Re: TNR Pilot Program -File # 141680

To Whom it May Concern

I am writing to you all in support of continuing the TNR (Trap, Neuter, Release) Program in its current form. I believe that the Department of Neighborhood Services is also in support of continuing the pilot program.

I feel the need for the program to continue is great. If the program can continue and more people come on board with TNR, this will greatly help control the number of feral cats in my neighborhood which in turn will increase quality of life for residents in my area.
Thank you for your time .

Sincerely,

Karen Busch
