This report is written by P.O. Elizabeth HALLMAN, assigned to District Three, Late Power Shift. On 05-25-14 at 2:29am, P.O. Troy HOPGOOD and I, Squad 3465, were dispatched to a Battery at 4106 W. Lisbon Ave (Sister's and Brother's Place).

Upon arrival, I spoke to the victim, Lyndon ANDERSON, who stated that he was working as security at the bar. He stated that across the street from the bar on the south side of W. Lisbon Ave, he observed a group of men dressed as women battering a female, who was "balled" up on the ground by her car. ANDERSON stated that he along with other employees were pushing the subjects off of the female. ANDERSON stated that the female was eventually able to get up and drive away. Once she drove off, an unknown suspect, struck ANDERSON in the back of the head with a tire jack, without consent.

I spoke to another security guard at the location, Illya HAYSLETT, who stated that she observed the entire incident. She stated that they closed the bar at around 2:15am and started making everyone leave. She stated that a male (patron) named "Charles" was in front of the bar outside, fighting with his friend. She stated that ANDERSON, grabbed on to "Charles" to separate them and started to walk him across W. Lisbon Ave in the crosswalk on the west side of N. 41st St. She stated that another security guard grabbed on to "Charles" friend and walked him westbound on W. Lisbon Ave. She stated that as ANDERSON reached the median with "Charles," the suspect (also a patron at the bar) punched ANDERSON in his jaw. After punching him a "brawl" then began, with 10 to 15 male patrons beginning to fight ANDERSON and all of the employees from the bar trying to break up the fight.

During the fight, the suspect struck ANDERSON in his head with the tire jack, after being struck in the head, she observed ANDERSON slump down to the ground and lose consciousness for approximately 5 to 10 minutes. HAYSLETT stated that after he fell, she believes that those involved in the fight seen the severity of it and it started to break up. HAYSLETT stated she along with other employees, picked ANDERSON up and moved him out of the street and on to the curb.

I spoke to Lashunda HARRELL, an employee at the bar, who stated that they closed the bar and she was advised by security to come outside because there were issues out there. HARRELL stated that when she went outside, she first handled an altercation between females across the street. Upon returning back to the front of the bar outside, there were several other altercations going on and once she would fix one, she kept running in to additional problems. She then looked over and seen ANDERSON breaking up a fight and it looked like he was being attacked. She stated that she began walking over there and shortly after, realized ANDERSON was on the ground and then seen the suspect running away from the location with a tire jack. She stated that she went over by ANDERSON who was still on the ground and observed him to be unconscious, stating that he remained that way for approximately 3 to 4 minutes.

I observed ANDERSON to have a knot (raised area) on the back of his head and small circular area on the back of his head that was bleeding.

The name of the suspect was not known to the victim or any other witnesses, however further follow is being conducted to identify the suspect.

Squads on scene;

On Thursday, February 12, 2015 at 12:17am, Squad 3465 (P.O. Frank YINKO and I), responded to 4001 W. North Ave. (Connie's Nite Life Lounge), to assist Squad 762 regarding them being flagged down for a fight.

Upon arrival, I spoke with security guard, Steven C. THOMPSON (b/m, 11/30/80), who stated he did not allow entry to 4 males that were under age 25. As he was outside checking ID's and patting down customers another male came and THOMPSON advised him to wait so he could check his identification and be patted down for weapons. At this time 1 of the 4 males that were denied entrance to the premise pointed at the newly arrived male and stated, he's the one from Wal-Mart, get a gun. Several of the males began walking back toward the premise. THOMPSON then saw squad 762 on North Ave. and flagged them down. When the squad stopped in front of the premise the male subjects separated from each other. The four subjects that were denied entry to the premise left the scene in a truck that was parked on North Ave. THOMPSON then told the other subject he would not be allowed into the premise, the subject then walked off from the premise west bound on North Ave.

No weapons were located and no arrests were made.

This report is written by P.O. Elizabeth HALLMAN, assigned to District Three, Late Power Shift.

On Friday, February 28, 2014, at approximately 12:58 am, while working Squad 3330, P.O. Kevin WILKE was dispatched to a battery cutting at 4001 W North Ave, Connie's Nite Life Lounge. The following is based off of the incident report filed by P.O. WILKE.

P.O. WILKE spoke to the victim, Shana M. WILSON (B/F, 04-05-84), who stated that her ex-boyfriend, Dante L JOHNSON, had walked into the bar with 2 other unknown friends of his and approached her in the rear of the bar where she was sitting. WILSON stated that JOHNSON came up to her and said "BITCH!" and grabbed a couple of drink glasses off the table and threw them at WILSON. One of the glasses broke and caused an approximately 2" cut on the lower left shin of WILSON. WILSON stated that JOHNSON then left the bar. Curtis 323 responded to the scene and treated WILSON'S cut, which was to the surface of the skin. WILSON declined to go to the hospital based on the assessment of the ambulance crew that it was unlikely to need stitches or adhesive to close.

The licensee was on scene at the time of the incident/investigation. I attempted to call and notify her of the PA-33, however there was no answer at the listed phone numbers in LIRA and the phone was not accepting voicemails.

NARRATIVE SECTION: This report is written by P.O. Ashley VAN DRISSE, assigned to District 3, late power shift.

This report is a summary from IR# 14-107-0019 (Recklessly Endangering Safety) that occurred on Thursday, April 17th, 2014 at 1:00AM in relation to "Connie's Nite Life Lounge", located at 4001 W. North Ave. This establishment does have a valid Class "B" Tavern, Public Entertainment and Food Dealer Restaurant license with the City of Milwaukee.

According to reports, a patron of the tavern, identified as Jamie NMI MCGEE, was shot one time to the mouth after leaving the tavern that morning. The suspect, Romero D. WRIGHT, was identified shortly after the incident and was with MCGEE in the tavern prior to the shooting.

Prior to this incident, security for the tavern, Kendrick J. LEWIS, stated that WRIGHT and MCGEE came together to the tavern at approximately 12:00AM or shortly thereafter. LEWIS stated that MCGEE was allowed to enter the tavern, however WRIGHT was not, due to him concealing a firearm, which was hanging from a string that was tied to his waistband. This was located by LEWIS who conducted a pat down for weapons prior to allowing WRIGHT access to the tavern. LEWIS stated that WRIGHT walked to a vehicle that was parked at approximately 2228 N. 40th St., and placed the firearm inside. LEWIS stated that WRIGHT came back to the tavern's entrance and was patted down again, which at this point he was allowed entry to the tavern. LEWIS stated approximately 20 minutes later, WRIGHT left the tavern alone and drove away from the area. At approximately 1:00AM, WRIGHT returned to the tavern, in which LEWIS again patted him down for a third time and was let inside. It appeared that WRIGHT was back at the tavern to pick up his sister, but she eventually was escorted by security to her vehicle and left the location. Shortly after, LEWIS stated that MCGEE and WRIGHT walked south on N. 40th St from W. North Ave. Minutes later, LEWIS stated that he heard about 3 shots being fired to the south, and MCGEE came running back holding his face, which was bleeding, and stated as he collapsed that "I'm shot. Call 911, my guy shot me, my guy shot me, Romero shot me." LEWIS stated that he then called 911.

Once medical personnel arrived onscene, MCGEE was subsequently transferred to Froedtert Hospital where he received medical treatment for a gunshot wound to his mouth.

On Thursday, April 17, 2014 at 8:30PM my partner, P.O. Elizabeth HALLMAN and I spoke with the licensee, Connie M. LELAND, while at her tavern, and notified her of this report.

On Tuesday, April 22, 2014 an attempt at the tavern was made to recover video surveillance from this incident, however it was determined that the DVR system was not recording or even powering up.

This report is written by P.O. Elizabeth HALLMAN, assigned to District Three, Late Power Shift. On 04-21-14 at 1:00pm, a problem solving meeting was held at District Three, in regards to Connie's Nite Life Lounge tavern, located at 4001 W. North Ave. Those present were myself, P.O. Ashley VAN DRISSE, P.O. Thomas GUTHRIE, P.O. Scott LESNIEWSKI, P.O. Melissa JONES, the licensee Connie LELAND and one of her security guards, Kendrick LEWIS- who arrived 45 minutes after the scheduled time. The meeting was set up regarding a patron getting shot after leaving the tavern on 04-17-14 (IR #14-107-0019).

During the meeting, the security practices at the tavern were discussed. LELAND stated that she has 3 security guards on Wednesdays, which is her busiest night and two security guards on Tuesday/Thursdays and one on the remaining days. LELAND stated that security checks ID's at the door and conducts a pat down search for weapons.

LELAND and LEWIS stated that on the night of the shooting, the suspect did attempt to enter the establishment with a firearm attached to a string and concealed in his pants leg behind his knee (which LEWIS stated is typically not an area which security puts as much of an emphasis on searching). The suspect was turned away by LEWIS and as a result put his firearm away in his vehicle and then returned to the bar where he was allowed entry into the bar. (See additional tavern report regarding this incident). We discussed with LELAND and LEWIS that in the future when this occurs and somebody intentionally goes out of their way to conceal a firearm in order to get past security, it is recommended that that person be banned from the location and not allowed to simply place the firearm in their vehicle and then enter the establishment.

LELAND further stated that she had already taken an approach to better the practices of her security personnel, especially one in particular, whose job duties appeared to be deteriorating due to him putting more effort into the relationships he has with some of the patrons. LELAND recognized this as a potential issue in the future and has already taken steps to correct it. LEWIS is the only security guard on the premises who is armed and stated that he does have a CCW license and is currently waiting to get an insurance quote so that he can turn in his application to open his own security business.

One of the other topics discussed was the use of the rear patio in place of patrons standing outside of the front door to smoke. LELAND stated that she had just recently re-opened the rear patio, however most of the patrons are afraid to use it for security reasons. LELAND stated that she does have a light that lights up the patio, however there is no city alley light behind the establishment, nor a light at the rear of her property by the fence/alley. She stated that there is damage to the fence therefore making it possible for subjects to enter on to the property from the alley. LELAND stated this further creates an issue of weapons be handed over through the damaged fence to patrons who have already gone through security and she has therefore had to have a security guard stand back there with patrons. Also due to the alley and far corner of her patio not being properly lit, we recommended to LELAND to possibly work with the neighbor who shares the property line or to ask the property owner to install a light at the rear of the location. We also recommended that she should contact the owner about having the fence repaired. LELAND agreed with both of these suggestions and plans to have these issues fixed.

LELAND stated that she does charge a cover charge on Tuesdays and Thursdays and was advised to make sure she is posting the cover charge in writing near the front door, which she stated that she plans to do.

LELAND stated that she currently has 8 camera views in total; 4 outside and 4 inside. LELAND stated that the system is at the location and can be replayed upon request by herself. P.O. JONES advised LELAND that she would be contacting her in the future regarding the installation of cameras at the location through the current grant program.

This report is written by P.O. Frank YINKO, District 3, Power Shift, Assigned to the Tavern Car.

On 06-21-14, at 3:07am, Squad 3351 (P.O. Thomas MARCUS and P.O. Margaret KIEFER) was dispatched to 2466 N. Teutonia Ave. for a Battery which occurred at 4001 W. North Ave., Connie's Nite Life Lounge. The following is based off of the incident report filed by P.O. MARCUS.

P.O. MARCUS interviewed the victim, Latrice N. PEOPLES, who stated her and her sister were at the bar and overheard a male "cussing out" a female. PEOPLES stated she tried to intervene and help the female. She stated a short time later, she was approached by the couple outside of the bar. PEOPLES described the female as black, dark complexion, 5'05", 180#, wearing a weave. PEOPLES stated the female began arguing with her again, when all of a sudden, the female suspect hit her in the head with an unknown object. PEOPLES stated she was hit in the head several times. P.O. MARCUS observed a laceration on her forehead and right ear lobe. PEOPLES was conveyed to Froedtert Hospital by MFD Medical Unit #6. She was admitted at 4:11am, and treated by Dr. Carolyn PACE. PEOPLES received two stitches to her right ear.

P.O. MARCUS and P.O. KIEFER observed blood on the sidewalk about 20' to the south of Connie's Nite Life Lounge's front door. P.O. KIEFER took 14 photographs of PEOPLES and the scene at 5:15am, 06-21-14.

I conducted follow-up on 06-24-14, at 9:07pm, to interview witnesses and check for video.

LELAND stated she is the Licensee, and usually bartends and cooks when she is present at the premises.

LELAND stated she was bartending and the only cook on 06-24-14. She stated at bar close (2:30am), somebody opened the front door and stated two females were fighting. LELAND stated she went outside and observed a B/F (PEOPLES), bleeding from the face being carried by her security guard, Steven C.

THOMPSON. LELAND told the victim she was calling the police. The victim told her, "Fuck the police, I don't need no police. I'm good. I'm gonna kill that bitch." She stated the victim was yelling and swearing at everybody outside of the bar. LELAND told her she needed to go to the hospital and possibly get stitches. LELAND stated she handed her a rag for her bloody face. She stated THOMPSON carried the victim to her car, and the victim was screaming, "I'm gonna kill that bitch." LELAND stated she the suspect was gone before she got outside of the bar. She stated the victim left the area before she could call the police. The victim also told her she didn't want the police.

LELAND stated there were two B/F's in a verbal argument prior to bar close, but she didn't think it was too serious. She stated she thought one of those females was the victim of the battery, and did not know if the other was the suspect. The only thing she remembered about the other female was she had light colored skin.

LELAND stated they had video, but it was not currently working. She stated AT&T told her several weeks ago, that her power pack plug is broken and they will send her a new one.

On 06-24-14, at 9:23pm, I advised LELAND that a License Premise Report would be filed regarding this incident.

I interviewed Steven C. THOMPSON, who he stated he was working as a security guard at Connie's Nite Life Lounge on 06-21-14. He stated to B/F's were arguing outside of the front door at bar close (2:30am) on the sidewalk. He stated the victim, who he knows as "Peoples," ran towards the other female. He stated "Peoples" pushed a B/M to the side, and shoved the suspect in the face. He stated the B/M was talking to the suspect when he was pushed out of the way by "Peoples." THOMPSON stated the suspect hit "Peoples" back in the face, and was possibly holding keys when she hit "Peoples." He stated he picked up "Peoples" and carried her to her vehicle. THOMPSON stated he returned to the front door of the tavern.

THOMPSON stated "Peoples" returned, and ran towards the suspect and tackled her from the sidewalk into the street. He stated he grabbed the suspect, and other people grabbed "Peoples." He stated "Peoples" was continuing to act out of control, so he grabbed "Peoples" to hold her back from the suspect. He stated LELAND exited the bar and told "Peoples" that she was going to call the police. THOMPSON stated "Peoples" started cussing at LELAND and told her she didn't want the police. THOMPSON stated he held "Peoples" from behind and didn't see if she was injured. He stated he assumed she was bleeding because Connie handed a rag to "Peoples." THOMPSON stated he carried "Peoples" back to her vehicle again, and she left the scene.

THOMPSON described the other B/F (suspect) as 26-27 yoa, 5'05"-5'06", 140#, light complexion, wearing a long black weave, and a black dress. He stated he did not see her leave, because he was carrying "Peoples" back to her vehicle.

A second witness to the events stated he observed the suspect came running from west to the corner at N. 40th St. and W. North Ave. The suspect ran towards another black male and accused him of talking to his girlfriend. The suspect said he would shoot the victim in the face, the witness saw a gun in the suspects right hand. The suspect and victim began a physical fight in the middle of the street, when the suspect knocked the victim to the ground. The suspect pointed the gun at the victims face 4 or 5 times yelling that he would kill the victim. The suspect let the victim stand up and the victim began to run and when the victim was about 10 feet away the suspect discharged 1 round into the ground near the victim.

This report is written by P.O. Frank YINKO, District Three, Late Power Shift.

The narrative is based on the citation narratives submitted by P.O. Joshua ALBERT (Squad 3340).

On 11-06-14, at 1:04am, Squad 3240 (P.O. Joshua ALBERT and P.O. Andrew GALLENBERG) observed a fight outside of Connie's Nite Life Lounge (4001 W North Av). P.O. ALBERT activated the squad's emergency lights, and blocked eastbound traffic on W North Av. P.O. ALBERT observed one B/F with a baseball bat, and several citizens around her immediate area. P.O. ALBERT called for more squads to respond. Marthia Y. BELL stated she was struck in face by a beer bottle while she was inside the premise. BELL stated the bottle came from the direction of To-Day U. WHITFIELD, Ciara NMI CLAYTON, and Shontoya E. WHITFIELD. She stated the same 3 females than began to punch her inside of the premise. BELL stated the fight started as an argument over a prior incident. She stated the fight continued outside, and she was again, punched by all 3 females.

Ashley M. BUFORD also saw the same 3 females punching BELL inside of the premise. She stated one of them threw a beer bottle at BELL, but she could not see exactly which one threw it. She saw the same 3 females punching BELL outside on the sidewalk. She also saw them throwing shoes at BELL, and one of them had pepper spray.

CLAYTON, T. WHITFIELD, and S. WHITFIELD all stated the fight started when Keith LEE hit S. WHITFIELD in the face with a beer bottle. They stated the fight continued outside until the police arrived on scene. S. WHITFIELD stated she grabbed a bat from her vehicle for her protection.

Keith R. LEE stated he was standing by the front door when a beer bottle flew over his head and hit his sister-in-law, BELL, in the face. He stated everybody was being pushed outside by the crowd, and the fight continued outside of the premise. He stated he tried to break up the fight, but nobody was listening to him so he walked away from the fight.

I interviewed security guard, Kendrick J. LEWIS, outside searching patrons before they entered the premise. He stated he entered the premise when he heard a loud argument. He stated a B/F was yelling at LEE, and LEE was calmly telling the B/F to leave it alone. LEWIS stated the B/F was telling LEE, that she was going to beat LEE's girlfriend, Ashley M. BUFORD. LEWIS stated he turned towards LEE, and a beer bottle flew over his head and struck BELL in the face. He stated CLAYTON, T. WHITFIELD, and S. WHITFIELD ran towards BELL, and began to punch her. He stated he tried to separate the 2 groups, but the groups (including himself) were pushed outside of the premise. He stated CLAYTON, T. WHITFIELD, and S. WHITFIELD continued punching BELL outside of the premise. He saw one of them grab a baseball bat from the back of a vehicle, but didn't know which female had the bat. He stated the police arrived on scene shortly after the fight spilled outside of the premise.

I also interviewed the licensee, Connie M. LELAND, who was on scene during the incident working as a bartender. LELAND stated she heard glass break, and saw some patrons throwing punches. She stated she could not see who was throwing punches, but immediately started clearing glasses and bottles from the bar counter. She stated some patrons will pick up glass from the bar, to protect themselves or join the fight. She stated she told another security guard to assist LEWIS with the fighting patrons. She stated the police arrived on scene, before she finished clearing the glass off the bar. She stated he surveillance video is not operable. On Thursday, February 12, 2015 at 12:17am, Squad 3465 (P.O. Frank YINKO and I), responded to 4001 W. North Ave. (Connie's Nite Life Lounge), to assist Squad 762 regarding them being flagged down for a fight.

Upon arrival, I spoke with security guard, Steven C. THOMPSON (b/m, 11/30/80), who stated he did not allow entry to 4 males that were under age 25. As he was outside checking ID's and patting down customers another male came and THOMPSON advised him to wait so he could check his identification and be patted down for weapons. At this time 1 of the 4 males that were denied entrance to the premise pointed at the newly arrived male and stated, he's the one from Wal-Mart, get a gun. Several of the males began walking back toward the premise. THOMPSON then saw squad 762 on North Ave. and flagged them down. When the squad stopped in front of the premise the male subjects separated from each other. The four subjects that were denied entry to the premise left the scene in a truck that was parked on North Ave. THOMPSON then told the other subject he would not be allowed into the premise, the subject then walked off from the premise west bound on North Ave.

No weapons were located and no arrests were made.

On Friday, February 28, 2014, at approximately 12:58 am, while working Squad 3330, P.O. Kevin WILKE was dispatched to a battery cutting at 4001 W North Ave, Connie's Nite Life Lounge. The following is based off of the incident report filed by P.O. WILKE.

P.O. WILKE spoke to the victim, Shana M. WILSON (B/F, 04-05-84), who stated that her ex-boyfriend, Dante L JOHNSON, had walked into the bar with 2 other unknown friends of his and approached her in the rear of the bar where she was sitting. WILSON stated that JOHNSON came up to her and said "BITCH!" and grabbed a couple of drink glasses off the table and threw them at WILSON. One of the glasses broke and caused an approximately 2" cut on the lower left shin of WILSON. WILSON stated that JOHNSON then left the bar. Curtis 323 responded to the scene and treated WILSON'S cut, which was to the surface of the skin. WILSON declined to go to the hospital based on the assessment of the ambulance crew that it was unlikely to need stitches or adhesive to close.

The licensee was on scene at the time of the incident/investigation. I attempted to call and notify her of the PA-33, however there was no answer at the listed phone numbers in LIRA and the phone was not accepting voicemails.

NARRATIVE SECTION: This report is written by P.O. Ashley VAN DRISSE, assigned to District 3, late power shift.

This report is a summary from IR# 14-107-0019 (Recklessly Endangering Safety) that occurred on Thursday, April 17th, 2014 at 1:00AM in relation to "Connie's Nite Life Lounge", located at 4001 W. North Ave. This establishment does have a valid Class "B" Tavern, Public Entertainment and Food Dealer Restaurant license with the City of Milwaukee.

According to reports, a patron of the tavern, identified as Jamie NMI MCGEE, was shot one time to the mouth after leaving the tavern that morning. The suspect, Romero D. WRIGHT, was identified shortly after the incident and was with MCGEE in the tavern prior to the shooting.

Prior to this incident, security for the tavern, Kendrick J. LEWIS, stated that WRIGHT and MCGEE came together to the tavern at approximately 12:00AM or shortly thereafter. LEWIS stated that MCGEE was allowed to enter the tavern, however WRIGHT was not, due to him concealing a firearm, which was hanging from a string that was tied to his waistband. This was located by LEWIS who conducted a pat down for weapons prior to allowing WRIGHT access to the tavern. LEWIS stated that WRIGHT walked to a vehicle that was parked at approximately 2228 N. 40th St., and placed the firearm inside. LEWIS stated that WRIGHT came back to the tavern's entrance and was patted down again, which at this point he was allowed entry to the tavern. LEWIS stated approximately 20 minutes later, WRIGHT left the tavern alone and drove away from the area. At approximately 1:00AM, WRIGHT returned to the tavern, in which LEWIS again patted him down for a third time and was let inside. It appeared that WRIGHT was back at the tavern to pick up his sister, but she eventually was escorted by security to her vehicle and left the location. Shortly after, LEWIS stated that MCGEE and WRIGHT walked south on N. 40th St from W. North Ave. Minutes later, LEWIS stated that he heard about 3 shots being fired to the south, and MCGEE came running back holding his face, which was bleeding, and stated as he collapsed that "I'm shot. Call 911, my guy shot me, my guy shot me, Romero shot me." LEWIS stated that he then called 911.

Once medical personnel arrived onscene, MCGEE was subsequently transferred to Froedtert Hospital where he received medical treatment for a gunshot wound to his mouth.

On Thursday, April 17, 2014 at 8:30PM my partner, P.O. Elizabeth HALLMAN and I spoke with the licensee, Connie M. LELAND, while at her tavern, and notified her of this report.

On Tuesday, April 22, 2014 an attempt at the tavern was made to recover video surveillance from this incident, however it was determined that the DVR system was not recording or even powering up.

This report is written by P.O. Elizabeth HALLMAN, assigned to District Three, Late Power Shift. On 04-21-14 at 1:00pm, a problem solving meeting was held at District Three, in regards to Connie's Nite Life Lounge tavern, located at 4001 W. North Ave. Those present were myself, P.O. Ashley VAN DRISSE, P.O. Thomas GUTHRIE, P.O. Scott LESNIEWSKI, P.O. Melissa JONES, the licensee Connie LELAND and one of her security guards, Kendrick LEWIS- who arrived 45 minutes after the scheduled time. The meeting was set up regarding a patron getting shot after leaving the tavern on 04-17-14 (IR #14-107-0019).

During the meeting, the security practices at the tavern were discussed. LELAND stated that she has 3 security guards on Wednesdays, which is her busiest night and two security guards on Tuesday/Thursdays and one on the remaining days. LELAND stated that security checks ID's at the door and conducts a pat down search for weapons.

LELAND and LEWIS stated that on the night of the shooting, the suspect did attempt to enter the establishment with a firearm attached to a string and concealed in his pants leg behind his knee (which LEWIS stated is typically not an area which security puts as much of an emphasis on searching). The suspect was turned away by LEWIS and as a result put his firearm away in his vehicle and then returned to the bar where he was allowed entry into the bar. (See additional tavern report regarding this incident). We discussed with LELAND and LEWIS that in the future when this occurs and somebody intentionally goes out of their way to conceal a firearm in order to get past security, it is recommended that that person be banned from the location and not allowed to simply place the firearm in their vehicle and then enter the establishment.

LELAND further stated that she had already taken an approach to better the practices of her security personnel, especially one in particular, whose job duties appeared to be deteriorating due to him putting more effort into the relationships he has with some of the patrons. LELAND recognized this as a potential issue in the future and has already taken steps to correct it. LEWIS is the only security guard on the premises who is armed and stated that he does have a CCW license and is currently waiting to get an insurance quote so that he can turn in his application to open his own security business.

One of the other topics discussed was the use of the rear patio in place of patrons standing outside of the front door to smoke. LELAND stated that she had just recently re-opened the rear patio, however most of the patrons are afraid to use it for security reasons. LELAND stated that she does have a light that lights up the patio, however there is no city alley light behind the establishment, nor a light at the rear of her property by the fence/alley. She stated that there is damage to the fence therefore making it possible for subjects to enter on to the property from the alley. LELAND stated this further creates an issue of weapons be handed over through the damaged fence to patrons who have already gone through security and she has therefore had to have a security guard stand back there with patrons. Also due to the alley and far corner of her patio not being properly lit, we recommended to LELAND to possibly work with the neighbor who shares the property line or to ask the property owner to install a light at the rear of the location. We also recommended that she should contact the owner about having the fence repaired. LELAND agreed with both of these suggestions and plans to have these issues fixed.

LELAND stated that she does charge a cover charge on Tuesdays and Thursdays and was advised to make sure she is posting the cover charge in writing near the front door, which she stated that she plans to do.

LELAND stated that she currently has 8 camera views in total; 4 outside and 4 inside. LELAND stated that the system is at the location and can be replayed upon request by herself. P.O. JONES advised LELAND that she would be contacting her in the future regarding the installation of cameras at the location through the current grant program.

This report is written by P.O. Frank YINKO, District 3, Power Shift, Assigned to the Tavern Car.

On 06-21-14, at 3:07am, Squad 3351 (P.O. Thomas MARCUS and P.O. Margaret KIEFER) was dispatched to 2466 N. Teutonia Ave. for a Battery which occurred at 4001 W. North Ave., Connie's Nite Life Lounge. The following is based off of the incident report filed by P.O. MARCUS.

P.O. MARCUS interviewed the victim, Latrice N. PEOPLES, who stated her and her sister were at the bar and overheard a male "cussing out" a female. PEOPLES stated she tried to intervene and help the female. She stated a short time later, she was approached by the couple outside of the bar. PEOPLES described the female as black, dark complexion, 5'05", 180#, wearing a weave. PEOPLES stated the female began arguing with her again, when all of a sudden, the female suspect hit her in the head with an unknown object. PEOPLES stated she was hit in the head several times. P.O. MARCUS observed a laceration on her forehead and right ear lobe. PEOPLES was conveyed to Froedtert Hospital by MFD Medical Unit #6. She was admitted at 4:11am, and treated by Dr. Carolyn PACE. PEOPLES received two stitches to her right ear.

P.O. MARCUS and P.O. KIEFER observed blood on the sidewalk about 20' to the south of Connie's Nite Life Lounge's front door. P.O. KIEFER took 14 photographs of PEOPLES and the scene at 5:15am, 06-21-14.

I conducted follow-up on 06-24-14, at 9:07pm, to interview witnesses and check for video.

LELAND stated she is the Licensee, and usually bartends and cooks when she is present at the premises.

LELAND stated she was bartending and the only cook on 06-24-14. She stated at bar close (2:30am), somebody opened the front door and stated two females were fighting. LELAND stated she went outside and observed a B/F (PEOPLES), bleeding from the face being carried by her security guard, Steven C.

THOMPSON. LELAND told the victim she was calling the police. The victim told her, "Fuck the police, I don't need no police. I'm good. I'm gonna kill that bitch." She stated the victim was yelling and swearing at everybody outside of the bar. LELAND told her she needed to go to the hospital and possibly get stitches. LELAND stated she handed her a rag for her bloody face. She stated THOMPSON carried the victim to her car, and the victim was screaming, "I'm gonna kill that bitch." LELAND stated she the suspect was gone before she got outside of the bar. She stated the victim left the area before she could call the police. The victim also told her she didn't want the police.

LELAND stated there were two B/F's in a verbal argument prior to bar close, but she didn't think it was too serious. She stated she thought one of those females was the victim of the battery, and did not know if the other was the suspect. The only thing she remembered about the other female was she had light colored skin. LELAND stated they had video, but it was not currently working. She stated AT&T told her several weeks ago, that her power pack plug is broken and they will send her a new one.

On 06-24-14, at 9:23pm, I advised LELAND that a License Premise Report would be filed regarding this incident.

I interviewed Steven C. THOMPSON, who he stated he was working as a security guard at Connie's Nite Life Lounge on 06-21-14. He stated to B/F's were arguing outside of the front door at bar close (2:30am) on the sidewalk. He stated the victim, who he knows as "Peoples," ran towards the other female. He stated "Peoples" pushed a B/M to the side, and shoved the suspect in the face. He stated the B/M was talking to the suspect when he was pushed out of the way by "Peoples." THOMPSON stated the suspect hit "Peoples" back in the face, and was possibly holding keys when she hit "Peoples." He stated he picked up "Peoples" and carried her to her to her vehicle. THOMPSON stated he returned to the front door of the tavern.

THOMPSON stated "Peoples" returned, and ran towards the suspect and tackled her from the sidewalk into the street. He stated he grabbed the suspect, and other people grabbed "Peoples." He stated "Peoples" was continuing to act out of control, so he grabbed "Peoples" to hold her back from the suspect. He stated LELAND exited the bar and told "Peoples" that she was going to call the police. THOMPSON stated "Peoples" started cussing at LELAND and told her she didn't want the police. THOMPSON stated he held "Peoples" from behind and didn't see if she was injured. He stated he assumed she was bleeding because Connie handed a rag to "Peoples." THOMPSON stated he carried "Peoples" back to her vehicle again, and she left the scene. THOMPSON described the other B/F (suspect) as 26-27 yoa, 5'05"-5'06", 140#, light complexion, wearing a long black weave, and a black dress. He stated he did not see her leave, because he was carrying "Peoples" back to her vehicle.

The narrative is based on the citation narratives submitted by P.O. Joshua ALBERT (Squad 3340).

On 11-06-14, at 1:04am, Squad 3240 (P.O. Joshua ALBERT and P.O. Andrew GALLENBERG) observed a fight outside of Connie's Nite Life Lounge (4001 W North Av). P.O. ALBERT activated the squad's emergency lights, and blocked eastbound traffic on W North Av. P.O. ALBERT observed one B/F with a baseball bat, and several citizens around her immediate area. P.O. ALBERT called for more squads to respond. Marthia Y. BELL stated she was struck in face by a beer bottle while she was inside the premise. BELL stated the bottle came from the direction of To-Day U. WHITFIELD, Ciara NMI CLAYTON, and Shontoya E. WHITFIELD. She stated the same 3 females than began to punch her inside of the premise. BELL stated the fight started as an argument over a prior incident. She stated the fight continued outside, and she was again, punched by all 3 females.

Ashley M. BUFORD also saw the same 3 females punching BELL inside of the premise. She stated one of them threw a beer bottle at BELL, but she could not see exactly which one threw it. She saw the same 3 females punching BELL outside on the sidewalk. She also saw them throwing shoes at BELL, and one of them had pepper spray.

CLAYTON, T. WHITFIELD, and S. WHITFIELD all stated the fight started when Keith LEE hit S. WHITFIELD in the face with a beer bottle. They stated the fight continued outside until the police arrived on scene. S. WHITFIELD stated she grabbed a bat from her vehicle for her protection.

Keith R. LEE stated he was standing by the front door when a beer bottle flew over his head and hit his sister-in-law, BELL, in the face. He stated everybody was being pushed outside by the crowd, and the fight continued outside of the premise. He stated he tried to break up the fight, but nobody was listening to him so he walked away from the fight.

I interviewed security guard, Kendrick J. LEWIS, outside searching patrons before they entered the premise. He stated he entered the premise when he heard a loud argument. He stated a B/F was yelling at LEE, and LEE was calmly telling the B/F to leave it alone. LEWIS stated the B/F was telling LEE, that she was going to beat LEE's girlfriend, Ashley M. BUFORD. LEWIS stated he turned towards LEE, and a beer bottle flew over his head and struck BELL in the face. He stated CLAYTON, T. WHITFIELD, and S. WHITFIELD ran towards BELL, and began to punch her. He stated he tried to separate the 2 groups, but the groups (including himself) were pushed outside of the premise. He stated CLAYTON, T. WHITFIELD, and S. WHITFIELD continued punching BELL outside of the premise. He saw one of them grab a baseball bat from the back of a vehicle, but didn't know which female had the bat. He stated the police arrived on scene shortly after the fight spilled outside of the premise.

On Thursday, (November 6, 2014) during the course of a separate investigation Officers observed that a Maximum Occupancy Placard was not readily visible. Connie M. LELAND was informed that a placard needed to be placed and readily visible. On Saturday, November 8, 2014 at 12:28am a follow up premise check for a Maximum Authorized Occupancy Placard was conducted. A Maximum Authorized Occupancy Placard was not readily posted and visible to Officers. The premise has an established maximum occupancy of 80. P.O. YINKO asked licensee, LELAND if she had a placard and where it was located. LELAND stated that she had a placard, but that it must have fallen down behind the bar and she could not find it. LELAND stated she went City of Milwaukee Development Center Department of Neighborhood Services at approximately 3:30pm on Friday, November 7, 2014 to obtain a new placard. LELAND stated she was told their system was down and she could not receive new placard. LELAND stated a worker then called over to City Hall and was told City Hall's system was also down and that she would have to come back on Monday.
