

purposes and objective herein provided. The intergovernmental relations director shall from time to time as the director determines most appropriate or as directed by the mayor or the common council, submit reports with reference to the operations of this division. It shall also be the duty and responsibility of the director to carry out programs wherever necessary to increase the city's share of federal and state contributed funds in accordance with proposals prepared from time to time by the director and approved by the common council. Annual reports and recommendations shall be required of the director to be made to the common council.

3. COORDINATION. The intergovernmental relations director shall make recommendations to the common council and mayor, as the need arises, as to those matters relating to the underlying problems faced by the city and to fiscal equity, and as to applications for state and federal grants, which would benefit from cooperative action by the common council and mayor, with those officials responsible for applications for state and federal grants who are under the jurisdiction of the county board of supervisors, the board of school directors, the board of vocational and adult education, the city and metropolitan sewerage commissions, and the social development commission of greater Milwaukee.

310-12. Professional Service Contract Limitations. If a department enters into a professional service contract, as defined in s. 310-13-2-a, with any person who has retired from that department and is receiving a retirement allowance from the employes' retirement system, the combined annual value of the professional service contract and the retirement allowance may not exceed the retired person's earnable compensation, as defined under s. 36-02-12 of the charter, during the 12 months immediately preceding the retirement date, and the contract term shall not exceed a period longer than 18 months. The common council may waive these limitations by resolution for special circumstances, as it, in its sole discretion, shall determine and deem necessary.

310-13. Service Contract Wage Requirements.

1. PURPOSE. The purpose of this section is to insure a living wage for all employes of contractors and subcontractors performing services for the city.

2. DEFINITIONS. In this section:
a. "Professional service contract" means any contract in which the majority of workers engaged in the performance of the contract perform work which:

a-1. Is predominantly intellectual and varied in nature, as opposed to work which involves routine mental, manual, mechanical or physical labor.

a-2. Requires advanced knowledge in a field of science or learning customarily acquired by a prolonged course of specialized intellectual instruction and study in an institution of higher education or a hospital.

b. "Service contract" means any contract with the city, for the provision of services to any city department or agency with a budget under control of the common council, which has a value exceeding \$5,000 and which is designated a "service contract" by the central board of purchases upon recommendation of the city purchasing director. The central board of purchases shall review each bid specification or request for proposals and make a determination as to whether the proposed contract will constitute a service contract. "Service contract" includes, but is not limited to, any of the types of contracts listed in documents enumerating 1994 department of public works service contracts and 1994 and 1995 business operations division - procurement services section - department of administration service contracts found in the official record on file in the city clerk's office. However, "service contract" does not include any contract which involves the purchase of goods or which is a professional service contract, department of public works contract regulated under s. 309-25, contract administered by the office of community block grant administration-department of administration or contract with the Milwaukee public schools, regardless of whether such contract is included in the lists of 1994 and 1995 contracts referred to herein.

3. LIVING WAGE REQUIREMENT. All workers, whether permanent or temporary, employed in any work performed as part of a service contract, as defined in sub. 2, awarded after December 31, 1995, shall receive and be paid a sum of not less than \$6.05 per hour. On March 1, 1996, and each March 1 thereafter, the living hourly wage shall be adjusted to the amount required to produce, for 2,080 hours worked, an annual income equal to the U.S. department of health and human services' most recent poverty guideline for a family of 3. No contractor may use the living wage requirement of this subsection to
