

May 19, 2003

To the Honorable Common Council  
Public Improvements Committee  
City of Milwaukee

Dear Committee Members:

Attached is File No. 021639, being a substitute resolution to vacate the excess right-of-way at the Northwest corner of West Hopkins Street and West Burleigh Street, in the 7th Aldermanic District. This vacation was requested by Dhaliwal Petroleum Equipment for the construction of a pumping station.

The Department of Public Works Coordinated Report contains no stated objections to the proposed vacation. The Commissioner of Public Works has requested a money deposit of the following:

1. Benefit Assessments along W. Burleigh Avenue and W. Hopkins Street frontage \$ 252.78

Since the proposed vacation is not in conflict with city plans, the City Plan Commission at its regular meeting on May 19, 2003 recommended approval for the attached substitute resolution conditioned on making the deposit.

Sincerely,

Julie A. Penman  
Executive Secretary  
City Plan Commission of Milwaukee
