3	(Recording Start Time: 6:01:50)
4	CHAIR KOVAC: Manwinder Bhagat, agent for
5	Neeti or Neeti Preeti, Inc. Extended hour
6	establishment, food dealer, public entertainment premise,
7	filling station, weights and measures license application.
8	Requesting five amusement machines and to be open for 24
9	hours for Hometown at 3381 North 35th Street.
10	Manwinder Bhagat? It looks like present
11	is it attorney or the applicant (inaudible) or both?
12	MR. LUCZAK: It's both. Attorney Jason
13	Luczak with Manwinder Bhagat for Neeti Preeti,
14	Incorporated.
15	CHAIR KOVAC: Mr. Bhagat, could you raise
16	your right hand to be sworn in.
17	(Whereupon Applicant was sworn under oath.)
18	CHAIR KOVAC: Your name and address,
19	please?
20	MR. BHAGAT: Manwinder Bhagat, 8929 South
21	Pond View Drive, Oak Creek, Wisconsin 53154.
22	CHAIR KOVAC: Can you acknowledge receipt
23	of notice of today's (inaudible) with the possibility your
24	application could be denied?
25	MR. LUCZAK: Yes.

1	CHAIR KOVAC: Are there any holds?
2	UNKNOWN SPEAKER: Yes, Mr. Chair, there's a
3	hold for occupancy.
4	CHAIR KOVAC: Is there a police report?
5	UNKNOWN SPEAKER: No police report.
6	CHAIR KOVAC: Tell us about your plans at
7	this location.
8	MR. BHAGAT: Currently I run another
9	business, another gas station with a convenience store,
10	Hometown 7535 West Burleigh Street in Milwaukee. And we
11	are the same (inaudible) here. Run the gas station
12	accordingly and keep it clean. And (inaudible).
13	CHAIR KOVAC: Are there any neighbors here
14	to testify?
15	MS. KUETHER-STEELE: Yes
16	UNKNOWN MALE: Yes.
17	MS. KUETHER-STEELE: Mr. Chair, there are
18	neighbors here for this item.
19	CHAIR KOVAC: Okay. This is just so
20	there's still six more items after this one, or five more,
21	so I want this clear, this is item 3381 North 35th Street.
22	UNKNOWN SPEAKER: Correct.
23	CHAIR KOVAC: Do you have a do you have
24	a roster ready, Molly, that you could call out names?
25	MS. KUETHER-STEELE: I do. The first one I

1	have is Charles Davis.
2	CHAIR KOVAC: Let me first of all ask: Is
3	everyone well, I'll just say we like to take or our
4	policy is to take testimony from opposition first. So if
5	you're not in opposition, say so when she calls your name,
6	and we'll get you on the second round. So go ahead,
7	(unintelligible).
8	MS. KUETHER-STEELE: So the first one is
9	MR. DAVIS: Charles Davis.
10	CHAIR KOVAC: Actually, I'm sorry, could
11	everyone could everyone raise their right hand now for
12	(unintelligible).
13	UNKNOWN SPEAKER: And I would just point
14	out that the (inaudible) conference there has three
15	supporters in here so I just (inaudible).
16	CHAIR KOVAC: Okay. So we'll get to that
17	conference room on round two. But also everyone in that
18	conference room here to testify, please raise your right
19	hand now and we'll swear everyone in, supporters and
20	opponents.
21	(Whereupon witnesses were sworn under
22	oath.)
23	CHAIR KOVAC: Okay. Molly, if you could
24	call off the names as you have them.
25	MS. KUETHER-STEELE: Charles Davis.

1	MR. DAVIS: Here.
2	CHAIR KOVAC: Mr. Davis, please give us
3	your name and address.
4	MS. DAVIS: Okay. My name is Charles
5	Davis. I live at 3328 North 36th Street, a half a block
6	from the business that's proposed.
7	CHAIR KOVAC: And your testimony?
8	MR. DAVIS: I I think that they have new
9	ownership. We
10	CHAIR KOVAC: Are you are you in
11	support, Mr. Davis?
12	MR. DAVIS: I'm in support
13	CHAIR KOVAC: Are you in support
14	MR. DAVIS: No, I'm in opposition.
15	CHAIR KOVAC: Okay. I just the way
16	you sorry, I read I read the room wrong.
17	(Inaudible) tell us more. Sorry.
18	MR. DAVIS: I'm in I'm in opposition.
19	CHAIR KOVAC: Tell us why.
20	MR. DAVIS: Okay. Because I think there's
21	new owners there. The other owners that was there have
22	they had sex in the business. And there's been shootings.
23	There's been cars running up and down the alleys. And I'm
24	just in opposition because even though the previous owners
25	were in an injunction I believe, I'm just against I'm
	f 1

1	against the gas station altogether.
2	CHAIR KOVAC: Thank you for that. Actually
3	now I have a clarifying question for the local alderman,
4	if you don't mind. I don't have all the addresses
5	memorized. Is this the location where we had the long
6	discussion about the videotape?
7	ALD RAINEY: Yes, it is.
8	CHAIR KOVAC: Okay. Thank you.
9	Do you want to keep any questions from
10	the applicant or attorney for Mr. Davis?
11	MR. LUCZAK: Yeah. Mr. Davis, so if I
12	understand your testimony correctly, you wouldn't support
13	any establishment or ownership operating a gas station,
14	correct?
15	MR. DAVIS: We don't we don't want any
16	gas station there, especially 24 hours.
17	MR. LUCZAK: Okay.
18	MR. DAVIS: That's just this
19	neighborhood is just it's it's not (inaudible)
20	24-hour establishment or this type of establishment who
21	disrespects (Inaudible).
22	MR. LUCZAK: Okay. But you understand that
23	this applicant was not involved with the business and the
24	issues that you previously discussed, correct?
25	MR. DAVIS: Well, I understand that part.

But we have not finished with the previous owners yet, and
now they have new owners there. So what are we supposed
to do, just just let them just throw it into us, throw
it into our community?
MR. LUCZAK: I have no other questions.
CHAIR KOVAC: Okay. Thank you, Mr. Davis.
Any committee members or Alderman Rainey, any questions
for the witness?
Okay, keep calling the how many names do
we have, Molly?
MS. KUETHER-STEELE: I have four.
CHAIR KOVAC: Okay. Keep calling them,
please.
MS. KUETHER-STEELE: John Reid.
MR. REID: Yes.
CHAIR KOVAC: Yeah, John Mr. Reid,
please give us your name and address.
MR. REID: John Reid, 3356 North 36th
Street.
CHAIR KOVAC: And your testimony, please,
Mr. Reid.
MR. REID: My testimony is that even though
they said they got new ownership, I drive by there
occasionally going to work, you know, (inaudible) leave
around 3:00. I seen the previous owner car truck there

1	and I saw him behind the cash register. So what does that
2	say of the new ownership? Why is he still there?
3	CHAIR KOVAC: When was this, Mr. Reid, how
4	recently?
5	MR. REID: It was this month.
6	CHAIR KOVAC: This month?
7	MR. REID: Yes.
8	CHAIR KOVAC: Thank you.
9	MR. REID: No, no, no
10	CHAIR KOVAC: Oh, go ahead.
11	MR. REID: I (inaudible). With the food
12	dealer, what they talking about the food dealer? What are
13	they supposed to put in there?
14	CHAIR KOVAC: Well, a food dealer
15	license I mean, they're requesting several licenses,
16	extended hours
17	MR. REID: Yeah.
18	CHAIR KOVAC: (inaudible) entertainment,
19	which lets them have the amusement machines, the gas
20	the filling station. And food, we'd have to ask the
21	applicant what kind of food they want to sell.
22	(Crosstalk.)
23	MR. REID: Well, anyway, with the public
24	entertainment permits, we got people who live here 40, 30
25	years. And to put this in our neighborhood that we
	1

will -- they will not even get to (inaudible). We got people who go to work and get up in the morning, and you're talking about amusement machines that are open 24 hours a day. There's no parking for none of that. Where are they supposed to park at? They going to be parking in the alley, blocking our garage when we trying to go to work, you know, just bringing desirables in the neighborhood. You know, we trying to keep our neighborhood clean, but it seems like they don't care.

They want to open up -- and, first of all, they didn't even have a forum talking about, you know, (inaudible), you know, let the community come down there and see what they want -- you know, what they want to do. They didn't have none of that. I got a letter talking about going to the lawyer office, but why should I go to the lawyer office? That's kind of -- you know, to me, (inaudible). I'd rather do it in a public forum where everybody is there, you know. And we just don't want it. You know, we just don't want it there. You know, whatever they do, you know, (inaudible) have it in Oak Creek? Why do they come into our neighborhood, destroy our neighborhood with all of this nonsense.

CHAIR KOVAC: Thank you, Mr. Reid. Are there questions from committee or from Alderman Rainey for this witness? Questions from the applicant or the

1	attorney?
2	MR. LUCZAK: Yeah. Alderman Kovac, can I
3	just make one thing clear on the record. I did not point
4	this out, but we did withdraw the public entertainment
5	premises application and also the amusement machine
6	application
7	CHAIR KOVAC: Okay. That's helpful to
8	know. So there's no there's no amusement machines. So
9	what's before us is food dealer, filling station, weights
10	and measures and extended hours?
11	MR. LUCZAK: That's right.
12	CHAIR KOVAC: And your intent your
13	intent with the extended hours is to be open all day and
14	all night, 24 hours?
15	MR. LUCZAK: Correct.
16	CHAIR KOVAC: That's your intent? Okay.
17	Any questions for Mr. Reid?
18	MR. LUCZAK: Yes. Mr. Reid, you are aware
19	that there's currently an injunction in place that allows
20	the the previous owner to continue to operate, do you
21	know that?
22	UNKNOWN SPEAKER: You're muted, Mr. Reid.
23	MR. LUCZAK: You're muted.
24	CHAIR KOVAC: Are you still there?
25	MR. REID: Hello?

1 CHAIR KOVAC: Yeah, hello. MR. REID: No, it's been a while, it should 2 3 have been resolved now. So why is it not resolved? 4 (Inaudible) injunction after injunction? We want it 5 closed, you know, we want it closed period. 6 MR. LUCZAK: Okay. But just -- I just want to point out that there's currently an injunction in place 8 that allows the previous --9 CHAIR KOVAC: Okav. 10 MR. REID: (Inaudible). 11 CHAIR KOVAC: Hold on, Mr. Reid. I gave 12 you a little bit of latitude there, but, you know, you 13 can -- you can use that in your closing. He's mentioned 14 that he observed the owner there this month. It sounds 15 like you're not denying that fact. You know, you're 16 asking him if he knew why it was true. Is that 17 essentially fair -- that was your question? 18 MR. LUCZAK: Yeah. And I --19 CHAIR KOVAC: (Crosstalk) He said that 20 wasn't a concern to him, he just doesn't want them there 21 anymore. And you're right, because the court did 22 intervene, but that's -- I mean, that's really more of a 23 factual legal statement you'd make and -- I mean, asking 24 people the question "did you know this fact," is kind of

stretching a question, to be fair, so

1	MR. LUCZAK: Mr. Reid, you did mention that
2	you received a letter from my law firm that invited you
3	to it was a virtual forum, correct? You could have
4	joined the meeting over Zoom, correct?
5	MR. REID: I just knew it was a meeting to
6	the lawyer office, you know.
7	MR. LUCZAK: Okay. But in the letter,
8	which I did submit to Mr. Cooney (phonetic) as Exhibit B,
9	there's a Zoom link. Do you remember seeing a Zoom link
10	that said appear virtually like you're appearing right now
11	for a public meeting?
12	MR. REID: I might have. But still, I feel
13	that we should have it in the neighborhood where everybody
14	could attend (inaudible) not everybody got Zoom like some
15	of us do.
16	MR. LUCZAK: Okay. But you didn't you
17	didn't take that offer to address these concerns prior to
18	the hearing at that meeting, correct?
19	MR. REID: Correct. But I was waiting for
20	this to come up.
21	MR. LUCZAK: All right. No other
22	questions.
23	CHAIR KOVAC: And I took his testimony to
24	mean he was concerned about the format of the meeting, but
25	he also didn't want to talk to lawyers. I mean, that's

1 his right to say he'd rather deal directly with the applicant, not the lawyer. I'm not saying --2 3 MR. LUCZAK: (Crosstalk). CHAIR KOVAC: (Crosstalk) I know I'm just 4 5 telling you -- I just wanted to repeat his testimony back 6 to you that that wasn't the only objection he raised, the way he was contacted. And that's his testimony and that 8 was his reaction to your letter. I just want to make sure 9 that that's clear. 10 Molly, there's a few more names? 11 MS. KUETHER-STEELE: Yes, Mr. Chair. The 12 next person I have is Clinton Day. 13 MR. DAY: Yes. 14 CHAIR KOVAC: Mr. Day, please give us your 15 name and address. 16 MR. DAY: My name is Clinton Day. I live 17 at 3352 North 36th Street. I have been here 48 years. 18 I'm in objection -- totally in objection to this whole 19 thing. I've seen this -- this -- the area deteriorate. 20 I'm -- I was young when I moved here and now I'm old. And 21 I don't need all this -- I don't want to hear all this 22 noise running up and down the alleys, all this noise all 23 day. And we -- we had -- I was (inaudible) I was outside 24 in the back and I saw this car come -- came down right 25 from the service station area doing 60 miles an hour down

1	(inaudible) down through the alley. And we've had all
2	this traffic. It's like a freeway in the alley here.
3	And, first of all, why do we need 24 hours?
4	Why do we need to be listed as 24 hours? There's too
5	much too much things going on now, shootings and all
6	that stuff in the neighborhood. So we don't I
7	definitely don't want that area in the area and I don't
8	want this and especially this 24 hour thing. We're not
9	on the expressway. We're in the city here, inner city.
10	Our neighborhoods are deteriorating and they're
11	contributing to it with these with this garbage they're
12	bringing in our neighborhoods.
13	CHAIR KOVAC: Thank you, Mr. Day.
14	Questions for committee or from Alderman Rainey for this
15	witness? Questions from the applicant or attorney?
16	MR. LUCZAK: No, thank you.
17	CHAIR KOVAC: Who's next, Molly? Thank
18	you, Mr. Day.
19	MS. KUETHER-STEELE: Pastor Childs.
20	CHAIR KOVAC: Pastor Childs, please give us
21	your name and address.
22	PASTOR CHILDS: My name is Pastor Martin
23	Childs, Junior. 3456 North 38th Street. Thank you,
24	Alderman Kovac and to the committee. The owners and
25	employees of this establishment have a history of lacking
	·

the capacity to control the activities of those who enter the establishment. And this was when the nature of the business was purchasing gas and convenience items at a decent time.

How can we be confident, therefore, that they have a capacity to control the activities of those who enter the establishment when the nature of the business to patrons congregating there 24 hours a day, seven days a week? I'm very glad to hear that they have rescinded the amusement machines because we had a very, very major problem with that being in the community and that taking place 24 hours a day, seven days a week.

However, even in addition to that being removed, when we consider 24 hours a day, seven days a week, you made clear that while 35th Street is commercial, beginning just across the alley to the west, the north and the south is a residential neighborhood. This is where people live. This is where people have retired. This is where children are being raised. This is where people get up early in the morning to go to work. This is where people relax in their yards to enjoy the fruit of their labor.

It's one thing, you know, for people to come in and do business; however, to expand this to 24 hours a day, seven days a week I think is an encroachment

1 upon those who live in that area, upon those who have 2 invested their lives and their livelihood into that area 3 for the benefit of someone just making money or towards 4 seeking to attempt to make more money. So therefore, we 5 are in opposition to the extended hours and we humbly 6 request that this license be denied. CHAIR KOVAC: Thank you, Pastor Childs. 8 Questions for Pastor Childs from the committee or Alderman 9 Rainey? The applicant or attorney? 10 MR. LUCZAK: Yeah. Pastor Childs, I just 11 have a question about did you receive the e-mails that we 12 sent requesting a meeting with you to kind of address 13 these concerns ahead of this hearing? 14 PASTOR CHILDS: I did not receive an 15 e-mail, no. 16 MR. LUCZAK: Okay. And so would you be 17 willing to not oppose, I mean, any -- any applicant or --18 or let me ask it a different way. Does your opposition 19 include anybody operating a gas station at this location? 20 PASTOR CHILDS: Well, the answer to that is 21 it sounds like you're playing games because you're 22 suggesting that this is a new applicant when again the 23 previous owner has been sighted being on the property; and 24 just playing a shell game just to move one name out and 25 move another name in. We want someone that's going to be

1	committed to the neighborhood, committed to the community,
2	committed to the things that contribute to the livelihood
3	of people who live in that neighborhood. And as long as
4	applicants are applying by just playing shell games with
5	names, then we're in opposition to that.
6	MR. LUCZAK: And I have no other
7	questions.
8	CHAIR KOVAC: Thank you. Any other names
9	there, Molly?
10	MS. KUETHER-STEELE: No, Mr. Chair, those
11	were the only people who contacted me.
12	CHAIR KOVAC: Is there anyone else here in
13	opposition on the line who didn't preregister? They
14	want I know we're going to get to we know we have a
15	room full of supporters on camera there. Is there anyone
16	else out there? Speak now.
17	MS. REID: Yes. Claudia Reid. And Molly,
18	I did get the information from you.
19	CHAIR KOVAC: Claudia Reid, please give us
20	your address too.
21	MS. REID: Sure. It's 3356 North 36th
22	Street, Milwaukee, Wisconsin 53216. I am in opposition of
23	the gas station being opened for 24 hours a day. As
24	previously stated, we are not near a highway or a major
25	expressway. It increases the loitering that they are

1 that they allow people -- the panhandlers that they allow 2 in front of the establishment morning, evening, all the 3 time. 4 Thank you for withdrawing your 5 entertainment licensing request. And also there's also 6 school bus and city buses in the neighborhood -- along that route where 24 hours a day does not seem that we need 8 that with children being present regularly. 9 CHAIR KOVAC: So Ms. Reid, you appreciate 10 that they withdrew the amusement machines, but you're 11 opposed to the other remaining licenses they still want? 12 MS. REID: No, we actually --13 CHAIR KOVAC: (Inaudible). 14 THE WITNESS: The gas station itself --15 CHAIR KOVAC: Okay. MS. REID: It's -- it's -- it's horrible 16 17 for this neighborhood. The ownership does not respect the 18 neighbors here. They are continuing -- it's a 19 relationship or family members that they sell to get it 20 out of one name to the other name just to get the license 21 to go through, which happens in our community regularly 22 until we stop or say enough is enough is the only reason 23 that it will stop. 24 CHAIR KOVAC: Okay. Thank you. Thank 25 you. I understand your position very well now. Thank

1	you. Do you have more? Are there questions for Ms. Reid
2	from the committee or Alderman Rainey? Questions for
3	Ms. Reid from the applicant or the attorney?
4	MR. LUCZAK: Ms. Reid, are you related to
5	any of the other objectors?
6	MS. REID: I am. I am. Mr. Reid is my
7	husband.
8	MR. LUCZAK: Okay. That's what I thought.
9	I was just checking. And you mentioned that you believed
10	that Mr. Bhagat here is somehow related to the previous
11	owners. What evidence do you have of that?
12	MS. REID: Well, the previous meeting that
13	we had they noted that the sale that was in process, that
14	they were related. And this was the last meeting that we
15	had with you guys. It was a different attorney. I don't
16	believe it was you, but they did note that they were
17	related.
18	MR. LUCZAK: Okay.
19	MS. REID: Unless it's a new purchaser
20	because the last one they said they (inaudible) the seller
21	(Inaudible).
22	MR. LUCZAK: Right. And that previous
23	purchaser, though, was not the person who is sitting next
24	to me, Mr. Bhagat, correct?
25	MS. REID: I can't remember the face. But

1 I do recall that they were related. MR. LUCZAK: Okay. But that --2 3 MS. REID: Are you not related? If they're 4 not related, that's fine. However, you still can tell 5 that the previous owner has -- is still involved in the 6 day-to-day -- day-to-day operations of the gas station. So if you're just switching ownership, but it's still 8 going to be run by the same people, that's no benefit to 9 the neighborhood, not at all. 10 MR. LUCZAK: And if that's not the 11 situation, would you be in support of this? 12 MS. REID: Not if they're going to be 13 running it the exact same way, I will not. 14 MR. LUCZAK: Okay. I have no other 15 questions. 16 CHAIR KOVAC: On behalf of Ms. Reid -- and 17 really just on behalf of myself now, and the other 18 committee members hopefully will be interested in this 19 too. I do have a question either for the attorney or the 20 applicant now. 21 How did this come about? I can infer from 22 your question, but I'd rather hear it directly rather than 23 inferring it from a question. There was a prior attempt 24 to change over or there was a relationship and now there 25 isn't? So why -- can you -- so why don't you give us that

1 whole sequence and tell us how Mr. Bhagat came -- came to 2 discover this location. 3 MR. LUCZAK: Yeah. So there was the initial incident with the video where the license was 4 5 Then there was an attempted sale to a family 6 member where they came to committee, and that was denied, that application. And Mr. Bhagat is not related and has 8 entered a purchase agreement through the LLC he created 9 for the gas station. He also operates the other gas 10 station in a similar fashion on 75th and Burleigh, 11 correct? 12 MR. BHAGAT: That is correct. 13 CHAIR KOVAC: So how did he -- how did 14 he -- how did you find out about this opportunity? 15 MR. BHAGAT: Because the previous gas 16 station that we bought, that one was bought from the same 17 owner as well, Mr. Dillon (phonetic). 18 CHAIR KOVAC: So you know Mr. Dillon 19 strictly because you bought one of his other gas station? 20 MR. BHAGAT: Yes. 21 CHAIR KOVAC: And you have no other 22 relationship with him other than you bought a property 23 from him before? 24 MR. BHAGAT: No. We belong to the same 25 community. We go to the same churches. But other than

1	that, there is no family relationship. There is						
2	CHAIR KOVAC: Okay. So there's no family						
3	relationship, but you know him?						
4	MR. BHAGAT: I know him, yes.						
5	CHAIR KOVAC: And what he he's						
6	current do you own it yet? Do you own it now?						
7	MR. BHAGAT: No, I don't own it now. Until						
8	the licenses get approved, I cannot take over the						
9	ownership.						
10	CHAIR KOVAC: Well, I know I know so						
11	you is it you have an accepted offer that's contingent						
12	upon having this license approved, or explain to me						
13	MR. BHAGAT: Correct.						
14	CHAIR KOVAC: what so that's what it						
15	is?						
16	MR. BHAGAT: Correct.						
17	CHAIR KOVAC: So currently the prior owner						
18	operating under injunction continues to own it, he just						
19	won't own it if this license is approved?						
20	MR. BHAGAT: Correct.						
21	MR. LUCZAK: And I would point out just for						
22	clarity that those that the original revocation case						
23	and the second attempted new owner, which was a relation,						
24	those are both in court right now.						
25	CHAIR KOVAC: All right. So it's uncertain						

1	the future of that saying it's under injunction doesn't
2	mean that they'll be able to open indefinitely. That will
3	be if we if we deny this, the other thing will play
4	out in court. Is that fair?
5	MR. LUCZAK: Yeah, that's yep.
6	CHAIR KOVAC: Is there anyone else here who
7	wants to speak in opposition to the license? Anyone else
8	on the line that we don't know about yet?
9	MS. REID: Excuse me, Alderman. I have
10	so the previous the other store that he owns, is that
11	open 24 hours on 76th and Burleigh?
12	MR. BHAGAT: No, ma'am. We close at
13	midnight and open at 5 a.m.
14	MS. REID: Oh, so what's the what's the
15	reasoning for that? Why does this store seeing that
16	that store is neither on a major highway and they're not
17	open 24 hours, so why would this one need to be open 24
18	hours?
19	MR. BHAGAT: That location has a gas
20	station at every block and there is one right down the
21	block from us on 76th and (inaudible) which is open 24
22	hours.
23	MS. REID: There's one down the block on
24	Sherman and Roosevelt and Sherman and Townsend. There's
25	two on Sherman and Fond du Lac. There's Burleigh, there's

gas stations. There's Sherman and Burleigh. So this —
the same area has that number. So why can't you have the
same hours that you have on 76th Street? Why can't you
apply for a license for those hours versus 24 hours a day
in our neighborhood? Respect our neighbors the way you
respect those neighbors.

MR. BHAGAT: That gas station was always until midnight and open at 5 a.m. And we never thought about applying for 24-hour establishment. But this one when I talk to Mr. Dillon, this was always a 24-hour establishment, and that's what we discussed our sale terms based upon, the sales of the establishment for 24 hours.

MS. REID: Well, did he explain to you that the neighbors did not want a 24-hour gas station?

MR. BHAGAT: I'm aware of the fact that —
the problems that the gas station had prior, and that's
why my attorney e-mailed and we had our meeting last week
as well where a lot of the neighbors came out and the
issue was addressed. I'm here, whatever the need be.

Like we said, we don't — I saw the meeting today as well
that we don't meet the need for the amusement machines as
well, so that was already taken out. But I'm here for the
neighbors. I mean, anything else that's needed.

But just to clarify, the new owner cannot take over until the license gets approved. I think a

1	couple of people who are opposing this are not aware.						
2	They are thinking that the new owner is there already, but						
3	still Mr. Dillon was behind the glass and whatnot. But						
4	it's still the old owners operating, just so you guys						
5	know.						
6	CHAIR KOVAC: Thank you, Mrs. Reid for that						
7	testimony. That was a good question.						
8	And if I can ask one follow-up, Mr. Bhagat.						
9	So obviously the five amusement machines were not part of						
10	your were not a deal breaker in your contingencies. Is						
11	the extended hours license a deal breaker whereas and						
12	I'm just speaking hypothetically here because I have no						
13	idea what the committee will do. But						
14	MR. BHAGAT: Yes.						
15	CHAIR KOVAC: if you're approved but						
16	your if the underlying license is approved, but not the						
17	extended hours, would you still complete the sale or would						
18	that would you not want it anymore?						
19	MR. BHAGAT: I will have to talk to Dillon						
20	about our sale terms because I will not be honoring the						
21	same deal what we talked about prior, so						
22	CHAIR KOVAC: Okay.						
23	MR. BHAGAT: If the numbers change,						
24	everything changes when the 24 hour doesn't go through.						
25	CHAIR KOVAC: Thank you. So obviously						

1 you're not willing to withdraw it today then? 2 MR. BHAGAT: No, I am not. 3 CHAIR KOVAC: All right. Is there anyone 4 else here to testify in opposition on 3381 North 35th 5 Street? Anyone else? 6 All right. Let's go to the room. 7 four people in the room that the attorneys indicate are 8 supporters. If you all could give us your name and 9 address and your testimony. 10 MR. BOGAN: My name is Joseph Bogan. 11 current employee here. I've been working here, like, 12 five, six months now. And, yes, it's -- it was a lot of 13 noise and trash and stuff when I first came there, but now 14 it's quiet and peaceful. I pick up trash every day. You 15 know, I'm doing the (inaudible) work. I got, you know, 16 officers from the 7th district come in all day long. You 17 know, they asking if anything going on or if we need 18 anything. 19 I made sure the panhandlers, you know, I 20 can't fight, you know, people off. You know, all I can do 21 is to tell them to leave the gas station, you know. 22 Because I've been seeing other establishments being closed 23 down for moving people around. But since I've been here 24 it's been quiet, you know. If -- we haven't had no police

contact, no reports, you know, and I think it's going

1	well.					
2	I'm an employee there, that's how I pay my					
3	bills, you know, take care of my kids, my family. And I'm					
4	all for the gas station. I am there, you know, I'm 6'4",					
5	you know, I don't try to intimidate nobody or nothing like					
6	that, but, you know, my size, people come in, they say					
7	"Hi. How you doing? Good morning." You know, I'm there					
8	for 12 hours out of the day. You know, so when I'm not					
9	there, you know, police come there 24 hours round the					
10	clock, so I don't know. I'm all for the gas station to					
11	be open. You know, if the new owner, if he open 24 hours,					
12	I'd like to be his employee too. I'd like to stay there					
13	and help with the community like I've been doing. That's					
14	all I got to say.					
15	CHAIR KOVAC: So when is your 12-hour					
16	shift?					
17	MR. BOGAN: I work from 9:00 to 9:00.					
18	CHAIR KOVAC: So 9 p.m. to 9 a.m. or vice					
19	versa?					
20	MR. BOGAN: 9 a.m. to 9 p.m.					
21	CHAIR KOVAC: Oh, so just during the day.					
22	So the 24 hours wouldn't affect you directly then?					
23	MR. BOGAN: No.					
24	CHAIR KOVAC: Okay. Are there other					
25	questions for this witness from committee or from Alderman					

1	Rainey or from the applicant or his attorney?						
2	MR. LUCZAK: I just have one question. In						
3	the last 18 months have there any been been any police						
4	calls for or any incidents necessitating police calls						
5	to the gas station?						
6	MR. BOGAN: No. I haven't heard of						
7	anything, you know, I speak with the police regularly.						
8	Every day they come in and stop by. They stop every day.						
9	And I have a good relationship with the police. I haven't						
10	had (inaudible) if I have any problems. I haven't had any						
11	problems. And there haven't been any noise like they						
12	claim. The trash is picked up every day. And I try to						
13	keep the panhandlers down. I can only do as much as I						
14	can. You know, I don't want to hurt nobody; I don't want						
15	to get hurt. I just want to come to work and do my job,						
16	that's it.						
17	MR. LUCZAK: All right. That's all I had.						
18	CHAIR KOVAC: Okay. Who's next in the						
19	room?						
20	MR. HINKLES: My name is Patrick Hinkles.						
21	I stay in the neighborhood right (inaudible) service						
22	station.						
23	CHAIR KOVAC: And your address?						
24	Mr. Hinkles, your address, please?						
25	(Crosstalk.)						

1 CHAIR KOVAC: You said you're in the 2 neighborhood, but your address, please. 3 MR. HINKLES: 3451 North 36th street. 4 you get that? 5 CHAIR KOVAC: Yeah, I got it. 6 MR. HINKLES: Okay. Okay. Like I said, I stay in the neighborhood and I go to that station guite 8 often, every day just about. You know, I go and buy the 9 things that I need and buy gas, you know, it's just I have 10 to go there. You know, I never seen any trouble there, 11 nobody getting into it. But the -- like you say, the 12 panhandlers, and I pay them no attention. You know, I 13 just do what I got to do and go back home (inaudible) and 14 I go back. And I got a good relationship with the 15 employees there. You know, if I need something, you know, 16 credit or something till the next day, they will give it 17 to me, and I will go about my business. 18 But I don't think that service station need 19 to be removed or (inaudible) because they have a good 20 rapport with the neighborhood, a lot of people in the 21 neighborhood. A lot of customer -- a lot of elderly 22 people in the neighborhood that need to get gas and stuff. 23 And why should you have to go way down six or seven blocks 24 when you got a block there. You know what I'm saying?

Thank you for

CHAIR KOVAC: Yes. Yes.

1	your testimony. I understand what you're saying. You				
2	like the convenience of the store being close to you.				
3	MR. HINKLES: Yes.				
4	CHAIR KOVAC: Any questions for this				
5	witness from Alderman Rainey or the committee or from the				
6	applicant or his attorney?				
7	MR. LUCZAK: No.				
8	CHAIR KOVAC: All right. Who's next in the				
9	room?				
10	MS. LOWE: My name is Tanya Lowe. I just				
11	wanted to say that the store				
12	CHAIR KOVAC: Your your address, please?				
13	MS. LOWE: 3451 North 36th Street. And				
14	we've been living there since my family been living in				
15	the house we've been living in the house since 1982.				
16	And we I don't have no problem there. It's very				
17	convenient for me. I get up about 5:00, walk to the				
18	station, get my soda pop in the morning, my Pepsi, my				
19	morning Pepsi. And I never had a problem. I never seen				
20	any problems other than the people asking for change when				
21	you going in and out. And sometimes when sometimes				
22	when I'm there I see some of the employees come out				
23	telling them they have to go, not to disturb customers.				
24	But other than that, it's very convenient				
25	for me to go a block and a half to get my gas and eat				

1	my sometimes I run out of cheese, bread, or whatsoever,
2	and I go there and I get it. And if I'm short a dollar,
3	some of the coworkers will go in their pocket, get the
4	dollar out and pay change for me and let me go. So it's
5	not been a problem for me, and I'm 44, so I don't know.
6	CHAIR KOVAC: Okay. Questions for this
7	for Ms. Lowe from committee or from applicant or attorney?
8	All right. Looks like there's one person left in the
9	room?
10	UNKNOWN SPEAKER: No, I don't live there.
11	I'm just a paralegal here at (inaudible) I'm here to take
12	notes.
13	CHAIR KOVAC: Are you in the same building
14	as the applicant and the attorney, but down the hall?
15	UNKNOWN SPEAKER: Yes.
16	CHAIR KOVAC: Okay. Is there anyone else
17	either for or against that wanted to testify on this?
18	Okay. Then it's in the 7th Aldermanic District, we'd like
19	to hear from Alderman Rainey.
20	ALD RAINEY: Thank you, Mr. Chair. Based
21	on neighborhood testimony, I would support a denial.
22	Thank you.
23	CHAIR KOVAC: Does the applicant or his
24	attorney have any questions for Alder Rainey?
25	MR. LUCZAK: No.

1 CHAIR KOVAC: Would you like to make a 2 closing before we go to committee? 3 MR. LUCZAK: Yes. 4 CHAIR KOVAC: Go ahead, please. 5 MR. LUCZAK: Thank you. Obviously this location, this is the third 6 time that this has now come before the committee, and this 8 is a new owner. And obviously this is kind of a 9 lightening rod situation, which I think if you read 10 between the lines in some of the comments the issues that 11 still remain for some of the individuals who testified 12 relate to the recording of that video. 13 None of that relates to Mr. Bhagat. 14 Mr. Bhagat is here and has a deal worked out to become the 15 new owner of this gas station. And it's a question of the 16 fitness of the location and the operator. I mean, I 17 believe that that's established on this record. I believe 18 that the concerns that were made all relate to the 19 previous owner, which I don't think are appropriate 20 considerations for the committee to make at this point. 21 And to give Mr. Bhagat a chance, we did follow through 22 with the neighborhood to try to address some of these 23 concerns, but obviously there's a lot of issues that 24 relate to the previous owners and a lot of distrust there,

which we can understand. But I can tell you that

1 Mr. Bhagat operates a very successful business on 2 Burleigh, a very similar business. And I think that his 3 fitness as an applicant is stellar. 4 I would ask that you grant this and allow 5 Mr. Bhagat to take over. I would also point out that he's 6 willing based on the concerns addressed by the neighborhood to have a security guard hired to work 8 10 p.m. to 6 a.m. so that any of those concerns are 9 addressed and that the police are brought into any issues 10 that occur in or around the licensed premises. 11 I think that this would also be a good way 12 to turn the page on this issue with the previous owners. 13 There is currently an injunction in place. The first case 14 was won in the circuit court. Now there's the other case 15 pending. So I would just point out that I believe that 16 this is an adequate remedy to move on from the previous 17 owners and the issues of the previous owners. So I would 18 ask that you grant the license. And that's all I have to 19 say. Thank you. 20 CHAIR KOVAC: Any questions from committee 21 for the applicant or attorney? 22 We are in committee. Actually, question 23 for Mr. Cooney. Has the (inaudible) license been formally 24 withdrawn already? 25 MR. COONEY: Yes, Mr. Chair, we did receive

1 the paperwork to withdraw it. 2 CHAIR KOVAC: So for the committee's 3 benefit what's in front of us is food dealer, filling station, weights and measures and extended hours. And 5 Alderman Rainey has asked I believe that all of those be denied along with several of the neighbors. And then --6 so we're in committee. 8 ALD BORKOWSKI: Mr. Chairman? 9 CHAIR KOVAC: Alderman Borkowski. 10 ALD BORKOWSKI: Thank you, Mr. Chairman. 11 I'm going to move denial for the purposes of the 12 aldermanic testimony and the passionate testimony of the 13 neighbors that are so close by. I thought it was very, 14 very compelling. And so that is my motion, Mr. Chairman. 15 CHAIR KOVAC: That motion for denial of all 16 licenses is before us. Are there any objections to that 17 motion? Hearing none, I think -- I believe Alderwoman 18 Coggs will probably abstain because she came in halfway 19 through. So it passes on a 3-0-1 vote. And I will pass 20 the gavel back to Alderwoman Coggs. 21 (Recording End Time: 6:41:35) 22 23 24 25
