Re: Friendly exchange relationship with Chasse-sur-Rhone, France

Dear Committee Members:

On October 1, 2025, the Sister Cities Committee met to discuss the application for a friendly exchange relationship between the Commune of Chasse-sur-France and the City of Milwaukee.

Based on the information provided, the Sister Cities Committee recommended approval of the application conditioned upon the ability to reevaluate the friendly exchange relationship one anniversary year after its establishment on the ability to establish a formal sister city relationship. The committee further moved that the condition be memorialized in a memorandum of understanding between the two cities and that its recommendation be forwarded to the Community and Economic Development Committee for its consideration and then the full Council.

Sincerely,

Ald. Russell W. Stamper, II, Chair
Sister Cities Committee
