To the Honorable Committee on Zoning, Neighborhoods and
Development

Dear Committee Members:

On July 16, 1997, the Zoning Code Technical Committee held a hearing on File Number 970241, Substitute 2, an ordinance relating to zoning regulations for transmission towers (sponsored by Ald. Michael D'Amato). After discussion on the substitute, the committee determined that the ordinance as drafted, with certain minor amendments, is not inconsistent with the zoning code.

The committee moved that the file be forwarded as **Substitute 3** to the Zoning, Neighborhoods and Development Committee for passage.

Sincerely,

Marianne C. Walsh, Chairperson
Zoning Code Technical Committee
