PA-33E Narrative

This report is written by P.O. Cassandra Benitez, assigned to District 7, early-power shift. On July 17, 2016, I was assigned to Squad 7259 along with P.O. Joseph SANCHEZ. P.O. SANCHEZ and I assisted P.O. Lawrence TETZLAFF and P.O. Scott DAVIS on a subject with gun call. The caller stated the owner of the establishment owed him money from him winning on the machines in the bar. The caller was identified as William A WILBORN (M/B, 5-18-67). William stated he won \$200 on the machines on 07-16-16. William stated the owner, Milton T. POINTER (M/B, 3-28-31), pays out the tickets when he opens for the day. Milton allowed William into the establishment. Milton and William got into a verbal argument because Milton doesn't like William. Milton threw the money at William and then pulled a gun out and told him to leave the location. Williams main concern was that Milton shorted him \$57. Milton also described a completely different gun than the gun Milton had.

P.O. TETZLAFF then spoke with Milton. Milton stated he did allow William into the location to pay him money. Milton stated he put the money together, that it's out for him when he opens the establishment. Milton stated William and him got into a verbal argument because he doesn't like William's attitude and that William knows he has been banned from the location. Milton stated William began making threats to hurt him and due to his age he couldn't defend himself. Milton stated he did grab his gun from under the counter but never pointed it at William. Milton stated he did tell William to leave and not return to the location.

Milton allowed P.O. Davis to view the surveillance cameras. Only three of the cameras were working at the time of the incident. The cameras that were operating did not capture the incident. The front door camera showed Milton being allowed in. The camera on the west wall showed Milton counting his money as he left and Milton following behind William and locking the door. Milton is observed through the front door camera becoming irrate outside after he finishes counting the money.

Milton gave William the additional money and William left the location.

Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion.
