

# AMERICA'S Block Party

## Join the Celebration!

**The biggest Fourth of July in American history starts with you.** America's Block Party will unite communities nationwide on July 3 and 4 for live music, local celebration, and something new: a call to give back. This year, we're launching Giving 4th — a movement to transform Independence Day into the largest single day of charitable giving in U.S. history.

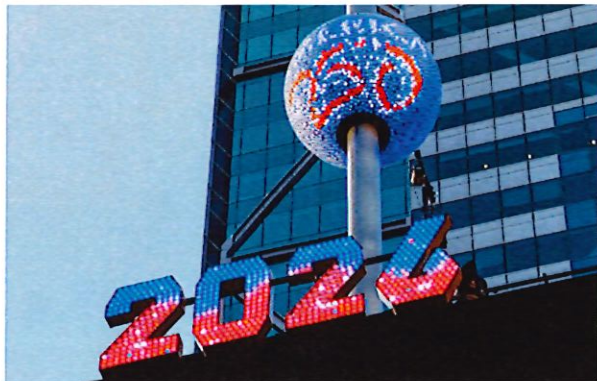

**Bring the celebration home. Pick a cause. Make it count.** Register to host an official America's Block Party and get a digital toolkit with everything you need to plan your event. Then give to a charity that means something to you because July 4th has always been more than fireworks.
