Property 2863 N. GRANT BL.

Owner/Applicant LASHANDA M ANDERSON Ms. LaShanda Anderson
2863 N GRANT BLVD
MILWAUKEE, WI 53222

Proposal Staff received a complaint some months ago about the installation of vinyl windows at this property. Ms. Anderson has been weighing her options and has obtained multiple bids on re-replacing the windows with wood sash.

She requests mothball status so she can have a few years to complete the project due to the high expense.

Staff comments This is the first report back after granting mothball status. The first two windows have been ordered. A contractor has been arranged for installation and for applying the lead tape to the windows.

Recommendation Recommend extension of another 6 months
