Common Council  
City of Milwaukee

Subject: Introduction of Resolution to Reinstate the 2002 Appropriation for the  
City Hall Complex Remodeling Program

Dear Honorable Members:

We are submitting the attached resolution for introduction at the March 4, 2003 Common Council meeting. This resolution will release the hold placed on the part of the 2002 appropriation for the City Hall Complex Remodeling Program.

This was one of several programs and project appropriations originally held by Common Council Resolution 011615 adopted on April 23, 2002. These capital appropriations were deferred due to the uncertainty of 2002 state shared revenue payments created by former Governor McCallum's proposal to cut shared revenue. The state subsequently adopted budget legislation that retained 2002 shared revenue payments. Common Council approval is required to reactivate this project. Please call John Ledvina (x3384) if you have any questions.

Respectfully submitted,

Sandra J. Rotar  
Budget and Management Team Leader
