To whom it may concern,

I'm writing to express my favor of renewing the liquor license for the Miramar Theater.

The Miramar hosts a healthy environment for entertainment and expression for a diverse community of humans. This is a special place where all walks of life come together and share meaningful moments, make deep connections, and find healing in togetherness and sound.

The Miramar is good for the community. Please allow them the continued privilege of a liquor license.

Sincerely,  
Sarah Gruber

Good morning-

My name is Monica Lewicki and I am **in favor** of The Miramar Theater renewing their liquor license. The Miramar Theater provides a safe and welcoming space for EVERYONE. No one is judged or looked down upon once they enter those doors. There is a sense of family and community at every show I have ever been at at The Miramar. The Miramar provides a one of a kind music experience that is unlike any other venue in the country. It draws in international acts and provides an intimate experience you can't find anywhere else. The Miramar Theater is a staple in the Milwaukee Music scene.

Thank you for keeping the music scene alive in Milwaukee.

Monica Lewicki

Hello, my name is Charlotte. I wanted to share with you why I believe the Miramar deserves to keep their license.

I have been going to the “Mar” as we all love to call it for over 5 years now. I have recently began DJing there and have performed there 3 times. I recently opened up for a legend who goes by name of Green Velvet.

The Mar is unique because it is the only venue in Wisconsin that gives artists a chance and a platform that other venues simply do not give new and young DJ's like myself. When Aaron puts one of us on a lineup in support of one of these huge artists it is really life changing because we now have the credentials to go on and perform in other venues and even other cities. We begin to get opportunities that we have only dreamed of.

Non performing attendees love the Mar because they feel safe. It is a place that is carefully guarded and secure. It runs like a well oiled machine. Every event is like a family reunion.

Without the liquor license renewal, the Miramar will close for good and so many people and artists will be absolutely devastated including myself. The Miramar is absolutely a historical landmark, and we would love for it to stay open for another hundred years.

Please don't take the Miramar Theater away from us.

Sincerely,  
Charlotte Gagnon

My name is John Peret and I am in favor of renewing the liquor license for the Miramar theater. I have been going to the establishment for over a decade and have had nothing but good experiences there. It is a safe space for you to enjoy music and letting your existing and new friendships flourish. I will continue to attend events at this venue and think of it as a cornerstone for the Milwaukee music scene.

Thank you,

John Peret
