SUBJECT: 15TH ALD. DIST. - FILE #250683
INSTALL NO PARKING ANYTIME ON THE NORTH SIDE OF
WEST HIGHLAND BOULEVARD FROM A POINT 230 FEET WEST
OF NORTH 37TH STREET TO A POINT 50 FEET WEST THEREOF

Dear Alderman Stamper:

This is in response to a request our office received from Near West Side Partners/Bid #10 to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that southbound motorists exiting the now vacated roadway of North 38th Street at West Highland Boulevard have a difficult time seeing traffic traveling westbound on West Highland Boulevard when vehicles park close to the intersection. Therefore, in the interest of public safety, we recommend installing the above-captioned parking restriction to increase cross traffic visibility at the intersection.

We will prepare the necessary legislation for the next Public Safety and Health Committee meeting, so that you may support it to final passage.

Sincerely,

Kevin J. Muhs, PE, AICP
City Engineer

Honorable Larresa Taylor
Alderwoman, 9th Aldermanic District
Room 205, City Hall

SUBJECT: 9TH ALD. DIST. - FILE #250683
INSTALL NO PARKING ANYTIME ON THE EAST SIDE
OF NORTH 52ND STREET FROM WEST MILL ROAD
TO A POINT 80 FEET NORTH

Dear Alderwoman Taylor:

This is in response to your request on behalf of a local resident to install the above-captioned parking restriction in an effort to facilitate the movement of traffic on North 52nd Street north of West Mill Road.

Our Traffic Engineering staff has investigated this request and found that restricting parking on North 52nd Street would improve the flow of traffic on the roadway and therefore recommend its installation.

We will prepare the necessary legislation that will be heard at the next Public Safety and Health Committee meeting, so that you may support it to final passage.

Sincerely,

Kevin J. Muhs, PE, AICP
