Re: Re-appointment  
Date: July 26, 2010

I am Rita Warford, a former owner of Sew-What, which was located on Villard Avenue. I do alterations, but had to close shop because of so many break-ins. I am requesting to be re-appointed to the Villard Avenue Board of Directors. I have served on the board faithfully for the past 3 years. My store was burglarized over 13 times which caused me to close. I still have an interest in that area and feel that I can help with the progress and growth in that area. I have also worked very hard with the planning of the past 3 Villard Avenue Days, which I am working on at this present time.

Again, I am requesting to be re-appointed to the Board of Directors, BID 19, of the Villard Avenue Board of Directors.

Respectfully Submitted

Mrs. Rita Warford
