SOUTH 10TH STREET

Dear Alderman Perez:

This is in response to your request on behalf of a local residents to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that due to the geometric configuration of the intersection the above-captioned control is warranted. We therefore, in the interest of public safety, recommend the installation of the all-way stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

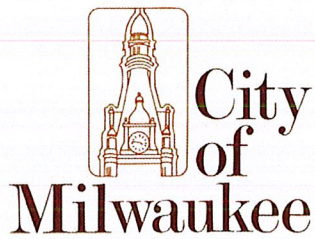

Sincerely,

Kevin J. Muhs, PE, AICP

INSTALL ALL-WAY STOP ON WEST GRANT STREET AND  
SOUTH 7TH STREET

REMOVE STOP SIGN ON WEST GRANT STREET  
AT SOUTH 7TH STREET

Dear Alderman Perez:

A search of city ordinances found that the all-way stop control at the intersection of West Grant Street and South 7th Street was not properly legislated when it was installed in 2016. Therefore, to ensure the installed traffic control corresponds with city records we recommend the above-captioned traffic control changes.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

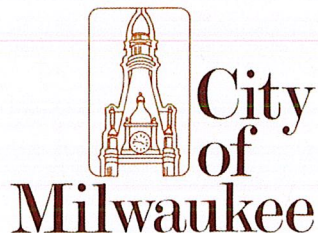

Kevin J. Muhs, PE, AICP

SUBJECT: 11TH ALD. DIST. - FILE #230190  
INSTALL NO TRUCKING 3 TONS OR OVER ON SOUTH 72ND STREET  
AT WEST HOWARD AVENUE SOUTHBOUND

Dear Alderman Borkowski:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our Traffic Engineering staff has investigated this request and found that since this street is strictly residential and trucks are using it as a short cut, we recommend that heavy trucks be prohibited.

We will prepare the necessary legislation that will be heard at the next Public Safety and Health Committee meeting so that you may support it to final passage.

Sincerely,

Kevin J. Muhs, PE, AICP  
City Engineer
