Good Afternoon Patricia,

Parking did go out to visit this vehicle again today and confirmed that he is more that 50ft away from any of the strip mall restaurants. The Food Truck is parked in violation of posted signage that reads, "No Stopping 8am-5pm" therefore, the responding Officer advised the operator of the violation and they agreed to remove the vehicle. We did issue a warning citation which we kept and did not provide to the operator of the truck. While on scene we observed missing signage that would make it difficult to prove the violation in court therefore, we reached out to the Sign Shop and have requested the missing sign be replaced. There is no posted Time Zone signage on this block, just the "No Stopping." MPD was contacted and advised of this situation. Please do let us know if you need anything else.

Subject: Food Truck on National

Good Morning ☺

Alderwoman Zamarripa asked me to confirm the enforcement details regarding the food truck parked on the north side of National Ave. just west of S. 27<sup>th</sup> St. next to the strip mall. It was her understanding that a Parking Enforcement Officer would go out and verify whether or not it is within 50ft of the brick and mortar restaurant at the strip mall and if it is, MPD would be notified with the documentation and they would go out and let the operator know he can no longer park there. Is that correct?

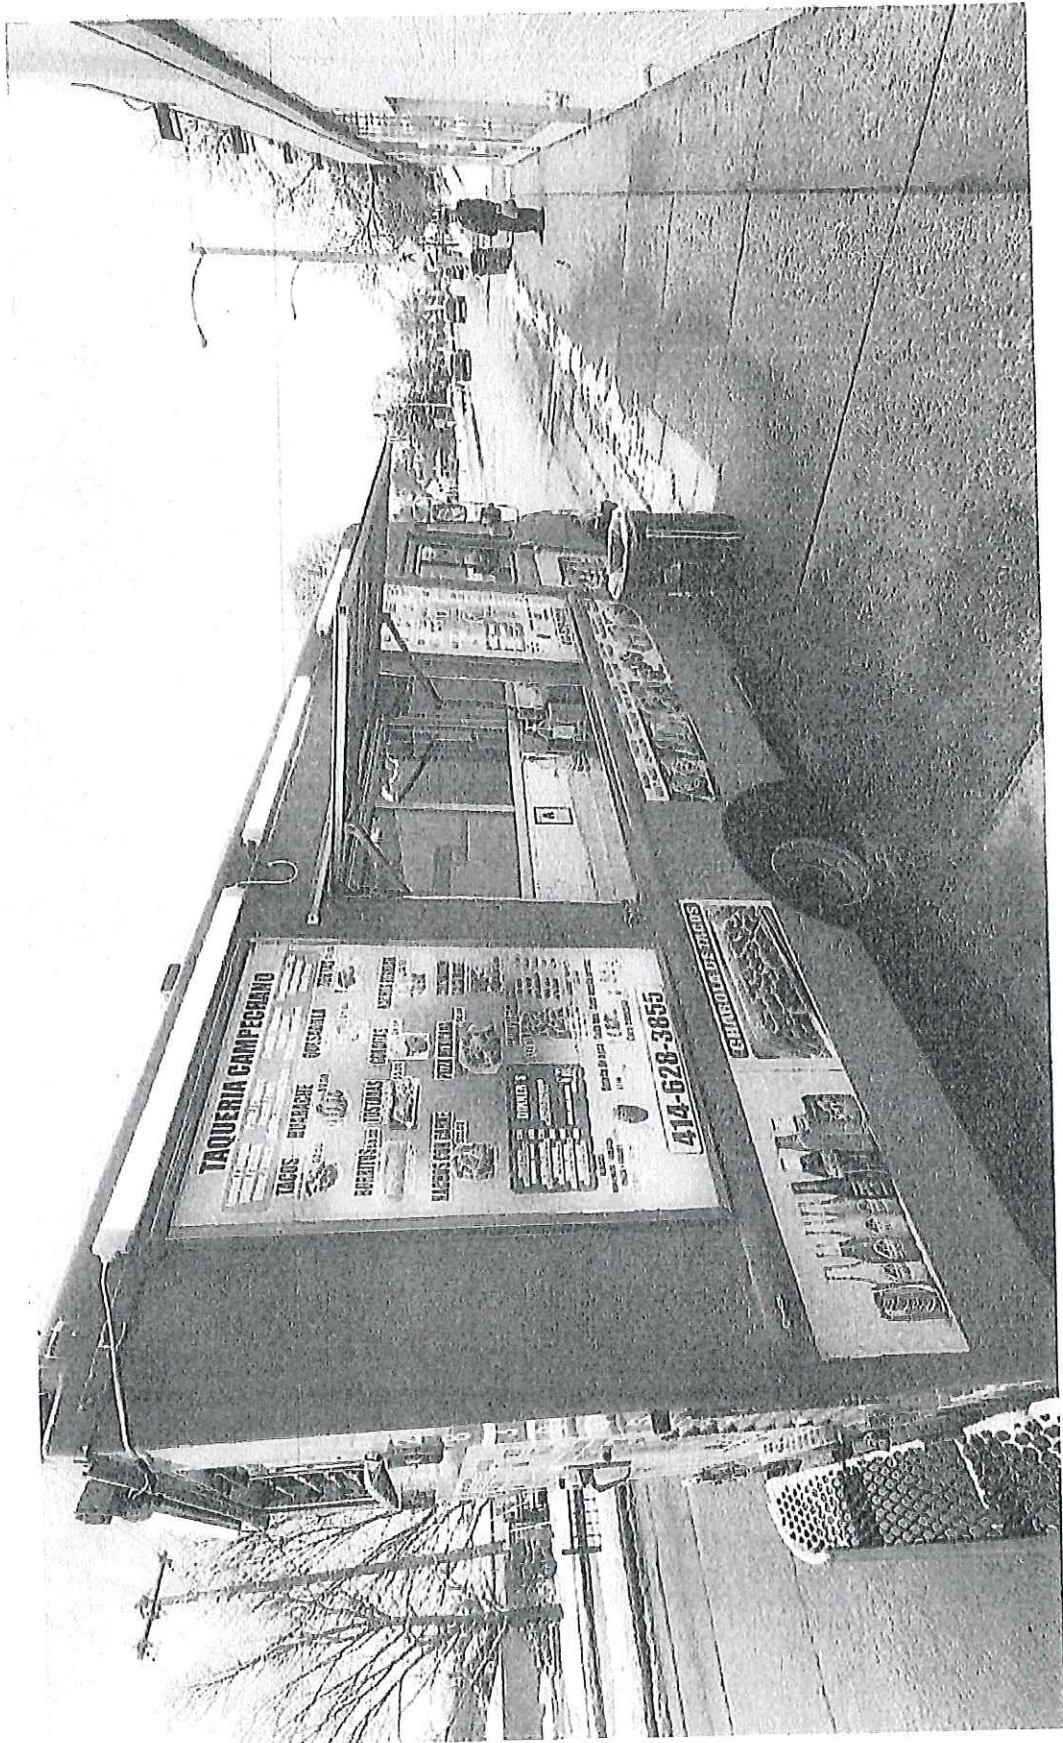

The Alderwoman is also asking if Parking Enforcement can let us know if it is not within 50 ft so that we can then utilize the 2 hour rule, and if enforcement would work the same way. (i.e., a Parking Enforcement Officer would verify that the vehicle has been there over 2 hours and would refer it over to MPD to go out and cite them).

Lastly, can someone verify if there are posted parking limit signs on that side of National? Thanks!
