Resolution approving Amendment No. 2 to the Project Plan for Tax Incremental District No. 94 1st and Becher and authorizing additional expenditures, and approving a development agreement, in the 4th Aldermanic District. The resolution will allow the City to enter into a development agreement with Milwaukee Board of School Directors dba Milwaukee Public Schools to facilitate the construction of a Riverwalk adjacent to the newly rehabilitated Lincoln Playfields, at 300 W Lincoln Avenue. 2. Identify the anticipated equity impacts, if any, of this proposal.

This project will provide an accessible public access connection to the Kinnickinnic River and the Riverwalk System. 3. Identify which minority groups, if any, may be negatively or positively impacted by the proposal.

All minority groups, of all levels of ability, will be positively impacted through the created opportunity to enjoy the benefits of a publicly accessible Riverwalk. They can access the Milwaukee Riverwalk System and have access to the commercial and recreational activities directly adjacent.

4. Describe any engagement efforts with minority communities potentially impacted by the proposal.

The approval of the financing for this project includes public hearings at the Joint Review Board, Redevelopment Authority of the City of Milwaukee and the Zoning Neighborhood and Development Committee of the Common Council.

5. Describe how any anticipated equity impacts of the proposal will be documented or evaluated.

The City does not have a means to measure the impacts but it can be seen that overtime the improvements are beneficial in cultivating a thriving community.

6. Describe strategies that will be used, if any, to mitigate any anticipated equity impacts.

The city currently addresses all complaints related to access as soon as they are received. We will continue to monitor access and address concerns as they arise..
