There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per [MCS 85-2.7-4](#), probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Gentlemen and Madam:

Re: Change of Hours for Food Dealer License
for Walmart at 401 East Capitol Drive

This firm represents Walmart Stores East, LP ("Walmart") in connection with its request to amend the hours of operation listed in its plan of operation for the Food Dealer License for 401 East Capitol Drive (the "Premises"). Walmart seeks these expanded hours to serve customers working nontraditional shifts and to accommodate parents with small and/or sick children. The expanded hours are consistent with the operations of other area businesses. For instance, the gas station on the corner nearest to the Premises is open 24 hours. Several area restaurants are open until midnight or later. And, before it closed, the nearby Piggly Wiggly was open until 11 p.m.

At its January 6, 2015 meeting, the Licenses Committee held Walmart's request to amend the hours in its plan of operation in response to an inquiry from Alderdwoman Coggs regarding the police call experience during the extended hours. Store manager Kevin Bendickson obtained the enclosed report from the District 5 police department and provided it to Alderdwoman Coggs via email on January 13. However, the Licenses Committee held Walmart's request a second time at its January 27 meeting pending review of the enclosed report by all Licenses Committee members and inclusion of the report in the notice circulated for the Committee's next meeting.

Accordingly, we respectfully request that the enclosed report be included in all notices for the Licenses Committee's February 16, 2015 meeting. Please also note the following results from the report:

- During the entire year of January 1, 2014 to January 1, 2015, the report indicates that only five police calls were made to the Premises during the 6:00 a.m. to 7:00 a.m. hour, and four of those five calls were for routine business checks.
- During the year of 2014, the report indicates that 34 police calls were made to the Premises during the 10:00 p.m. to 11:00 p.m. hour, and 25 of those 34 calls were routine checks or traffic stops.
- During the year of 2014, the report indicates that only 17 police calls were made to the Premises during the 11:00 p.m. to midnight hour, and 8 of those 17 calls were routine checks or traffic stops.

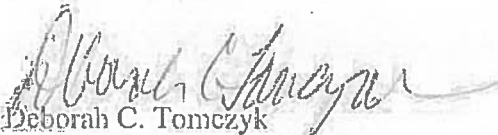

For comparison purposes, the report indicates that an average of 45.78 police calls were made to the Premises during any average open hour. In other words, the report actually shows that a lesser incidence of police calls should be expected during the expanded hours requested by Walmart.

As the expanded hours offer additional employment opportunities and better customer service, as the expanded hours are consistent with area business open hours and as the police report shows no higher incidents of police calls during the expanded hours, Walmart respectfully requests that its amended plan of operation be approved.

Good morning Alderwoman Coggs,

Hi, I wanted to share the information that we obtained from the District 5 police department with you. It breaks down all the calls in the past year to this location and the vicinity. The last page has a breakdown of how many calls for various reasons that we have had between the hours of 10pm-midnight and 6a-7am. I am not sure if this is the information that you had wanted to see, but I also wanted to ensure that I had the information to be fully informed of our need and use of the D5 police department.

In addition over the past year we have built a solid relationship with the D5 police department. We partnered with them in late spring to help with an initiative to stop the auto thefts in the area on Chrysler vehicles. We provided them with a \$1500 grant to assist neighbors of such vehicles to purchase clubs for the vehicles. In addition in December we had a great Shop with a Cop program that we did with them. We again provided them with a \$1500 grant that went to the children in the program to be able to "Shop with a Cop." It was a fun event. For Thanksgiving and Christmas we also worked with the department to donate 5 meals to families within the community for each Holiday. This did receive media attention for both the department and the wonderful community that you serve.

We look forward to continuing to building the relationship with District 5 as well this year and going forward.

Please feel free to reach out to me if there is anything at all that I can do to assist you or the community at large.

Thank you and best regards,

Kevin Bendickson Store Manager

Notice of Public Hearing

LAZENBY, Andrea, Agent
WAL-MART STORE #2452 at 401 E CAPITOL DR
Food Dealer Retail Transfer - Change of Hours to Open 6 AM to 12 AM Daily Instead of 7 AM - 10 PM

Tuesday, February 17, 2015 at 11:45 AM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 2/17/2015 at 11:45 AM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.

ADDITIONAL COMMENTS/RECOMMENDATIONS:

This supplementary report is written by P.O. Laurel Lammers, assigned as the Community Liaison Officer for District Five. On Monday, December 15th, 2014 at 1pm, I met with Mrs. Daria Morse regarding her license application for The Fox, which is located at 421 W. Keefe Ave. This survey was conducted at that location.

Upon arrival, I found that the building is zoned for mixed use, residential and commercial. The residential comprises the upper portion of the building. The commercial tavern that is currently at the location comprises the lower level of the building. There appears to be two entrance doors to the location, all on the north side of the building facing out towards Keefe Avenue. The east most door is the entrance to the tavern. I observed one light fixture on both the east and west corners of the north face of the building. There is also a large awning across the front of the business which is blue and displays the name of the tavern. I did observe two exterior cameras. One on the east corner of the building, and another, underneath the awning facing the tavern doorway. I observed one large window for the business on the north side of the building. I observed blinds on the inside of the window which obstructed the view into the business. The building itself occupies a single lot, just east of a vacant lot on the corner of N. 5th Street and W. Keefe Ave. To the east of the building is another small vacant open lot. The remaining area that surrounds the tavern is residential. There is a park that is on 5th St. just south of the tavern. There is no parking lot for the tavern; patrons have access to on street parking only. There is no designated private smoking area outside.

The inside of the location appeared to be a full bar that would be ready to open. The previous license for the location is expired. There is no business phone for the location; it does have two interior cameras. Both cameras appeared to be in working order, but Mrs. Morse has not yet been trained on how to use the camera system.

In speaking to Mrs. Morse, she plans to open the business at the beginning of January if her license is granted. She plans on being open seven days a week; Sunday through Thursday, 2pm - close; and Friday and Saturday, 12 pm - close. Current approved occupancy is 70. Mrs. Morse stated that she plans to have a minimum of two employees at the location while it is open. Mrs. Morse does not have any previous bartending experience or bar manager experience, but she did state that she has been a business manager for the past 17 years.

I did speak with Mrs. Morse about historical problems in the area regarding taverns. I did explain the Surveillance Camera Program that is being sponsored by the Milwaukee Police Department and Safe & Sound. I also suggested that Mrs. Morse familiarize herself with the current camera system. I also explained the standing complaint form program to Mrs. Morse; she did not however choose to participate at this time.

ADDITIONAL COMMENTS/RECOMMENDATIONS:

This supplementary report is written by P.O. Laurel Lammers, assigned to District Five, early shift; as the Community Liaison Officer. On Wednesday, January 21st, 2015 at 12:00 pm, I met with Mark Murray regarding his application for a new liquor license for 2474 W. Hopkins St. which will be opened under the name of Murray's bar.

The proposed business is located on the north side of W. Hopkins St. at the northeast corner of N. 24th Pl. The building is zoned for mixed use, residential and commercial. The tavern occupies the lower portion of the building with the residential in the upper. The main entrance to the tavern is on the south side of the building facing out towards W. Hopkins St. There are two large windows to either side of the door, and the address is displayed above the entrance door, as well as a two bulb flood light. The windows do not allow for visibility in or out of the business at this time as they both are closed off with blinds. There are no exterior cameras at this time, and no other exterior lights. The building does have a vacant lot to the east of it. The majority of what surrounds the proposed tavern is residential.

The interior is currently being renovated, but appeared that it could be a fully functional bar at this time. There are no interior cameras at this time.

Murray stated that he owns his own business, Murray's Trans & Auto, and has had that business for a long time. He stated that he also bartends at CHILL Factor which is located on 29th & North Ave. Murray stated that he has wanted his own bar for some time, and thought this may be a good opportunity. He has a tentative agreement with Mr. Hamilton to purchase the entire building under a land contract. Mr. Murray stated that he has already purchased a camera system and plans to install four cameras inside, and four on the outside of the business. They will be recorded digitally, and in color, and the footage will be stored for a 2-3 week time frame. I did speak with Mr. Murray about proper camera placement and also provided him with information regarding the City of Milwaukee Surveillance Camera program. I spoke to Mr. Murray about what to expect from the area as a neighborhood. He informed me that he does plan to hire a security person, that will be armed, to be at the business while it is open. I spoke to Murray about proper cash handling, and how and when to contact the Milwaukee Police Department. I did also explain the District Five standing complaint form program; he did choose to participate in the program.

ADDITIONAL COMMENTS/RECOMMENDATIONS:

This supplementary report is written by P.O. Laurel Lammers, assigned as the Community Liaison Officer for District Five. On Monday, December 29th, 2014 at 12pm, I met with Mr. Isaiah Walls regarding his license application for Competition Sports bar, which is located at 3621 N. Teutonia Ave. This survey was conducted at that location.

Upon arrival, I found that the building is zoned for mixed use, residential and commercial. The residential comprises the upper, rear portion of the building. The commercial tavern that is currently at the location comprises the lower level of the building. The main entrance door to the tavern is on the east side of the building facing out towards Teutonia Ave. but opens inward into the business. Above the main entrance is a lighted sign that has the previous tavern name on it, and it can also be illuminated to indicate whether or not the location is open. I observed one light over the main entrance. I did not observe any exterior cameras. I observed two windows, also on the east side of the building, but at the time of my inspection, they were covered, and I could not see in to the business, nor could someone see out if they were inside. The building itself is the third building north of W. Finn Pl. on the west side of the street on N. Teutonia Ave. The building is surrounded by other businesses and residential properties. There is no parking lot for the tavern; patrons have access to on street parking only. There is no designated private smoking area outside.

The inside of the location appeared to be a full bar. I did observe some damage to the ceiling above the bar area that would need to be repaired. There also was no heat at the location at the time of inspection. Previous to this application, the location had been a tavern under the name of Plann B, but they have been closed for a time. There is currently no business phone for the location; I did however provide Mr. Walls with a District Five contact guide. He did state that there are some cameras at the location but are unsure of whether or not they work. Mr. Walls stated that he plans to remodel the inside of the location to a sports bar theme and that he plans on installing new interior and exterior cameras. I did go over with him, where inside, would be best to have the cameras placed. I also provided him with information regarding the Surveillance Camera Program that is being sponsored by the Milwaukee Police Department and Safe & Sound.

In speaking to Mr. Walls, he plans to open the business sometime between mid January and February, once his license is granted. He plans on being open seven days a week, from 9 am until closing. Current approved occupancy is 75. Mr. Walls did ask how he could increase the occupancy. I directed him to inquire with the Department of Neighborhood Services. Mr. Walls stated that he does plan on employing security personnel to help work the entrance door as well as monitor the interior and exterior of the location. He does plan to use an id scanner, and implement a 25 and older age restriction policy.

Mr. Walls did wish to participate in the District Five standing complaint form program, and signed a current form. I did provide him with two commercial "No Loitering" signs.

Ref: Objection to a new license application at 3621 N Teutonia ave. Milw,Wi 53206

Our objection is based on the general condition of the property and the negative impact on our neighborhood. This property has been cited many times for trash, tall weeds, snow removal etc. I also understand that unknown people will drive by and drop their garbage on this and other properties, however it is still our responsibility as land owners and neighbors to keep our property neat and clean. I have no knowledge of the people applying for the tavern license, but the property has been a decade long disaster.

Sincerely,

Interested Neighbor

Regarding: Your Class B Tavern and Public Entertainment Premises License Applications Requesting Disc Jockey, Jukebox, Karaoke, 1 Pool Table, and 5 Amusement Machines With 25+ Age Restriction for "Milestone Sports Bar" at 2978 N Mother Simpson WA.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

ADDITIONAL COMMENTS/RECOMMENDATIONS:

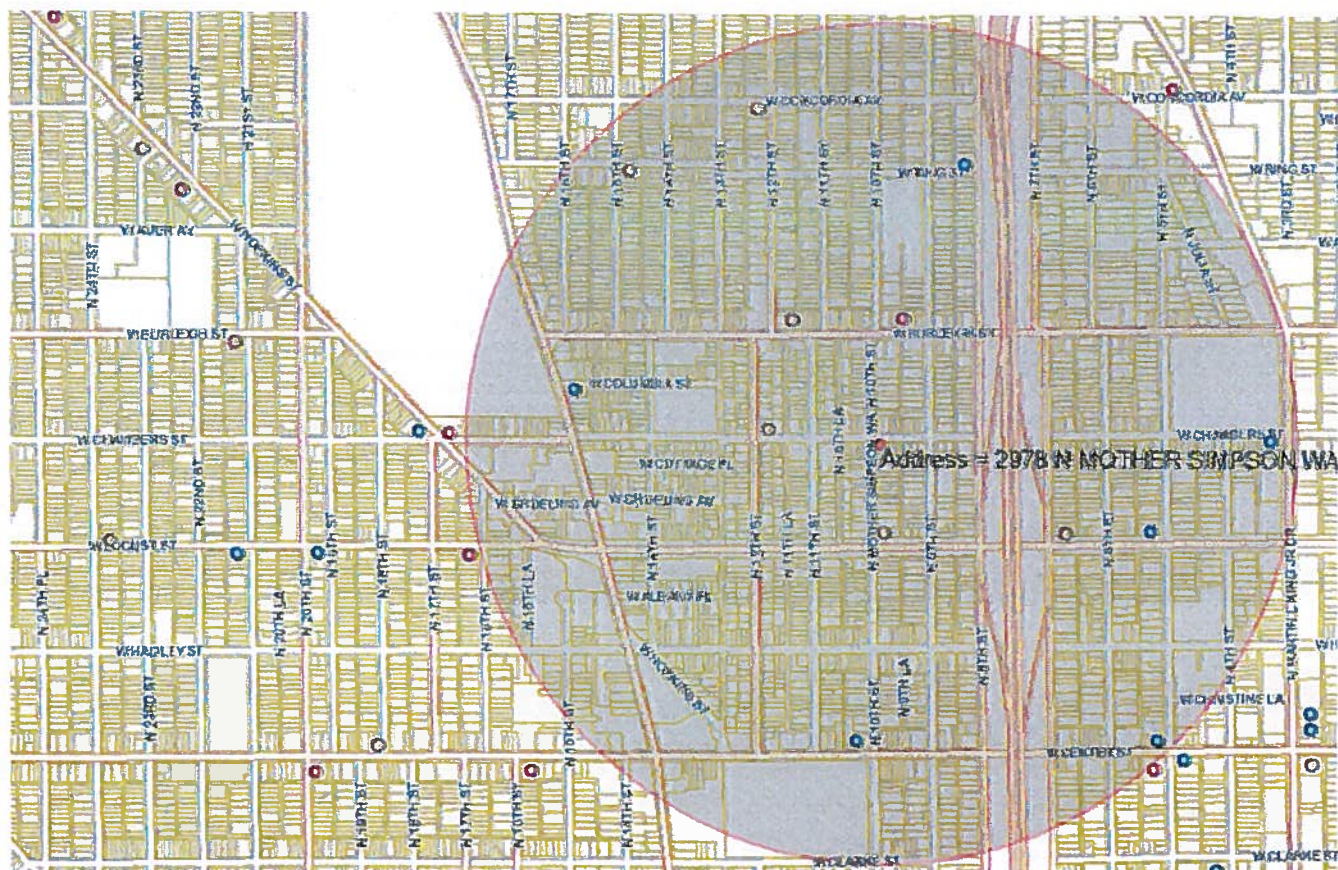

This supplementary report is written by P.O. Laurel Lammers, assigned to District Five, early shift; as the Community Liaison Officer. On Wednesday, January 21st, 2015 at 12:00 pm, I met with Laron Williams regarding her application for a new liquor license for 2979 N Mother Simpson Way., which will be opened under the name of Milestone Sports bar.

The proposed business is located on the east side of the street, the south corner, at the intersection of W. Chambers St. and N. Mother Simpson Way. The building is zoned as a tavern. The main entrance is located on the northwest corner of the building and faces out towards both W. Chambers St. and N. Mother Simpson Way. I observed newly installed windows both on the north side of the building, as well as on the west side. They are currently boarded to protect the business, but are completely free of any obstructions and allow for visibility into and out from the business. The exterior appears to be lighted by street lighting and may benefit from additional exterior lighting in the future. There is one exterior camera on the west side of the building, but it is not functional. The surrounding area of the business is mostly residential.

The interior of the location is currently being renovated. I observed a new bar surface, as well as new flooring. There are no interior cameras at this time.

Williams stated that she plans to open in February, as soon as her basic remodel projects are done, the building is up to code, and she is approved by the council. I did discuss with Williams interior camera placement, as well as exterior. I did also provide Williams with information regarding the City of Milwaukee Surveillance Camera program. I spoke to Williams about networking with other successful tavern owners in the area, proper cash handling, and how and when to contact the Milwaukee Police Department. I did also explain the District Five standing complaint form program; however she chose not to participate at this time.
