Girl gun shots because of the people that come in our neighborhood because of Golddiggers attract trashy ass criminals, fireworks that could destroy our property & that's jeopardizing our safety, loitering making our neighborhood not only look unsafe but trashy also, people getting away with criminal activities in our neighborhood because of Golddiggers doing like wise & that jeopardizes our safety also, people using the restroom outside even if that dump opened or closed that's disgusting & unsanitary & illegal, music all times of the night until the next day keep our neighborhood up & that's disturbing our peace also, this dump don't clean up behind there nasty ass customers & they suppose to everytime they are open for business the list continues so we have just call to get this business permanently closed 😞¹⁰⁰ this not just out the blue this dump earned it !!

He can afford to hire professional security for his strip club golddiggers so our neighborhood can have some peace & feel safe in our neighborhood the security can make sure golddiggers customers don't loiter & play music around in our neighborhood because they do this 7 days a week & the police can only do so much the Pictures show him with jewelry & have part in a after hour & a party bus business so he can afford professional security

Why the license board & the alderperson & the president of common council should come together & make it where bars in residential neighborhoods have to hire professional security so they can control there customers so they can't loiter & sit & stand around our neighborhoods playing music & disturbing our peace & jeopardize our safety please because goldiggers is still a problem with loitering customers & employees & the owner & they play music outside the bar keeping up the whole neighborhood from the time they open until early in the morning 7 days a week & the police can only do so much & the trash is all over our neighborhood because goldiggers customers also & this owner don't clean anything up

Subject: One of neighborhoods has children that has been trying destroy my property

I talk to my neighborhood about her children destroying my gate to my home & she said she would take care of it with her children but she didn't because her children chose to come do it again & try to destroy my gate entrance which already is bent to the point it barely closes & I didn't sue her or ask the mother to pay for it so I called her landlord to ask if there something they could do to help & they talk to the parents of the children & the landlord told me to call the police & to send her a police report of what happened & I did & I am sending this to u guys a head of time before u hear from someone else .thank

There has to be something more then what is being done over the years to get goldiggers out our neighborhood I have done everything that was asked of me & for year goldiggers owner hasn't held up his end of the deal or what he agreed to in front of the license board so there has to be something u can do to end this for good so our neighborhood can have peace & feel safe in our homes & no more complaining to the police department almost every week & testifying in front the license board every year for years with the same complaints for years & sending videos proof of the problems with goldiggers is so tiring & it needs to end permanently so do something please

What is going to take for goldiggers to actually getting shut down for good?because I our neighborhood have been dealing with goldiggers problems for over 10yrs the gun shoots,the loitering & the music disturbing our whole neighborhood & it's isn't not fair or just to have to keep living in our homes dealing with there bullshit & evidently the owner Micheal ray sr don't care about doing anything about the on going problems we been dealing with for years because he has said he will fix the problems & never do it & professional security would fix the problem it would make sure these customers & employees of goldiggers wouldn't loiter to play music just leave our neighborhood after leaving out the bar & goldiggers needs to close at 12midnight & that would help too! Thank u

It shouldn't take but one person to complain about a business in a residential neighborhood to get someone to do something about it & this bar goldiggers has been a problem for years & I have did what I was suppose to get it fixed for good over the years & I can't help if no one has the guts to complain & see it through but I have been asking for years for help & no one is doing nothing & it's right the consent loitering & playing music until early morning hours & the trash we have clean up everyday is just ridiculous & someone need to help our neighborhood & stop being scared

Because this bar bring unsavory people in our neighborhood that loiter & playing music until early morning hours & the owner needs to clean up around neighborhood of the trash his customers keeps throwing around our neighborhood & in front of our homes what else can I do to get golddiggers shut down sense my neighbors are scared to get involved? This been going on for to many years & me doing by myself is very hard living like this & I shouldn't have to move & I am not the problem & the owner have drug charges, rape charges, they robbed there customers & broke into a customers car & stole a gun would u want all this out your neighborhood?
