Dear Sherlise A Jewell:

This letter is notice to you that the Milwaukee Chief of Police, by the chief's designee, the district commander, has determined that the premises located at 4200 W Burleigh St ("the premises") is a nuisance pursuant to Milwaukee Code of Ordinances ("MCO") 80-10, Chronic Nuisance Premises. As an individual or entity that is licensed or subject to a license in the operation of a business upon the premises, you are a responsible party for abating the nuisance activities occurring at the premises.

The Milwaukee Police Department has responded to the following described nuisance activities at the premises on the corresponding dates, which qualify the premises as a nuisance:

1. On January 3, 2021 at 12:11A.M. a shotspotter call was placed to the Milwaukee Police Department regarding a shots fired at the premises. This call for service was given computer aided dispatch # 21-003-0017. Officers were dispatched to the location to check on the complaint and were able to obtain evidence of a reckless use of weapon. This is a violation of MCO 80-10-2-C-1-L.
2. On April 25, 2021 at 12:50 A.M. a call was placed to the Milwaukee Police Department regarding a shooting at the premises. This call for service was given computer aided dispatch # 21-115-0090. Officers were dispatched to the location to check on the complaint and were able to obtain evidence that a shooting had occurred on the premises. This is a violation of MCO 80-10-2-C-1-L.

As a consequence, you may be subject to a collections action for the cost of future enforcement for any of the nuisance activities listed in MCO 80-10-2-c that occur at the premises.

You are directed to respond to my office within 10 days of receipt of this notice with an acceptable, written course of action that you will undertake to abate the nuisance activities occurring at the premises, or file an appeal. You may appeal this nuisance determination to the

If you timely provide a written course of action, I shall evaluate it to determine if it is a reasonable attempt at abating the nuisance activity. You will receive a written response whether your proposed course of action is accepted or rejected. If accepted, you will have 45 days from the date of that notice of acceptance to implement the course of action.

If you propose a course of action that is rejected by me or you fail to timely respond to this request and a subsequent nuisance activity occurs on or after 13 days after receipt of this notice, or if you timely appeal this notice of nuisance premises and this nuisance premises determination is affirmed, the premises will be subject to a collections action for the cost of any police services and enforcement.

It is highly recommended that you obtain records relating to police responses regarding the premises. You may obtain these records from the Computer Aided Dispatch System (CADS) at the Open Records Section of the Milwaukee Police Department (District Three Station, 2333 North 49th Street, Second Floor) between 8:00 AM and 3:45 PM. There is a cost of 25 cents per page for these records.

Please review the following examples of nuisance abatement measures that you may include in your written course of action to abate the nuisance activity. These suggestions are not exclusive, may not apply to the particular premises, and you may propose other nuisance abatement measures that would be appropriate under your particular circumstances.

This may include observation of clear corner cuts of baggies strewn about, excessive quantities of plastic sandwich baggies found in odd places, presence of numerous weight scales or communication devices and drug paraphernalia such as unusual pipes, empty cigar wrappers, burned hollow tubes, etc.
- Install "No Loitering" signs in the front and rear of the exterior of the premises. This signage permits police to cite loitering individuals in the yard and sidewalk area.

- Participate in the E-Notify system for email updates regarding the premises.
- Regularly file open records requests for Milwaukee Police Department Computer Aided Dispatch System (CADS) reports regarding the property.
- Institute a standing complaint with the local Milwaukee Police district station that will allow the police department to remove any individuals loitering on the property.

-

Once you have been billed for the costs of police services and enforcement for three or more separate nuisance activities within one year of the date of this notice of nuisance premises, the premises may be designated a chronic nuisance, pursuant to MCO 80-10-6, and each and every subsequent incident of nuisance activity at the premises may be deemed a separate violation and result in a citation being issued to you for failure to abate the nuisance activity. Each citation would subject you to a forfeiture of not less than \$1,000.00 or more than \$5,000.00. Upon default of payment of a chronic nuisance citation you would be subject to imprisonment in the county jail or house of correction for a period of not less than 40 days or more than 90 days for each violation.

This report is written by Police Officer Corstan D. COURT, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. On 06/28/09 at 2:15 am, Milwaukee police were in the area of 41st and Burleigh when they observed several females in front of Glory Daze Night Club arguing. Shortly after, officers heard one shot fired and saw the women run from the area as a dark colored auto left from that location. Investigation revealed that a group of women argued with another group inside the tavern. Once outside, both groups of women began to argue again and a fight broke out. One woman was observed reaching into her purse and pulling out a gun and firing one shot into the air. Officers checked with the tavern's video surveillance but found the video system malfunction and did not capture the incident.
2. On 03/20/10 at 2:35 am, multiple squads were in the area of 42nd and Burleigh for a shots fired complaint when one squad was flagged down for a Battery. The complainant stated he was at the Glory Daze bar when another patron was "mean mugging" him. The victim stated he left the bar and the same patron followed him along with 3-4 other subjects and began to punch and kick him. The victim stated his friend then fired about four shots at the subjects who attacked him. Further investigation revealed the victim bumped into another patron while inside the tavern and never apologized and words were exchanged. The argument continued outside the tavern with a physical altercation taking place and one subject firing a gun that did strike a subject in the arm. The shooting victim was taken to the hospital where he was treated for his wound. An officer also found the battery complainant was underage (18 years old) and cited him for Possession/Consumption of Alcohol. The licensee, Sherlise Jewell, received a citation for Presence of Minor at Licensed Premises.

Officers spoke with the security guard Rondell Black who stated he was working the crowd when he heard a shot fired and observed a male with shoulder length dread locks and a tattoo on his face, run from the bar. Black stated he was 5 feet from the suspect when the shot was fired. Black further stated he followed the male outside and observed him running west on Burleigh. Police later received a call from the described suspect stating he was shot as he walked on Burleigh. Police viewed security tape and observed the crowd duck for cover and many people ran out of the bar from the west side door. The tape was black and white and the bar was very crowded and the music was very loud. No casing or bullet was found on the floor. Ricky Jewel was questioning police as to why they closed the bar and where the proof was that the incident occurred inside the tavern. Jewel was not informed that Black witnessed the shot being fired for fear that Jewel would tell Black not to talk to police. A report was filed.
6. On 09/25/10 at 2:26 am, Milwaukee police were dispatched to 4202 W Burleigh for a Shooting complaint. Investigation found that no one was shot, however that an accident occurred in the parking lot of the tavern. Police spoke to a woman whose car was involved and she stated her boyfriend was coming out from the bar when she observed another male following him armed with a gun. The suspect grabbed her boyfriend and was waving the gun around when she put her car in reverse and went southbound when she struck another car and pushed it into another. When asked where the boyfriend was, the woman stated she didn't know. Police obtained several witness statements regarding this incident, some of which stated they heard shots fired, but didn't see who was shooting. An officer observed 5 gunshots to a roof of an auto. This incident was caught on video surveillance and does reflect the statement given by the woman who police first spoke with. It also shows the suspect firing a gun at a car and then taking off.

7. On 10/20/10 at 1:08 am, Milwaukee police were dispatched to 42nd and Burleigh for a Shots Fired complaint. Police spoke to a victim who stated he had been robbed in the parking lot of Glory Daaze and that the subjects who robbed him had been in the tavern earlier that night. Jewell advised police there were no incidents that night in the bar. Officers requested to see the video surveillance from the bar and Booker was resistant and did not wish to show police the video. Booker finally allowed police to view the video, which showed the entire incident and a picture of the suspect. Shortly after viewing the video, Booker complained that an officer damaged the system and did not want to allow the footage to be downloaded by police, but later relented and did. During this time, the woman observed a male that she recognized as a "regular" from the bar and that this subject had asked her for a cigarette the night before, but that she had ignored him. The male subject then began calling her names and at one point, the woman felt threaten because her friend had made a comment about that this is how "bitches get popped for opening up they mouths". 19. On 11/11/12 at 2:14 am, Milwaukee police were in the area of 41st/Concordia when officers heard six gunshots fired in the area of 41st/Burleigh. Officers checked the area and attempted to conduct a field interview on a subject they found walking in an alley when the subject fled on foot. Police chased this subject on foot and an officer observed the subject discard a silver object from his person while fleeing. The subject was apprehended shortly after and the item that was recovered was a chrome/silver handgun. Officers that were on location of where the shots were fired located six spent casings in the alley behind 4130 W Burleigh. Investigation revealed the subject that fled from police was inside the Glory Daze bar when he saw

someone who he had had an altercation with in the past. When the subject left the bar, this person also left and starting talking "junk" to him. The subject further stated he had heard this person was making threats to shoot him or have someone jump him. Once he got to the alley,

he pulled out his handgun and fired into the air six times and that the other guy fled in an auto. The subject stated he only fired to scare the guy away and that he didn't want to shoot him.

21. On 12/04/12, Milwaukee police conducted an undercover capacity check at Glory Daze at 4200 W Burleigh. Officers observed at the door a sign posted that stated the age limit was 25 + years of age in order to enter. UC officers entered and were met by a security guard who asked for ID. 23. On 04/27/13 at 2:12 am, Milwaukee police were dispatched to Sherman and Burleigh for an Armed Robbery complaint. Investigation revealed a patron, who had left Glory Daze at closing, was robbed of his auto when he was "ghost riding" in the area, attempting to talk to some females. "Ghost riding" is when the driver exits his auto while it is still running and he walks along side the car as it stays in motion with no operator. While he was "ghost riding", a male entered his car and fled the scene. It was also determined that the actor who took the auto was a patron as well at Glory Daze.

=====

24. On 06/20/13 at 1:45 am, Milwaukee police were dispatched to 3114 N Sherman Blvd for a Fight in Progress complaint. Upon police arrival, officers heard shots being fired one block east of their location on W. Burleigh Street. Police responded to the area and the investigation revealed an incident occurred at the Glory Daze bar between bar employees and an individual in the bar's parking lot. Police viewed surveillance video, which showed an auto entering the parking lot around 1:23 am by driving over cones and almost striking two citizens. The auto

continued to the north side of the parking lot and it appeared that a male was pointing a handgun at the auto. Further investigation revealed the male pointing the gun is an employee of Glory Daze and was identified as Justin North. Video then shows the car backing out of the parking lot and almost striking two parked autos, however there was no indication of shots

being fired due to no muzzle flashes being seen. Video continues to show the car returning to the parking lot around 1:46 am with North and another employee of the bar having a conversation. The driver of the auto then pulls out a gun and begins to walk west on Burleigh. (It was later determined the conversation was over money being owed to the individual by one of the bars employees) Video then depicts another employee, identified as Tyrone Sanford, taking cover behind a pick-up truck parked on the s/w corner of the parking lot. It appears that Sanford is extending his arms around the truck towards the individual. Sanford's statement to police was that he and another employee, Justin North, were on the parking lot handing out flyers for an upcoming event, but that he (Sanford) was not working that night. Sanford stated that the subject, who had exited the auto, pulled out a gun after a brief argument about money owed to him. Sanford stated he did not draw his weapon and that he attempted to talk the male down. Sanford stated he walked away westbound on Burleigh when he then took cover behind a green pick up truck after hearing shots fired. It was also determined that another employee, Martell Booker, was armed as well.

Officers spoke with Sherlise and Rickey Jewell on 06/28/13 and they informed police that they do not allow firearms in their tavern and that they have not given any of the employees permission to carry a weapon in the tavern while working. Both Sherlise and Rickey Jewell stated they were unaware that their employees, Booker and Sanford were armed. Both Booker and Sanford had their guns confiscated by police, which was placed on police inventory.

As police were initially investigating the shots fired, officers confronted the suspect believed to be firing the shots and who was not complying with police orders and officers used deadly force. This subject was found to be the individual who had driven his auto in the Glory Daze parking lot and had an argument with one of the employees.

25. On 08/07/2013 at 4:01pm Officers were flagged down at 4228 W. Burleigh St by a 14year old female who stated that she was sexually assaulted above Glory Daaze II Bar and Grill at 4200 W. Burleigh St. The victim stated that on 08/06/13 "Bear", who was later identified as Harold JEWELL (b/m, 05/18/1965), told her he was the owner of Glory Daaze II and he could get her into the bar. She accompanied Harold JEWELL in the bar that night and sat at the bar, purchasing 2 alcoholic drinks (Bacardi and cranberry) for \$20.00. She stated that she left the bar at about 2:00am on 08/07/13 with Harold JEWELL and went upstairs to 4202 W. Burleigh St. At this residence she had sexual intercourse with Harold JEWELL. On 08/07/14 Officers spoke with Ricky JEWELL (Authorized Representative) who identified himself as the owner of the bar.
