

July 21, 2003

To the Honorable Common Council
Public Improvements Committee
City of Milwaukee

Dear Committee Members:

Attached is File No. 030453, being a substitute resolution approving a plat of right-of-way required for the improvement of West Canal Street between North 6th Street and Miller Park.

This resolution approves the plat of right-of-way for West Canal Street and authorizes the City of Milwaukee to acquire land for the project. The substitute resolution allows for minor modifications and alterations and for them to be reviewed and approved by the Commissioner of the Department of City Development.

On Monday, July 21, 2003, the City Plan Commission heard this item. At that time, the Department of Public Works with the consultants, MTP, presented the plans. Since this proposed zoning change is consistent with City plans for the area, the City Plan Commission at its regular meeting on July 21, 2003 recommended that the attached substitute resolution be approved.

Sincerely,

Julie A. Penman
Executive Secretary
City Plan Commission of Milwaukee
