*Metal Processing has been providing Kolene cleaning services (job shop based casting cleaning services) in Milwaukee for over 60 years.*

2008 – present                      Metal Processing LLC, Co-owner  
As an owner/operator of Metal Processing since 2008, responsibilities include improving business services and expanding business opportunities. During the recession, Metal Processing was able to diversify, and has emerged even stronger, offering new services to new customers.

Prior to 2008                      Fleet Maintenance / Landscape / Snow-removal  
As an owner/operator of a small fleet maintenance, landscaping and snow-removal business, the emphasis was on providing excellent customer service which allowed the business Mr. Kucavich started to continue to succeed.

United States Coast Guard  
The Coast Guard motto is “Semper Paratus” which means “always ready”. Mr. Kucavich joined the Coast Guard immediately after high school graduation and proudly served for many years. He was the Command Drug and Alcohol Representative and the HAZMAT Coordinator while serving on the USCGC Mackinaw and the USCGC Chippewa.

Community & Family  
Mr. Kucavich is a father of four beautiful children. He believes in using his leadership skills to serve the community. His father, Tony Kucavich, continues to be active in BID #37.
