

LEASE AGREEMENT

Lease Agreement made as of the ____ day of _____, 20____, by and between Discovery World, Ltd., a Wisconsin nonstock corporation, (hereinafter referred to as "Tenant"), and the CITY OF MILWAUKEE, a Wisconsin corporation, by and through its Board of Harbor Commissioners (hereinafter collectively referred to as the "City").

WITNESSETH:

The City hereby leases, demises and lets unto Tenant the real property comprised of approximately 0.75 acres (hereinafter referred to as the "Property"), located on the South Harbor Tract of the City of Milwaukee at the foot of E. Russell Avenue. The Property is more particularly described in Exhibit A, which is affixed hereto and incorporated into this document by this reference.

This Lease is entered into by the parties under the following terms and conditions:

1. **Term.** The term of this Lease is 5 years and will commence on March 1, 2012 and will terminate on February 28, 2017 ("Initial Term").

The term of this lease shall be extended for an additional 5 years ("Extension Term") under the same terms and conditions unless either party shall deliver to the other party a written notice of termination within ninety (90) days prior to expiration of the Initial Term. This extension shall be approved by the Board of Harbor Commissioners.

2. **Rent.** A flat fee of \$1,000 annually payable to the City through in-kind costs of improvements to the area and additional services provided by the Tenant as specified herein.

3. **Use of the Property.** The property will be used as a maintenance and repair facility for the schooner "DENIS SULLIVAN". Tenant acknowledges that the existing buildings on the Property are suitable for this use. The finger pier as shown in Exhibit A extending east of the Property will serve as a temporary berth on occasion for the DENIS SULLIVAN. It will be used for holding boats, building and related activities by the Tenant's schooner operation and joint activities with community education and youth groups, such as MPS Programs, the Sea Scouts, Boy Scouts, and the schooner school.

The storage of private small boats on the Property will be strictly controlled by the Tenant. Only boats directly related to the Tenant's use of the Property are to be stored there. Tenant will keep an accurate list of the owners and their boats in storage and make such list available to the City. Boat owners judged to be in violation of these storage restrictions will be liable for the payment of a \$200 per month or portion thereof storage fee to be collected by Tenant and paid to the City as additional rent.

Additional uses of the Property are not permitted without the prior written approval of the Municipal Port Director. Tenant acknowledges the suitability of the Property for its intended uses and bears sole responsibility for making any determination with respect thereto.

4. **Improvements and Operations.** The property is being rented “as is”. Tenant will make necessary improvements for its occupancy and will be responsible for all maintenance and repairs to the grounds and improvements. Tenant will enlist the assistance of members of its youth educational programs on a general clean up of the Property to include:

A) **Landscaping:** there is currently minimal landscaping at the site. Tenant will add some flowers and maybe some temporary planters and will consider adding bushes and trees in the future. Snow removal and lawn care will be the Tenant’s responsibility.

B) **Fencing:** fencing may be used to enhance the landscaping. Decorative wood fencing can be used to façade the bathroom area and some of the already existing small boats used by the Sea Scouts. No fencing will be placed along the southern side of the Property.

C) **Lighting:** the current site lighting is believed to be adequate. Tenant may install some temporary low voltage “ground” lighting along the east dock for safety as well as minimal white Christmas tree type lights as the vessels docking queue.

D) **Signage:** ground eye level signs identifying the site and providing phone and web page information may be mounted to the front gate or buildings. These signs will be no bigger than 3’x2’.

E) **Portable Restrooms:** two portable toilets will be located at the site and maintained regularly. Landscape fencing will be used to disguise its appearance.

F) **Parking:** Tenant will address parking needs for any public events that may be planned for this site. Such plans will be submitted to the City in advance of any event. Tenant will limit the quantity of cars in the lot west of the building. All information that Tenant sends to people who will be visiting the Property will stress that limited parking space is available and encourage people to carpool. Tenant will monitor traffic and parking related to their operations in an effort to prevent any negative impact to the neighborhood.

G) **Hours of operation:** the grounds will open an hour prior to the start of programs (7:30 a.m. to 8:30 a.m.). The grounds will close no later than 8:00 p.m. When the DENIS SULLIVAN is at the dock, the grounds will close no later than 7:00 p.m. During the closed times, the gate will remain shut. The gate may be shut at other times to control educational programming. The Schooner crew, whom live aboard the vessel, will have access to the grounds, but adhere to a noise curfew after 9:00 p.m. Access to the pier for fishermen will not be restricted, unless security issues prevail.

5. **Occupancy Subject to Existing Easements and Restrictions.** Tenant's occupancy of the Property is subject to any recorded easements and restrictions of record.

6. **Termination and Vacation.**

A) **Termination and Vacation Date.** Tenant shall vacate the Property on or before the expiration of this Lease. The Property shall be returned to the City by Tenant in substantially the same condition in which it was received. In the event that Tenant fails to vacate the Property in a timely

fashion, the City shall have the option to do any or all of the following: (1) cause the Property to be vacated; (2) charge Tenant twice (2x) the rent set forth in Section 2 of this Lease for all periods subsequent to the date of expiration of this Lease or of any agreed extension thereof; and (3) to assess and recover against the Tenant the actual costs of such vacation and any damages sustained by the City as a consequence of the Tenant's failure to timely vacate the Property.

B) Property to be Vacated Clear of all Materials. Tenant shall vacate the Property free and clear of all materials and equipment and of all improvements in accordance with Section 9. In the event that Tenant fails to vacate the Property in the prescribed state of clearance, as determined by the City, after ten (10) days' written notice to Tenant, the City shall have the option to have such clearance and clean-up conducted as in its reasonable judgment is necessary in order to bring the Property to the prescribed state of clearance and to assess the costs of such action against Tenant.

C) This Lease may be terminated prior to the date of its stated expiration date only by the mutual written consent of the Port Director and the Tenant.

7. **Default**. The occurrence of one or more of the following events shall be considered events of default under the terms of this Lease:

A) Tenant shall be adjudged a bankrupt, or a decree or order, approving as properly filed, a petition or answer asking reorganization of Tenant under Federal Bankruptcy Laws as now or hereafter amended, or under the laws of this State, shall be entered, and any such decree, judgment or order shall not have been vacated, stayed or set aside within sixty (60) days from the date of the entry or granting thereof; the City may at its sole option extend the Lease term on a month-to-month basis in the event additional time is required for Tenant to vacate Property under this Section; or

B) Tenant shall file or admit the jurisdiction of the court and the material allegations contained in any petition in bankruptcy or any petition pursuant or purporting to be pursuant to the Federal Bankruptcy Laws as now or hereafter amended, or Tenant shall institute any proceedings or shall give its consent to the institution of any proceedings for any relief of Tenant under any bankruptcy or insolvency laws or any laws relating to the relief of debtors, readjustment of indebtedness, or reorganization; or

C) Tenant shall make an assignment for the benefit of creditors or shall apply for or consent to the appointment of a receiver for Tenant; or

D) Tenant shall abandon the Property for a period of ninety (90) days.

E) Tenant shall be delinquent in any rental or other payments due under this Lease and such delinquency shall continue for five (5) days after notice thereof in writing to Tenant; or

F) Tenant shall default in any of the other covenants or agreements herein contained to be kept, observed and performed by Tenant, and such default shall continue for ten (10) days after notice thereof in writing to Tenant; or

G) Tenant shall make any assignment, sublease, transfer, conveyance or other disposition of its interest in the Property without the express written consent of the City.

Upon occurrence of any one or more of such events of default, it shall be lawful for the City, at its election in the manner and terms herein provided, to declare this Lease ended, and to recover possession of the Property, either with or without process of law, to enter and to expel, and remove Tenant and all agents, employees and representatives of Tenant engaged in operating the Property or occupying the Property, using such force as may be necessary in so doing. If default shall be made in any covenants, agreements, conditions or undertakings herein contained, to be observed and performed by Tenant, which cannot with due diligence be cured within a period of ten (10) days, and if notice thereof in writing shall have been given to Tenant, and if Tenant prior to the expiration of said ten (10) days from and after the giving of such notice, commences to eliminate the cause of such default and proceeds diligently and with dispatch to take all steps and do all work required to cure such default and thereafter does so cure such default, then the City shall not have the right to declare the term of the Lease as ended; however, that the curing of any default in such manner shall not be construed to limit or restrict the right of the City to declare this Lease ended and terminated, and to enforce all of the City's rights and remedies hereunder for any other default not so cured.

8. **Maintenance and Housekeeping.**

A) **Tenant's Repairs & Maintenance.** Tenant shall keep the Property and any dock area servicing the Property in a clean and sanitary condition, and shall keep the common parking areas, and driveways free of Tenant's debris, and shall control weeds and maintain landscaping. Tenant shall not store materials, waste or pallets outside of the Property, and shall timely arrange for the removal and/or disposal of all pallets, crates and refuse owned by Tenant which cannot be disposed of in the dumpster(s) servicing the Property.

Tenant shall at all times keep the Property and all improvements thereon in a clean, neat, orderly and well-maintained appearance. Tenant shall, without limitation by reason of enumeration, undertake the measures listed in Section 4 throughout the term of this Lease in furtherance of these objectives.

Upon the expiration or earlier termination of this Lease, Tenant shall return the Property to the City in substantially the same condition as when received, reasonable wear and tear accepted. Tenant shall perform all repairs and maintenance in a good and workmanlike manner, using materials and labor of the same character, kind and quality as originally employed within the Property; and all such repairs and maintenance shall be in compliance with all governmental and quasi-governmental laws, ordinances and regulations, as well as all requirements of the City's insurance carrier. In the event Tenant fails to properly perform any such repairs or maintenance within a reasonable period of time, the City shall have the option to perform any such repairs on behalf of Tenant, in which event Tenant shall reimburse to the

City, as Additional Rent, the costs thereof within thirty (30) days after receipt of the City's invoice for same.

9. **Utilities.** Tenant shall be solely responsible for the installation and purchase of all utility services required by Tenant during the term of this Lease.

10. **Assignment and Subleasing.** Tenant shall not assign or sublet the Property or any portion thereof, nor allow the same to be used or occupied by any other person or for any other use than herein specified, without the prior written consent of the City. For purposes of this Section, the transfer of any majority interest in any corporation or partnership shall be deemed to be an assignment of this Lease. In the event the City consents to any sublease or assignment, the same shall not constitute a release of Tenant from the full performance of Tenant's obligations under this Lease. Further, in the event of any such sublease or assignment, Tenant shall reimburse the City for all reasonable attorneys' fees in connection with reviewing and/or drafting any appropriate documents to effect such transfer of Tenant's interests.

11. **Indemnification.** Tenant hereby agrees to indemnify and save harmless the City, Board of Harbor Commissioners, Sea Scouts, school groups, and other property users from and against all liabilities, claims, demands, judgments, losses and all suits at law or in equity, costs and expenses, including reasonable attorney's fees, for injury to and/or death of any person or persons and/or loss and/or damage to the property of any person, firm or corporation whomsoever, including both parties hereto and their employees, arising from the construction, maintenance or operation of Tenant's improvements and equipment, or in the carrying on of its business as hereinbefore set forth, except when such liability, claim, demand, judgment or loss arises solely from a negligent act of the City, its agents, contractors or employees.

12. **Insurance.** Tenant shall maintain in full force and effect throughout the currency of this Lease, the following insurance covering any and all liability or obligations which may result from operations by Tenant, Tenant's employees, visitors, guests, agents, contractors or subcontractors as aforesaid in this Lease:

A) Property insurance coverage protecting against physical damage (including but not limited to fire, lightning, extended coverage perils, vandalism, sprinkler leakage, water damage, collapse and other special extended perils) to the extent of the replacement cost of Tenant's personal property and improvements as well as goods or property in Tenant's care, custody and/or control.

B) Comprehensive General Liability Insurance (including but not limited to Products and Completed Operations and Contractual Liability, as applicable to Tenant's obligations under this Lease) with limits not less than:

Each Occurrence Limit:	\$2,000,000
Products/Completed Operations Aggregate:	\$2,000,000
General Policy Aggregate:	\$2,000,000

- C) Automotive Liability Insurance with Limits not less than:
 - Bodily Injury and Property Damage
 - Combined Single Limit: \$1,000,000 per occurrence
- D) Worker's Compensation Insurance in accordance with Chapter 102, Wisconsin Statutes and any applicable Federal law.
- E) Umbrella Coverage: \$10,000,000 in aggregate

All such policies shall be of a form and content satisfactory to the City. In addition, the Board of Harbor Commissioners of the City of Milwaukee and the City of Milwaukee will be designated on the General Liability, Property Insurance, Automobile and Umbrella policies as Additional Named Insureds. All policies shall be with companies licensed to do business in the State of Wisconsin and rated 'A' or better in the most current issue of Best's Key Rating Guide. Tenant shall furnish the City with certificates of insurance for all policies showing that insurance has been written as required. Such evidence shall be provided by Tenant at least thirty (30) days prior to occupancy; and further, such policies shall provide that no less than thirty (30) days written notice be given to the City before any such policies are cancelled or substantially changed to reduce the insurance provided thereby. Said certificates of insurance shall remain in effect for the duration of this. Tenant shall not act in any manner that may make void or voidable any insurance required herein. Upon written demand, Tenant shall provide the City full, complete and accurate copies of the insurance policies required by this Lease. Once in every three (3)-year period during the term of this Lease, the City shall review the extent and limits of the insurance coverage required herein. After said review, should the City determine an increase in the extent and/or limits of insurance coverage is required, Tenant shall be so notified in writing and Tenant shall cause such increases to be placed in effect within thirty (30) days of receiving such notice. In no event shall the extent and limits of insurance coverage be reduced from the amounts shown herein.

The attorney in fact or agent of any insurance company furnishing any policy of insurance shall sign and furnish an affidavit setting forth that no City official or employee has any interest, direct or indirect, or has received any premium, commission, fee or other thing of value on account of furnishing said policy of insurance.

13. **Liability for Visitors**. Tenant acknowledges that its intended use of the Property under this Lease will necessarily implicate the presence of large numbers of visitors including but not limited to participants in its various boat building and seamanship programs. Tenant assumes sole responsibility for the safety and well being of such visitors and shall assume all liability for any injury or loss of any nature or kind that may be suffered by any visitor to the Property. Tenant agrees to indemnify and save the City harmless from liability for any such injury or loss in accordance with Section 11 of this Lease.

14. **Taxes.** Tenant shall pay and discharge when due all taxes, if any, assessments, levies and other charges, general and special, that are or may be during the term hereof levied, assessed, imposed or charged on the Property or the improvements thereon or hereafter placed thereon.

15. **Alterations & Improvements.** Tenant shall not make any alterations, additions, buildings or improvements to the Property without the prior written consent of the City. Notwithstanding the aforesaid, Tenant, at Tenant's sole cost and expense, may install such trade fixtures as Tenant may deem necessary. In compliance with all applicable governmental and quasi-governmental laws, ordinances and regulations, Tenant shall furnish, upon the City's request, plans, specifications, drawings and/or renderings of any proposed alterations, additions, buildings or improvements.

On or before the date of the expiration or earlier termination of this Lease, Tenant shall remove all trade fixtures and any other alterations, additions, buildings or improvements installed by Tenant within the Property; and, upon such removal, Tenant shall restore the Property to a condition substantially similar to that condition when received by Tenant. However, notwithstanding the aforesaid, upon the City's written election, such alterations, additions, buildings and improvements shall revert to the City and shall remain within the Property. In no event shall the City have any right to any of Tenant's trade fixtures except as otherwise set forth in this Lease.

Tenant or its contractors agree to properly secure all necessary permits and licenses required by any state, federal or local departments or agencies for the construction and operation of Tenant's business and improvements. A copy of each such permit or license shall be sent to the Port of Milwaukee for its record file.

16. **Destruction.** If the improvements upon the Property are damaged in whole or in part by casualty so as to render the Property untenable, and if the damages cannot be repaired within one hundred eighty (180) days from the date of said casualty, this Lease shall terminate as of the date of such casualty. If the damages can be repaired within said one hundred eighty (180) days, and the City does not elect within sixty (60) days after the date of such casualty to repair same, then either party may terminate this Lease by written notice served upon the other. In the event of any such termination, the parties shall have no further obligations to the other, except for those obligations accrued through the effective date of such termination; and, upon such termination, Tenant shall immediately surrender possession of the Property to the City. The City is under no obligation to undertake any repairs but, should the City elect to make such repairs, this Lease shall remain in full force and effect, and the City shall proceed with all due diligence to repair and restore the improvements to a condition substantially similar to that condition which existed prior to such casualty. In the event the repair and restoration of the Property extends beyond one hundred eighty (180) days after the date of such casualty due to causes beyond the control of the City, this Lease shall remain in full force and effect, and the City shall not be liable therefore; but the City shall continue to complete such repairs and restoration with all due diligence. Tenant shall not be

required to pay any rent for any period in which the Property is un-tenantable. However, there shall be no rent abatement if said damage is due to fault or negligence of Tenant or Tenant's agents, employees or invitees.

17. **Site Development Agreements.** In the event that the City and Tenant agree to a plan for the future development of the Property, said plan shall be embodied in a Site Development Agreement which shall be appended to this Lease as an Addendum and shall be incorporated into this Lease as though an integral part thereof. Tenant agrees to fully and continuously comply with all terms and condition of the Site Development Agreement and further agrees that any non-compliance on its part with any of these terms and conditions shall constitute an event of default under this Lease.

18. **Compliance with Laws and Orders.** Tenant agrees to observe fully and to comply with any laws, statutes, regulations, ordinances, rules, requirements or directives now in force or which shall emanate from any state, federal or local departments or agencies having jurisdiction. Tenant also agrees to be fully bound and to observe the provisions of the Municipal Port Tariff in effect as of the date of commencement of this Lease and of any successor or equivalent document issued by the Board of Harbor Commissioners of the City of Milwaukee during the term of this Lease.

19. **Security Compliance.** Tenant agrees to conform to all national security requirements imposed by the U.S. Department of Homeland Security, the Marine Transportation Security Act and its implementing regulations, as well as any applicable state and local security rules and regulations.

“Security,” as that term is used herein shall mean “Measures designed to safeguard personnel; to prevent unauthorized access to equipment, property, buildings, harbor facilities, installations, materials, and documents; and to safeguard against espionage, sabotage, damage, and theft, or to prevent persons or organizations from engaging in any activity or using Port properties, equipment and material in a manner that would aid an effort to harm vital interests of the City of Milwaukee, the State of Wisconsin or the United States of America.”

20. **Environmental Compliance and Obligations.**

A) **Compliance with Environmental Regulations.** Tenant shall fully comply with all environmental laws, including statutes, regulations, or other applicable requirements imposed by any federal, state, or municipal agency with respect to the environmental condition of the Property and/or with respect to any activities or operations that Tenant may conduct upon the Property (hereinafter referred to as "Environmental Requirements"). Tenant shall not cause, permit or suffer the existence or commission by Tenant, its agents, employees, contractors or invitees, or by any other person of any violation of any Environmental Requirements upon, about or beneath the Property or any portion thereof.

B) **Environmental Laws.** The term "Environmental Laws" shall mean and include (a) the Resource Conservation and Recovery Act of 1976, 42 U.S.C. § 6901-6987, as amended by the Hazardous and Solid Waste Amendments of 1984; (b) the Comprehensive Environmental Response, Compensation

and Liability Act, as amended by the Superfund Amendments and Reauthorization Act of 1986, 42 U.S.C. § 9601-9657; (c) the Hazardous Materials Transportation Act of 1975, 49 U.S.C. § 1801-1812; (d) the Toxic Substances Control Act, 15 U.S.C. § 2601, et. seq.; (e) the Clean Air Act, 42 U.S.C. § 7401, et. seq.; (f) the Federal Insecticide, Fungicide and Rodenticide Act, 7 U.S.C. § 136, et. seq.; (g) Chapters 280-299 of Wisconsin Code; and all similar federal, state, or local environmental laws, ordinances, rules, codes and regulations, and as any of the foregoing may have been amended, supplemented, or supplanted and any other federal, state or local laws, ordinances, rules, codes and regulations now existing relating to the environment or the regulation or control or imposing liability or standards of conduct concerning toxic or hazardous waste, substances or materials;

C) Hazardous Material; Environmental Liens. Except to the extent commonly used in the day-to-day operation of the Property, and in strict compliance with all Environmental Requirements (including those relating to storage, use and disposal), Tenant shall not cause, permit or suffer any "hazardous material" or "hazardous substance" (as defined by applicable Federal or State statutes or regulations) to be brought upon, treated, kept, stored, disposed of, discharged, released, produced, manufactured, generated, refined, or used upon, about, or beneath the Property or any portion thereof by Tenant, its agents, employees, contractors, tenants or invitees, or any other person without the prior written consent of the City. Any request by Tenant for such consent by the City shall be in writing and shall demonstrate to the reasonable satisfaction of the City that such "hazardous material" or "hazardous substances" is necessary to the conduct of the business of Tenant and will be stored, used, and disposed of in a manner that complies with all applicable Environmental Requirements. Tenant shall not create or suffer to exist with respect to the Property any lien, security interest, or other charge or encumbrance of any kind relating to the environmental condition of the Property, including (without limitation) any lien imposed pursuant to Sec. 107(f) of the Superfund Amendments and Reauthorization Act 1986 (42 U.S.C. § 9607(L)) or any similar State Statute.

D) Obligation to Investigate and/or Remediate. Tenant shall, upon demand of the City, and at its sole cost and expense, promptly take all actions to investigate and/or remediate the environmental condition of the Property which may be required by any federal, state or local governmental agency or political subdivision which remediation is necessitated from, or attributable to, the presence upon, about, or beneath the Property of any "hazardous material" or "hazardous substances" or any violation of Environmental Requirements caused by the Presence of and/or activities or operations conducted by the Tenant upon the Property. Any such investigation and/or remediation shall be performed by and under the direction of a qualified environmental consulting or engineering firm approved by the City in advance of the commencement of the work. Tenant agrees to allow entry upon the Property by the City, or agents, contractors or employees of the City for purposes of conducting environmental audits and/or other tests for the purpose of determining the impact of Tenant's presence and/or activities or operations upon or

with respect to the Property upon the environmental condition thereof. In the event that Tenant performs any such environmental audit and/or test on its own behalf, it shall promptly provide to the City full and complete copies of any results and/or reports that are generated in connection with the above activities.

E) Survival of Obligations. Tenant's obligations with respect to the environmental condition of the Property (as more fully set forth in Subsections (A) through (C) above) shall survive the expiration or termination of this Lease.

F) Nothing in this agreement shall be deemed to be or constitute a waiver by the City of any defense available to it as a governmental entity pursuant to 42 U.S.C. § 9601 (35) (A) (ii) and § 9607 (b) (3) or Wis. Stat. § 292.11(9)(e), 292.23(2), 292.24(2) and 292.26.

21. **Liens.** Tenant shall not mortgage or otherwise encumber or allow to be encumbered its interest herein without obtaining the prior written consent of the City. Should Tenant cause any mortgage, lien or other encumbrance (hereinafter singularly or collectively referred to as "Encumbrance") to be filed, against the Premises or the Property, Tenant shall dismiss or bond against same within fifteen (15) days after the filing thereof. If Tenant fails to remove said Encumbrance within said fifteen (15) days, the City shall have the absolute right to remove said Encumbrance by whatever measures the City shall deem convenient including, without limitation, payment of such Encumbrance, in which event Tenant shall reimburse the City, as Additional Rent, all costs expended by the City, including reasonable attorney's fees, in removing said Encumbrance. All of the aforesaid rights of the City shall be in addition to any remedies which either the City or Tenant may have available to them at law or in equity.

22. **Time of the Essence.** It is expressly understood and agreed to by the parties hereto that time is of the essence for each term and provision of this Lease.

23. **Waiver.** One or more waivers by any party of any covenant or condition of this Lease shall not be construed as a waiver of a subsequent breach of the same or of any other covenant or condition. The consent or approval given by any party with respect to any act by the other party requiring such consent or approval shall not be deemed to waive or render unnecessary further consent or approval of any subsequent similar act by such party.

24. **Sole Agreement and Amendment.** This shall be binding upon the parties hereto and their respective successors and assigns, and may not be modified orally or in any other manner other than by agreement, in writing, signed by each of the parties to this Lease. Each person signing this Lease warrants that this is the full, entire and complete Lease between the parties; that the terms of this Lease supersede and nullify any and all prior discussion, negotiations or agreements between the parties and/or any of the parties' respective officers, employees or agents relating in any manner to the subject matter of this Lease; and that no promise or inducement not expressed in this Lease has been made or exists to cause or influence each such person to execute this Lease. Each person signing this Lease warrants their ability to bind the party on whose behalf each signs.

25. **Notice**. Any notice provided for herein or given pursuant to this Lease, shall be deemed in compliance herewith if in writing and sent by United States certified or registered mail, postage prepaid, return receipt requested, or by receipted personal delivery to the parties as follows:
