To the Public Works Committee

Subject: Common Council Resolution File Number 070626

Dear Honorable Members:

Returned herewith is the Common Council Resolution File Number 070626, granting a special privilege to A and F Properties LLC to construct and maintain a concrete platform with risers and a new planting bed with concrete edging which will encroach into the public right-of-way for the premises at 518 West Cherry Street.

Abdulhamid M. Ali requested permission to construct and maintain a platform with risers and new planting bed with concrete edging on West Cherry Street for access to the building and for aesthetics. The platform will be approximately 17 feet 6 inches long and project into the north 15-foot sidewalk area of West Cherry Street approximately 4 feet. The planting bed will be approximately 14 feet long and project into the north 15-foot sidewalk area of West Cherry Street approximately 4 feet 4 inches.

We are not aware that the presence of said items will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said items to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
