I am appealing the administrative procedure followed by
I feel the City's procedure was improper due to the following reasons and I have attached any supporting evidence, including city employee's names/dates which I spoke to regarding this issue, and copies of any city orders received:  I do not place garbage materials in my recyclable  Din: However the garbage recyclable for next doo  often blocks my carport and should not be associated with my property. And I should not be fined due  to tenants from next door carelessness.
Thank you.
