year, or years may not be contested. Any Lindsay Heights NID 12 Assessment related to this Operating Plan may only be contested prior to approval and adoption of this Operating Plan by the City Council.

V. PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. City Plans

- In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning.

programming and budgeting decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File Number 881978, adopted January 24, 1989.

- The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods, services, and tax base rather than passively accepting loss of jobs and population or emphasizing massive new development. In its January 1989 reaffirmation of the policy, the Common Council gave new emphasis to forging new public and private partnerships to accomplish preservation.
- The district is a means of formalizing and funding the public-private partnership between the City and property owners in the Lindsay Heights neighborhood and for furthering preservation and redevelopment in this portion of the City of Milwaukee. Therefore, it is fully consistent with the City's Comprehensive Plan and Preservation Policy.

B. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the city is expected to play a significant role in the creation of the Neighborhood Improvement District 12 and in the implementation of the Operating Plan. In particular, the city will:

- Provide technical assistance to the proponents of the district through adoption of the Plan and aid as appropriate thereafter.
- Monitor and, when appropriate, apply for outside funds that could be used in support of the district.

- Collect assessments, maintain in a segregated account, and disburse the monies of the district.
- Receive annual audits as required per sec. 66.1110 (4)(c) of the NID law.
- Provide the board, through the Tax Commissioner's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the NID 12 assessments.
- Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.

VI. PLAN APPROVAL PROCESS

A. Public Review Process

The Wisconsin Neighborhood Improvement District law establishes a specific process for reviewing and approving proposed districts. Pursuant to the statutory requirements, the following process will be followed:

1. The Milwaukee City Plan Commission will review the proposed district boundaries and proposed Operating Plan and will then set a date for a formal public hearing.
2. The City Plan Commission will send, by certified mail, a public hearing notice and a copy of the proposed Operating Plan to all owners of real property within the proposed district. In addition, a Class 2 notice of the public hearing will be published in a local newspaper of general circulation.
3. The City Plan Commission will hold a public hearing, will approve or disapprove the Plan, and will report its action to the Common Council.
4. The Community & Economic Development Committee will review the proposed NID Plan at a public meeting and will make a recommendation to the full Common Council.
5. The Common Council will act on the proposed NID Plan.
6. If adopted by the Common Council, the proposed NID Plan is sent to the Mayor for his approval.
7. If approved by the Mayor, the NID is created.

B. Termination of the NID 12

The City may terminate the Neighborhood Improvement District 12 if, one of the following occurs:

- One year after the initial operating plan has been adopted, the owners or property assessed under the operating plan having a valuation equal to more than 50% of the valuation of all properties assessed under the operating plan, using the method of valuation specified in the operating plan, or the owners of the property assessed under the operating plan having an assessed valuation equal to more than 50% of the assessed valuation of all property assessed under the operating plan, may file a petition to terminate with the city's planning commission.
- Within 30 days after filling the petition, the planning commission must hold a public hearing on the proposed termination, with notice to all owners of property within the NID 12. It is required that the operating plan and a copy of a detailed map showing the boundaries of the NID 12 be sent by certified mail to all owners.

If after the expiration period of 30 days following the date of the hearing, the property owners have met the valuation requirements stated above. (Paragraph #1); the request to terminate the NID 12 may be granted by the municipality. The municipality shall terminate the NID 12 on the date that the obligation with the latest completion date entered to implement the operating plan expires.

NOTE: If a NID has a long-term obligation, such as a streetscape improvement project, the NID must continue its existence until the obligation is satisfied.

VII. FUTURE YEAR OPERATING PLANS

A. Phased Development

Section 66.1110 (4)(b) of the NID law requires the board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program, it focuses upon Year One activities, and information on specific assessed values, budget amounts and assessment amounts are based on Year One conditions.

B. Amendment, Severability and Expansion

This Lindsay Heights NID 12 has been created under authority of Section 66.1110 of the Statutes of the State of Wisconsin ("NID Statute"). Should any court find any portion of this Statute invalid or unconstitutional, its decision will not invalidate or terminate the Lindsay Heights NID and this Lindsay Heights NID 12 Operating Plan shall be amended to conform to the law without need of re- establishment.

Should the legislature amend the Statute to narrow or broaden the process of a NID 12 to exclude or include as assessable properties a certain class or classes of properties, then this NID 12 Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act.

No disbursements from the account may be made except to reimburse the municipality for appropriations other than special assessments, to pay the costs of audits required under sub. On termination of the neighborhood improvement district by the municipality, all moneys collected by special assessment remaining in the account shall be disbursed to the owners of specially assessed property in the neighborhood improvement district, in the same proportion as the last collected special assessment.

(6) (a) Subject to pars. (b) and (c), a municipality shall terminate a neighborhood improvement district if one of the following occurs:

(b) 1. A petition may not be filed under this subsection earlier than one year after the date on which the municipality first adopts the operating plan for the neighborhood improvement district.

2. On and after the date on which a petition is filed under par. (a) 1. or 2., or on and after the date on which a petition must be filed under par. (a) 3., neither the board nor the municipality may enter into any new obligations by contract or otherwise to implement the operating plan until the expiration of 30 days after the date of the hearing under subd. 3. and unless the neighborhood improvement district is not terminated under par. (c).

3. Within 30 days after the filing of a petition under par. (a) 1. or 2., the planning commission shall hold a public hearing on the proposed termination. Within 30 days after the deadline for filing a petition under par. (a) 3. passes, the planning commission shall hold a public hearing on the proposed termination. Notice of the hearing shall be published as a class 2 notice under ch. 985. Before publication, a copy of the notice, together with a copy of a detail map showing the boundaries of the neighborhood improvement district, shall be sent by certified mail to all owners of real property within the neighborhood improvement district. The notice shall state the boundaries of the neighborhood improvement district and shall indicate that copies of the operating plan are available from the planning commission on request and are posted in the building in which the municipality's governing body regularly holds its meetings.

4. Within 30 days after the date of the hearing under subd. 3., every owner of property assessed under the operating plan may send written notice to the planning commission indicating, if the owner signed a petition under par. (a) 1. or 2., that the owner retracts the owner's request to terminate the neighborhood improvement district, or, if the owner did not file or sign a petition under par. (a) 1. or 2., that the owner requests termination of the neighborhood improvement district under par. (a) 1. or 2.

(a) 3., that the owner retracts the owner's request to continue the neighborhood improvement district, or, if the owner did not file or sign a petition under par. (a) 3., that the owner requests continuation of the neighborhood improvement district under subd. 3.

(c) After the expiration of 30 days after the date of the hearing under par. (b) 3., and after adding any additions and subtracting any retractions under par. (b) 4. and 5., the municipality shall terminate the neighborhood improvement district on the date on which the obligation with the latest completion date entered into to implement the operating plan expires if the owners who have signed the petition requesting the termination of the neighborhood improvement district under par. Brief History

Over the past several years the residents of the Lindsay Heights Neighborhood was engaged in creating a neighborhood improvement district. In July of 2022 the Lindsay Heights improvement District was scheduled on the Milwaukee Common council Agenda for a vote of approval to officially become a neighborhood improvement district. A small group of residents came to the meeting expressing concerns, Alderman Stamper met with the group and the vote for approval was delayed.

During the delay period, Alderman Stamper in September held a public town hall meeting and all who attended gave consensus to move forward with the process for a NID district. LH residents met weekly, Canvassed the neighborhoods notifying of the upcoming election, 2 public meetings and the election for officers was held at North Division High School in February of 2023. In April of 2023, the Milwaukee Common Council met and voted for the approval of Lindsay Heights to officially become Lindsay Heights Improvement Neighborhood District #12.

Vision statement

Lindsay Heights NID!2 objective is to be a resource for residents/homeowners who need assistance with housing repairs, public safety assistance (lighting/cameras) and/or beautification assistance for neighborhood improvement.

Status of LH NID #12 Organization

The design of the LH NID #12 program is slightly different from other NIDs, the LH NID#12 will have more input from the residents. The residents meet weekly and express their neighborhood concerns and actively participate in recommending solutions to problems that occur. The NID #12 Board in drafting the By-Laws for the NID set up a website www.unifiedlindsayheights.com for residents to access, review and comment on our process. Efforts were made to promote resident engagement through activities such as neighborhood canvassing, organizing health and wellness activities. These activities were aimed to build a sense of community and encourage residents to actively participate in community events and initiatives.

Lindsay Heights NID12 first year of operation was committed to establishing compliance procedures for the operation process of the LH NID12 board
