

7-24-07

As a resident on the 3000 block of N.  
Prospect Ave., I feel we have been misled  
and misinformed about this project.

Myself, my wife, and other neighbors, believe  
the city needs to re-evaluate this project  
due to the loss of parking spots in an  
already impacted area. We oppose  
this structure being built in this area.

Peter Coppes  
3014 N. Prospect Ave.
