Mr. James Owczarski  
Common Council  
City Hall Room 205

Subject: Introduction of Resolution Relating to an Intergovernmental Agreement between the City of Milwaukee and the City of New Berlin

Dear Mr. Owczarski:

Please introduce the attached title only resolution at the April 15 Common Council meeting.

Pursuant to Resolution 071076, City of Milwaukee officials have engaged in discussions with the City of New Berlin regarding the possibility of amending an existing water service agreement to expand the area in that community that would purchase water from the Milwaukee Water Works. The Milwaukee Water Works will submit separate legislation relating to such a proposed amended agreement.

As a separate matter, the Administration wishes to introduce for Common Council consideration a resolution that provides for an intergovernmental agreement between the City of Milwaukee and the City of New Berlin. This intergovernmental agreement will provide for certain considerations that enable the city and its residents to enjoy benefits as a result of an amended water services agreement, separate and additional to those benefits that accrue as a result of an expanded customer base for the Water Works.

I will keep you informed as to the progress of this resolution and the pertinent intergovernmental agreement.

Sincerely,

Mark P. Nicolini  
Budget and Management Director
