Hi Dana –

The four sergeants shall be assigned as follows: one to HR, one to OCOE, one to CIB Violent Crimes, and finally one to District 7. The moves for the ID supervisor positions will only allow for the immediate promotion of three sergeants as there is one ID supervisor who is still in one of the positions.

Nick,

Regarding the reduction in Police Identification Supervisors (-4) and addition of Police Sergeants (+4), would the Sergeant positions stay in Forensics, or be placed elsewhere?

Thanks,
Dana
