To the Honorable, the Common Council

Subject: Private Street Requests
of South Adams Avenue, East Alvina Avenue, South Austin Street, East Boden
Street, South Burrell Street, East Goldleaf Avenue, South Griffin Avenue, East
Henry Avenue, South Jasper Avenue, East Mangold Avenue, East Uncas Avenue

Dear Honorable Members:

The Milwaukee County has requested the City of Milwaukee recognize 11 private streets located within the 440th Airbase. The 440th Airbase closed in February, 2008 and the Milwaukee County officially took possession of these lands in July, 2010. The County proposes to lease out commercial space as well as provide space for some County airport operations. They have requested that the City recognize private roadways within this area which can be used to assign addresses to support the commercial use as well as emergency response agencies.

It is recommended that the attached resolution be adopted to create these private streets within the County's property generally located north of East College Avenue and east of South Howell Avenue.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
