It's official. The former Northridge Mall is down, paving the way for future development. The final structural demolition occurred last night. Crews worked hard to ensure the safest environment possible. They made surgical cuts in the steel beams and pulled the structure with cables. Activity now moves into earthwork. The DCD team is currently in the redevelopment planning process and anticipates listing the site for sale in early 2026.

2026 DIGITAL GOALS

- **Boost Audience Engagement**
 - Continue to develop original and compelling content tailored to our target audience, as showcased in our audience analytics from 2025.
 - Post consistently at optimal engagement times.
 - Leverage strategic hashtag use to improve discoverability and reach new audiences.
 - Increase two-way communication with the public by actively responding to comments and questions on social media posts.
 - Explore collaboration opportunities with other city departments to expand our reach.
- **Amplify Media Coverage**
 - Repost media and press conference to extend visibility
 - Schedule reposts during high-traffic times to maximize impressions
- **Grow Followers & Subscribers**
 - Refresh social media profiles with updated bios, profile images, and visual branding
 - Use profile features, such as highlights or pinned posts, to further showcase our department's mission and services.
 - Continue cross-promotion with other departments and community partners to widen our audience base.
- **Expand Video Content Creation**
 - Build on the momentum from 2025's success with short-form videos to further boost our engagement.
 - Produce trend-conscious, platform-native videos to resonate with younger and older audiences.
 - Explore storytelling formats and behind-the scenes content to further showcase our department's work.
- **Increase Web Traffic**
 - Redesign and update the department's web pages to improve accessibility and highlight current initiatives
 - Address declining traffic to City Real Estate pages by promoting available properties through social/media campaigns.
 - Utilize calls-to-action in posts and videos to direct users to relevant web pages.
