RE: C.I. File No. 1030-2014-2446
Communication from Attorney Andrew Arena on behalf of
Victoria Mulandi

Dear Attorney Arena:

We have received your client's claim in the amount of \$115,673.61, relating to injuries and property damage arising from a May 7, 2014 loss in which you allege that a City car drove through a red light and collided with your client's vehicle at North 20th Street and West Walnut Street. State Farm Insurance has filed their own claim for \$7,835.67, relating to property damage and medical payments. This will be addressed separately.

The notice of claim, on behalf of your client, was filed on September 12, 2014. Wisconsin Statute §893.80(1d)(a) requires that a notice of claim be filed within 120 days after the happening of the event giving rise to the claim. The notice of claim was not timely filed.

The Wisconsin Motor Vehicle Accident Report completed as a result of this incident, and subsequently amended, notes that the City car had the green light. Your client disregarded the red light and caused the collision with the City car. The liability for the accident is upon your client. As such, the City cannot accept liability for your client's damages. Therefore, we are denying your client's claim.
