Common Council  
City of Milwaukee

Subject: Introduction of Resolution Relating to Expenditure of Funds to be Reimbursed by  
Greater Than Anticipated Revenue (Special Purpose Account - Firemen's Relief Fund)

Dear Honorable Members:

We are submitting the attached resolution for introduction at the October 24, 2006 Common Council meeting. This resolution is needed to increase the appropriation for the Firemen's Relief Fund. The Firemen's Relief Fund is for a payment to the state that is equal to 2% of the state fire due payment. The revenue received from the state fire due payment was greater than anticipated thus making the city payment higher.

Respectfully submitted,

Mark Nicolini  
Budget and Management Director
