Subject: Data Center Proposal

Some people who received this message don't often get email from celia@midwestrenew.org. [Learn why this is important](#)

Good Morning,

Are you able to share if a vote will be taking place at the Monday, May 18th meeting in which the proposed data center is being discussed? Wondering if a decision will be made or if this meeting is solely for discussion and community information.

Thank you!
Celia
