## STANDARD OPERATING PROCEDURE

### 750 - AUDIO-VIDEO RECORDED INTERVIEWS/INTERROGATIONS

**GENERAL ORDER:** 2025-32  
**ISSUED:** July 16, 2025

**EFFECTIVE:** July 16, 2025

**REVIEWED/APPROVED BY:**  
Assistant Chief Nicole Waldner  
**DATE:** June 6, 2025

**ACTION:** Amendment to General Order 2024-16 (March 21, 2024)

**WILEAG STANDARD(S):** 1.7.2, 6.3.6, 6.6.4

#### **750.00** **PURPOSE (WILEAG 1.7.2)**

The purpose of this policy is to establish clear guidelines on use of the digital audio-video recording system for recording custodial interrogations and forensic interviews and the associated use, management, storage and retrieval of such recordings. In addition, this policy is to assure compliance with all applicable constitutional requirements as they relate to interviews, interrogations and access to counsel.

#### **750.05** **POLICY**

The use of audio-video recordings during custodial interrogations or forensic interviews is intended to enhance the investigative process and assist in the prosecution of criminal cases. The recording of custodial interrogations will assist the department in demonstrating the interrogation process, preserving the statements of the accused, and defending against claims, such as deprivation of the right to counsel and the right against self-incrimination.

This policy applies only to custodial interrogations or forensic interviews that are conducted in a department facility.

#### **750.10** **DEFINITIONS**

##### **A. CUSTODIAL INTERROGATION ([Wis. Stat. § 968.073](#))**

An interrogation by a law enforcement officer of a person suspected of committing a crime from the time the suspect is or should be informed of his or her rights to counsel and to remain silent until the questioning ends, during which the officer asks a question that is reasonably likely to elicit an incriminating response and during which a reasonable person in the suspect's position would believe that he or she is in custody or otherwise deprived of his or her freedom of action in any significant way.

##### **B. FORENSIC INTERVIEW**

A video recorded interview of a child victim or witness that is conducted by a trained forensic interviewer.

##### **C. RECORDED INTERVIEW / INTERROGATION ROOM**

Any designated room within a department facility that is equipped with audio-video recording equipment.

#### D. RECAP INTERVIEW / INTERROGATION

When statements and admissions are initially made outside the presence of electronic recording equipment, members shall conduct an interview/interrogation in a recording room in order to summarize the previous statements of the subject.

### **750.15 PROCEDURES (WILEAG 6.3.6, 6.6.4)**

#### A. ELECTRONIC RECORDING REQUIRED

Members shall use the digital audio-video recording system to record custodial interrogations or forensic interviews when any of the following conditions exist:

1. An adult (17 years of age or older) in custody for a felony or a misdemeanor.
2. Juveniles (under 17 years of age) shall be interviewed / interrogated regarding either a felony or misdemeanor.  
(WILEAG 6.6.4.1)
3. If accommodations are available, contact with a parent or guardian during a juvenile custodial interrogation shall be at the discretion of the member.  
(WILEAG 6.6.4.2)
4. Limit the number of persons present during the interview / interrogation. The duration of the interview/interrogation will be dependent upon the seriousness of the offense and the person's cognitive ability to participate in the interrogation process.  
(WILEAG 6.6.4.3)
5. When a trained member of the department conducts a forensic interview, it shall be conducted in a location designated by the commander of the Sensitive Crimes Division.

#### B. EXCEPTIONS TO THE RECORDING REQUIREMENT

##### 1. System is Unavailable

Instances where the digital audio-video recording system is unavailable (e.g., equipment malfunctions, power outage);

##### 2. Spontaneous Statements

Statements not made in response to police questioning;

##### 3. Routine Booking Questions

Statements made in response to questions that are routinely asked during the arrest and booking process;

4. Statements not Required to be Recorded Initially

Statements made in accordance with this procedure that are not required to be recorded, but are later determined to be an offense that would have required a recorded interrogation;

5. Statements Made During a Custodial Interrogation at Another Location

This includes out of state, a correctional facility, hospital, which is not equipped with recording equipment, and the reasons for using such other location is not to circumvent this policy.

6. Suspect Requests Interrogation not be Recorded

Statements by a subject who has indicated that he/she will only participate in the interrogation if it is not recorded; or

7. Error

The failure to record was due to inadvertent error or oversight and was not the result of intentional conduct of a member.

8. Exigent Circumstances

When information is needed immediately to ensure that further danger to the public does not result.

C. Members conducting an interrogation, but not using the audio video system under the above exceptions should make every reasonable effort to use an audio recorder or their body worn camera (if equipped) to capture the statement.

D. The member(s) conducting or assisting with the interview/interrogation shall be responsible for the operation of the recording device used during the interview and will monitor to ensure that the recording is not interrupted. The member accessing the digital audio-video recording system must log into the system using their authorized user name and password.

E. OFFICER DISCRETION

Members are encouraged to conduct interviews and interrogations at the time when they believe the circumstances are opportune for eliciting information from a subject. This policy is not intended to discourage field interrogations (e.g., at hospitals, jails, police vehicles, other locations where recording is not practicable). In the event statements and admissions are developed outside of the recording room(s), when feasible, members should continue to conduct the interrogation in a recording room for the purposes of a recap interrogation as defined herein.

## F. RECORDING IN ENTIRETY

To maximize the effectiveness of electronic recording and the integrity of audio-video documentation, members shall adhere to the following:

1. Interviews/interrogations shall be recorded in its entirety.
2. The recording shall begin before the person is read their Miranda warnings.
3. During short periods when the interview is interrupted, such as when the person needs to use the restroom, the recording should continue.
4. At the conclusion of the interview/interrogation, the member/s conducting the interview shall deactivate the recording equipment immediately upon the exit of parties from the interview room.

**Note: Nothing in this policy prohibits the use of electronic recording equipment for any other interview/interrogation at the discretion of the member.**

## G. JUVENILE INTERVIEW ROOMS

1. The following procedures are established to ensure the Milwaukee Police Department remains in compliance with the directives contained within the United States Juvenile Justice Delinquency Prevention Act ([Wis. Stat. § 938.209](#) and [Wisconsin Department of Corrections Chapter 349.21](#)).
2. All interviews/interrogations conducted at the Police Administration Building (PAB) of juveniles (ages 16 and under) being investigated for criminal offenses shall be conducted within the three designated Juvenile Interview Rooms located on the sixth floor of the PAB. The Juvenile Interview Rooms are labeled by signage and numbered Room 644, Room 645 and Room 646.

**Note: The Juvenile Interview Rooms are not secure detention areas. During the time period in which juveniles are placed in the designated unlocked Juvenile Interview Rooms, they are not considered in secure custody status for the purposes of the six-hour requirement (see SOP 140.15(C)(5)). Juvenile Interview Room doors shall not be locked at any point.**

3. Members conveying juvenile prisoners to and processing them at the PAB shall follow the guidelines in SOPs 090.30, 090.40, 140.20 and 140.25. Additionally:
  - a. Members shall advise a Central Booking supervisor and head jailor that the juvenile prisoner will be taken to one of the Juvenile Interview Rooms.
  - b. The head jailor shall assign the investigating member the Juvenile Interview Room number and record it in the Jail Management System (JMS) and on the

*Order to Release* (form PO-4). The investigating member conducting the interview of the juvenile prisoner will also document the Juvenile Interview Room number within their arrest reports.

- c. Once the Juvenile Interview Room number has been assigned and recorded, the assisting officer shall rearm and accompany the investigating member with the juvenile prisoner to the assigned Juvenile Interview Room. The armed monitoring officer shall remain with the juvenile prisoner outside the assigned interview room for the duration of the interview to ensure their safety and prevent escape.

**Note: There will be one armed monitoring officer for each juvenile being interviewed in the Juvenile Interview Rooms.**

- d. Investigating members conducting the interviews within the Juvenile Interview Rooms shall remain unarmed.
- e. Once the interview is completed, the investigating member shall notify the Central Booking supervisor and the head jailor that the assigned Juvenile Interview Room is no longer in use and continue to follow the directives in SOP 140.30.

## **750.20 INTERVIEW / INTERROGATION (WILEAG 6.3.6)**

### **A. INTERVIEW / INTERROGATION PREPARATIONS**

1. Ensure that the person being interviewed/interrogated is positioned in a way that their voice will be audible on the recording.
2. Members should ensure that questions and statements that are inaudible are repeated or clarified during the recorded interview/interrogation.
3. The member conducting the interview/interrogation is not required to inform the subject that he/she is being recorded and is not required to discuss the topic of recording unless the subject asks whether the interview/interrogation is being recorded.
4. Attorney Consultations

The recording shall be continuous and uninterrupted during the interview/interrogation process, unless the person interviewed/interrogated and their attorney elects to confer privately. In such cases, the member responsible for the recording shall advise the attorney of the use of recording equipment, and offer: to deactivate the audio, provide an alternate room for the conference, or to turn off the recording equipment during the conference between the attorney and the subject. If there is an interruption in the recording in order to accommodate the subject and attorney, note the date and time prior to stopping the equipment and re-state the date and time when the equipment is again turned on.

## 5. Eavesdropping

At no time will the system be used to record the conversation of another member(s) without the consent of all parties. This does not prohibit another member of the department from monitoring interviews/interrogations conducted in accordance with this SOP.

6. If the person interrogated has previously indicated they wished to have an attorney present, but later request to make a statement without an attorney, the member conducting the interrogation should confirm this during the recorded interrogation.

## B. POST INTERVIEW / INTERROGATION

The member(s) conducting the interview/interrogation shall:

1. Review the recording to ensure it is available in Evidence.com. If a member conducts an interview / interrogation with an audio recording device due to conducting the interview / interrogation at another location (e.g., hospital), the member shall ensure the recording is imported to Evidence.com. Storage, either directly or indirectly to other medium such as flash drives, external hard drives, etc., is strictly forbidden.
2. Ensure recordings are only shared with the prosecutor and/or the defense attorney as part of the discovery process or to an outside law enforcement agency with the approval of a supervisor.
3. A written statement is required in all audio-video recorded interviews/interrogations. The member conducting the interview/interrogation shall submit a supplemental incident report, which summarizes the interrogation. This supplemental report shall include:
  - a. The date and time the interview began.
  - b. The location of the interview.
  - c. The names of all individuals present.
  - d. A synopsis of the statement provided, to include documentation that the person remained silent, asked not to make a statement, or requested an attorney.
  - e. A synopsis of the pedigree information from the *Arrest Report Supplement* (form PA-45A) to include documentation if the person did not answer any pedigree questions.
  - f. The time and duration of all breaks or interruptions, such as to use the restroom or eat.
  - g. If any food or beverage was provided to the person (e.g., chips, sandwiches, soda).

h. The date and time the interview/interrogation concluded.

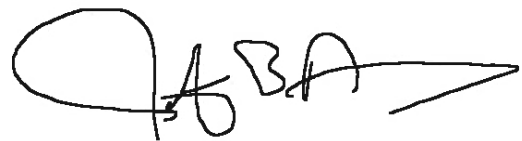

## **750.25 EVIDENCE AND EQUIPMENT**

### **A. PRESERVATION OF EVIDENCE AND DISCOVERY REQUESTS**

1. No person shall alter the original electronic recording media.
2. All data and media associated with the recorded interview/interrogation are the property of the Milwaukee Police Department and dissemination outside of the department or prosecutor's office is prohibited unless specifically authorized by a captain or above or the Open Records Division.
3. Requests for copies of recordings other than those provided to the prosecutor or defense counsel must be made through the Open Records Division.
4. Original recordings of interviews/interrogations are considered evidence and shall be handled and retained in accordance with SOP 560-Property.
5. Members who are not involved with the case, but wish to view a recorded interview/interrogation must submit a request in the form of a *Department Memorandum* (form PM-9E) to their commanding officer for approval.
6. Members seeking to view and/or use electronic recordings for training purposes must submit a request in the form of a *Department Memorandum* (form PM-9E) to their commanding officer for approval.

### **B. MAINTENANCE OF EQUIPMENT**

1. The Information Technology Division shall be responsible for maintaining the electronic recording equipment.
2. In the event the equipment requires service or repair, promptly notify the Information Technology Division Help Desk.
