Nannette Hegerty, Chief of Police
Police Administration Building
749 W. State St.

Dear Chief Hegerty:

At the February 14th meeting of the Judiciary and Legislation Committee a number of questions arose regarding the actions of Officer Szidion McNulty and Sergeant Kim Foster on July 9, 2003. These actions resulted in the city paying a settlement of \$20,000. The Committee would like to know what disciplinary actions, if any, have been taken against the officer and sergeant. The Committee felt that the actions of those officers may have easily been avoided and the city protected. If no action has been taken, we respectfully request that you review this case and reconsider.

The Committee felt that the actions of those officers may have easily been avoided and the city protected.

On behalf of the members of the Committee, I thank you for your consideration on this matter.

Sincerely,

Ald. Michael D'Amato, Chair
Judiciary and Legislation Committee
