D/Loss: December 14, 2012

CITY OF MILWAUKEE
2013 MAR 29 PM 4:14

Dear City Clerk:

This letter with the enclosed proofs constitute our demand to the City of Milwaukee for payment in the full amount of \$7,530.17. Payment needs to be made to Great West Casualty Company as subrogee of First Express Inc and forwarded to us at 1100 W. 29th Street, PO Box 277, South Sioux City, NE 68776-0277. Please put our claim number, F97941 on the draft when payment is issued. Our insured's address is 1135 Freightliner Dr., Nashville Tennessee 37210-2213. Their phone number is (615) 244-1425. Our general contact information is noted above but my direct phone number is noted below.

On the above date, our insured driver was driving a 2011 International semi tractor unit # 212 and pulling a 2006 Wabash trailer Unit # 56014. The trailer was loaded with scrap metal. Our insured had just loaded his trailer at Capitol Stamping, 2700 West Meinecke and was driving down Meinecke Ave when his trailer was caught by a low hanging tree branches. When his trailer was caught, and because the tree was rotting, the tree then fell into the trailer resulted in the subject damages. Unfortunately, the tree branches were not hanging low enough to alert our driver to the hazard they and the rotting trunk posed to him. Other property at this location also could have been damaged. Fortunately the cargo delivered without a loss and the tractor was not damaged. Enclosed is the applicable police report which states this incident occurred on December 14, 2012 at 1605 hours (4:05 PM) on Meinecke Avenue 200 feet west of 28th Street North and refers to house # 2818.

Our insured and Great West Casualty Company did receive a claim from the City of Milwaukee for the tree removal and replacement. Said claim from the City of Milwaukee will be addressed by our liability department if it has not already been addressed. No other claims have been received herein.

Claim #: F97940-936

Page Two

Enclosed is a draft copy and its corresponding invoice establishing that the repairs to the trailer cost \$7,530.17. Included in the invoice for repairs was the \$311.00 charged for travel to North Avenue to pick up the trailer, the labor involved in cutting off a large section of the trailer siding plus the expense of transporting the trailer to the shop for repairs. Prior to authorizing repairs, we did assess the damages and did determine that this trailer was not a total and that it was repairable. The value of the trailer was approximately \$14,900.

The City of Milwaukee has a duty to protect traffic and persons on its streets from low hanging tree limbs and from the danger of rotting trees that may fall into the streets or onto street traffic. Low hanging branches need to be trimmed and rotting trees removed for the safety of all. The city police did not cite our insured for any violations and did not factor him for any contributing circumstances. Our insured was properly on this street in his tractor pulling his trailer. It was negligent for the city to fail to exercise due care to make sure tree limbs were properly trimmed up and that rotting trees were properly removed in order to prevent them from becoming a hazard to traffic on its street.

I have enclosed photos and the police report which support our position that our insured has no fault here and that the cause of this incident was the failure of the City of Milwaukee to remove its rotting tree, or at least, to trim its branches which were hanging just low enough to catch on the trailer but not the tractor.

I will look forward to receiving payment as noted above.

Sincerely,

GREAT WEST CASUALTY COMPANY
