RE: 3306 S 27th St

The attached letter from the Milwaukee Police Department relates to an applicant for a new food license in your district.

City ordinance 68-4-3 states licenses must be issued to those who meet requirements unless there is an objection by the health commissioner, the department of neighborhood services, the common council member in whose district the food establishment is located, or any neighbor or other interested person. Such objections must be heard before the and License Committee. Only causes listed in 68-4-11 (reproduced at the end of this letter) serve as cause for license denial by the Committee.

Neither the Health Department nor, to our knowledge, the Police Department, are making a request to deny the license application for this individual. We are forwarding this information to you for your information.

Unless we hear from you in ten (10) business days, we will continue processing the license application under the food code. *If you wish to expedite the release of this license prior to the ten days OR file an objection related to the stipulations cited at the end of this letter, please contact me at 286-5747 or khulbe@milwaukee.gov.*
