Subject: Substitute resolution to execute a 2007-2008 Emergency Medical Services Agreement for paramedic services with Milwaukee County.

Dear Honorable Members:

Per my November 8, 2006 request that a file be opened related to the execution of the 2007-2008 Emergency Medical Services Agreement with Milwaukee County, I am forwarding the finalized agreement, substitute resolution and fiscal note for your approval.

The Emergency Medical Services Agreement presented represents the collaborative work and negotiations between the Intergovernmental Cooperation Council (ICC) and Milwaukee County related to the County-wide paramedic system. This agreement will replace the current contract adopted under Common Council files #030990 and #050039 which will expire December 31, 2006.

Adoption of this file will continue the Milwaukee Fire Department's (MFD) participation in the County-wide paramedic system through December 31, 2008. In addition to providing training, quality control and medical direction for the MFD's twelve paramedic units, this agreement will also provide an estimated \$5.3 million in revenue annually to support this critical public safety program.

If you have any further questions regarding this matter, please contact Deputy Chief Gloria Murawsky (x8944) or Business Finance Manager Sandra Rotar (x5281).

Respectfully submitted,

WILIAM WENTLANDT
Chief
