Ald. Bauman,

I am a member of the Public Transportation, Utilities and Waterways Review Board, which you know, and also a member of the Board of Review. Assistant City Attorney Travis Gresham of the Board of Review brought to my attention recently that State Statute 70.461 requires that none of the members of the Board of Review may occupy any other public office. Since I can only serve on one Board I prefer to serve on the Board of Review, Therefore, I am resigning as a member of the Public Transportation, Utilities and Waterways Review Board effective immediately.

I want to thank you for your efforts as chairman of the Public Transportation, Utilities and Waterways Review Board to advocate for the idea that public transportation should work for all of us. It was a pleasure serving with you.

Sincerely,
