Project/Program Title: Flu on Call Demonstration Project

Grantor Agency: National Association of County & City Health Officials (NACCHO)

Grant Application Date: 9/4/2015

Anticipated Award Date: 10/20/2015

Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations):

Flu on Call is a Centers for Disease Control (CDC)-led initiative to establish a coordinated, national network of telephone triage lines to be used during a severe pandemic or other major public health event. MHD will partner with Impact, Inc., the Wisconsin Poison Control Center, and other local partners to prepare, prime, activate, and de-activate the Flu on Call system during January of 2016.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

This grant is consistent with the departmental strategic goal of increasing public health preparedness to respond to emergencies and of reducing illness and injury associated with communicable and chronic diseases.

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

n/a

4. Results Measurement/Progress Report (Applies only to Programs):

n/a

5. Grant Period, Timetable and Program Phase-out Plan:

The project period is October 20, 2016 through June 30, 2016.

6. Provide a List of Subgrantees:

N/A

7. If Possible, Complete Grant Budget Form and Attach.
