Honorable Cavalier Johnson
Alderman, 2nd Aldermanic District
Room 205, City Hall

SUBJECT: 2ND ALD. DIST. - FILE #210927
INSTALL STOP SIGNS ON NORTH 56TH STREET
AT WEST SHERIDAN AVENUE

Dear Alderman Johnson:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the southeast and southwest corners of the intersection in the form of a bush and a house that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety and Health Committee meeting, so that you may support it to final passage.

Sincerely,

Jerrel Kruschke, P.E.
City Engineer

We will prepare the necessary legislation for the next Public Safety and Health Committee meeting, so that you may support it to final passage.
