Subject: Legality of amendments to MCO 80-6

Good Afternoon Jim,

I testified today at the Public Safety and Health Committee that the proposed amendments to MCO 80-6 to include a citizen enforcement mechanism were legal and enforceable. With that, the City Attorney's Office approves of this ordinance's enforceability. If there is any more information that I can provide you please let me know.

Thanks,

Michael C. Radavich
Assistant City Attorney
Office of the City Attorney
